(d) No Lot owner, or combination of Lot owners, or other person or persons shall have any right to any action by Declarant, or to control, direct or influence the acts of the Declarant with respect to the approval or disapproval of any proposed Improvement. The sidewalk shall be placed five (5) feet back of the street curb line and shall be constructed by the owner of the Lot prior to the time of completion of the main structure and before occupancy thereof; provided, however, this provision shall vary to comply with any requirements of the City of Omaha.

15. Driveway approaches between the sidewalk and curb on each Lot shall be constructed of concrete. Should repair or replacement of such approach be necessary, the repair or replacement shall also be of concrete. No asphalt overlay of driveway approaches will be permitted.

16. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any Lot, except for one dog house constructed for one (1) dog; provided always that the construction plans, specifications and the location of the proposed structure have been first approved by Declarant, or its assigns. 18. No Residence shall be constructed on a Lot unless the entire Lot, as originally platted, is owned by one owner of such Lot, except if parts of two or more platted Lots have been combined into one Lot which is at least as wide as the narrowest Lot on the original plat, and is as large in area as the largest Lot in the original plat.

19. No structure of a temporary character, carport, trailer, basement, tent, storage shed, outbuilding or shack shall be erected upon or used on any Lot at any time, either temporarily or permanently. Pool and bath houses may be approved by the Declarant as an Improvement, pursuant to Paragraph 2 of this Article. No structure or dwelling shall be moved from outside Eagle Run West to any Lot without the written approval of Declarant.

20. All utility service lines from each lot line to a dwelling or other Improvement shall be underground.

#### ARTICLE II. BOUNDARY FENCE

1. Declarant plans to construct boundary fences along 132nd Street and Eagle Run Drive (the "Boundary Fence"). The Boundary Fence will be situated on the easterly most boundary line of Lots 116 and 117, and will extend west approximately twenty-five (25) feet. Each of such lots are collectively referred to as the "Boundary Lots".

2. Declarant hereby declares that the Boundary Lots are subject to a permanent and exclusive right and easement in favor of Declarant and the Eagle Run West Homeowners Association to maintain, repair and replace the Boundary Fence. Without limitation of the rights and easements granted by this Declaration, the Declarant or Association may come upon any of the Boundary Lots for the purpose of constructing, installing, repairing, maintaining, removing, and replacing the Boundary Fence.

3. The rights and easements granted in this Article shall fully and finally terminate as to any Boundary Lot if: (i) the owner of the Boundary Lot gives written notice to the Association that the Association has failed to maintain the Boundary Fence on the Owner's Lot in neat and orderly condition and in good repair; and (ii) the Association fails to place the Boundary Fence on the Owner's Lot into good order and repair within ninety (90) days after the written notice.

#### ARTICLE III. EASEMENTS AND RESTRICTIONS RELATING TO GOLF COURSE

1. Declarant expects to construct, operate and maintain golf courses and a driving range on Lots 115, 116, and 117 of Eagle Run West (herein the "Golf Lots"). Declarant anticipates that the proximity of the Lots to the Golf Lots will enhance the desirability and value of the Lots to purchasers and their successors and assigns. Nevertheless, purchasers and owners of the Lots should be aware that: (i) golfers will from time to time hit golf balls from the Golf Lots onto the Lots; and (ii) normal operation and maintenance of the golf courses will involve operation of mowers and other power equipment during the evening and early morning hours.

2. The Declarant hereby declares, grants and establishes easements on the Lots in favor of the Grantees (defined below) for: (i) intrusion of errant shots onto the Lots; and (ii) intrusion of noise from mowing and other power equipment during all hours of the day and night. For this purpose, an "errant shot" shall refer to a golf shot which is hit onto any Lot.

3. The easements granted in this Article are for the use and benefit of the owner of the Golf Lots, its successors and assigns in ownership of the Golf Lots, and any lessee, licensee, permittee or invitee of the owner of the Golf Lots, further including Landscape Unlimited, a Nebraska corporation, and Eagle Run West Golf Partnership, a Nebraska general partnership, their successors and assigns (collectively the "Grantees"). Without limitation of the foregoing, the Grantees shall include any person or entity which contracts to operate a golf course or driving range on the Golf Lots, and any golfer who is duly authorized to play golf on the Golf Lots.

4. No Grantee shall have any liability, obligation or expense to the owner of a Lot in respect of any personal injury, bodily injury or property damage occurring as a result of an errant shot which is not: (i) negligently, intentionally or recklessly hit onto a Lot; or (ii) hit in violation of the rules established by any operator of a golf course or driving range on the Golf Lots. By accepting title to a Lot, each owner hereby covenants that it will not sue any Grantee for property damage, personal injury or bodily injury which results directly or indirectly from such an errant shot, presently or in the future. All Owners, by acceptance of delivery of a deed, assume all risks associated with errant golf balls, and all Owners agree and covenant not to make any claim or institute any action whatsoever against developer, the golf course designer, the golf course builder, the golf course owner, or the builder of the unit arising or resulting from any errant golf balls, any damages that may be caused thereby, or for negligent design of the golf course or siting of the unit.

5. The owner of the Golf Lots may from time to time change the configuration and layout of the golf courses or driving range on the Golf Lots. Such changes may affect the frequency, trajectory and velocity of errant shots which pass onto any individual Lot. Nevertheless, no Owner of a Lot shall have any right to object to, or in any manner limit changes to the golf courses on the Golf Lots, and the easements granted in this Article shall remain fully effective as to all of the Lots after such changes.

6. The Golf Lots are private property. Owners of Lots and their invitees shall comply with all the rules and regulations of the operator of the Golf Lots relating to use of and play on the Golf Lots.

#### ARTICLE IV.

##### HOMEOWNERS' ASSOCIATION

1. The Association. Declarant has caused the incorporation of EAGLE RUN WEST HOMEOWNERS ASSOCIATION, a Nebraska not for profit corporation (hereinafter referred to as the "Association"). The Association has as its purpose the promotion of the health, safety, recreation, welfare and enjoyment of the residents of Eagle Run West, including:

(a) The acquisition, construction, landscaping, improvement, equipment, maintenance, operation, repair, upkeep and replacement of Common Facilities for the general use, benefit and enjoyment of the Members. Common Facilities may include playgrounds and parks; dedicated and nondedicated roads, paths, ways, entry areas and green areas; and signs and entrances for Eagle Run West. Common Facilities shall not include the golf course situated on Lots 115, 116 and 117 of Eagle Run West. Common Facilities may be situated on property owned or leased by the Association, on private property subject to an easement in favor of the Association, or on public property, or on property dedicated to a Sanitary Improvement District.

(b) The promulgation, enactment, amendment and enforcement of rules and regulations relating to the use and enjoyment of any Common Facilities, provided always that such rules are uniformly applicable to all Members. The rules and regulations may permit or restrict use of the Common Facilities by Members, their families, their guests, and/or by other persons, who may be required to pay a fee or other charge in connection with the use or enjoyment of any Common Facility.

(c) The exercise, promotion, enhancement and protection of the privileges and interests of the residents of Eagle Run West; and the protection and maintenance of the residential character of Eagle Run West.

2. Membership and Voting. Eagle Run West is divided into 113 separate lots (referred to as the "Lots"). The "Owner" of each Lot shall be a Member of this Association. For purposes of this Declaration, the term "Owner" of a Lot means and refers to the record owner, whether one or more persons or entities, of fee simple title to a Lot, but excluding however those parties having any interest in any of such Lot merely as security for the performance of an obligation (such as a contract seller, the trustee or beneficiary of a deed of trust, or a mortgagee). The purchaser of a Lot under a land contract or similar instrument shall be considered to be the "Owner" of the Lot for purposes of this Declaration. Membership shall be appurtenant to ownership of each Lot, and may not be separated from ownership of each Lot.

The Owner of each Lot, whether one or more persons and entities, shall be entitled to one (1) vote on each matter properly coming before the Members of the Association.

3. Purposes and Responsibilities. The Association shall have the powers conferred upon not for profit corporations by the Nebraska Nonprofit Corporation Act, and all powers and duties necessary and appropriate to accomplish the purposes and administer the affairs of the Association. The powers and duties to be exercised by the Board of Directors, and upon authorization of the Board of Directors by the Officers, shall include but shall not be limited to the following:

(a) The acquisition, development, maintenance, repair, replacement, operation and administration of Common Facilities, and the enforcement of the rules and regulations relating to the Common Facilities.

(b) The landscaping, mowing, watering, repair and replacement of parks and other public property and improvements on parks, medians, thoroughfares or public property within or near Eagle Run West.

(c) The fixing, levying, collecting, abatement, and enforcement of all charges, dues, or assessments made pursuant to the terms of this Declaration.

(d) The expenditure, commitment and payment of Association funds to accomplish the purposes of the Association including, but not limited to, payment for purchase of insurance covering any Common Facility against property damage and casualty, and purchase of liability insurance coverages for the Association, the Board of Directors of the Association and the Members.

(e) The exercise of all of the powers and privileges, and the performance of all of the duties and obligations of the Association as set forth in this Declaration, as the same may be amended from time to time.

(f) The acquisition by purchase or otherwise, holding, or disposition of any right, title or interest in real or personal property, wherever located, in connection with the affairs of the Association.

(g) The deposit, investment and reinvestment of Association funds in bank accounts, securities, money market funds or accounts, mutual funds, pooled funds, certificates of deposit or the like.

(h) The employment of professionals and consultants to advise and assist the Officers and Board of Directors of the Association in the performance of their duties and responsibilities for the Association.

(i) General administration and management of the Association, and execution of such documents and doing and performance of such acts as may be necessary or appropriate to accomplish such administration or management.

(j) The doing and performing of such acts, and the execution of such instruments and documents, as may be necessary or appropriate to accomplish the purposes of the Association.

4. Mandatory Duties of the Association. The Association shall maintain and repair the fences and signs which have been or will be installed by Declarant along 132nd Street and Eagle Run Drive.

5. Imposition of Dues and Assessments. The Association may fix, levy and charge the Owner of each Lot with dues and assessments (herein referred to respectively as "dues and assessments") under the following provisions of this Declaration. Except as otherwise specifically provided, the dues and assessments shall be fixed by the Board of Directors of the Association and shall be payable at the times and in the manner prescribed by the Board.

6. Abatement of Dues and Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may abate all or part of the dues or assessments due in respect of any Lot, and shall abate all dues and assessments due in respect of any Lot during the period such Lot is owned by the Declarant.

7. Liens and Personal Obligations for Dues and Assessments. The assessments and dues, together with interest thereon, costs and reasonable attorneys' fees, shall be the personal obligation of the Owner of each Lot at the time when the dues or assessments first become due and payable. The dues and assessments, together with interest thereon, costs and reasonable attorneys' fees, shall also be a charge and continuing lien upon the Lot in respect of which the dues and assessments are charged. The personal obligation for delinquent assessments shall not pass to the successor in title to the Owner at the time the dues and assessments become delinquent unless such dues and assessments are expressly assumed by the successors, but all successors shall take title subject to the lien for such dues and assessments, and shall be bound to inquire of the Association as to the amount of any unpaid assessments or dues.

8. Purpose of Dues. The dues collected by the Association may be committed and expended to accomplish the purposes of the Association described in Section 1 of this Article, and to perform the Powers and Responsibilities of the Association described in Section 3 of this Article.

9. Maximum Annual Dues. Unless excess dues have been authorized by the Members in accordance with Section 10, below, the aggregate dues which may become due and payable in any year shall not exceed the greater of:

(a) One Hundred and no/100 Dollars (\$100.00) per Lot.

(b) In each calendar year beginning on January 1, 1991, one hundred twenty-five percent (125%) of the aggregate dues charged in the previous calendar year.

10. Assessments for Extraordinary Costs. In addition to the dues, the Board of Directors may levy an assessment or assessments for the purpose of defraying, in whole or in part, the costs of any acquisition, construction, reconstruction, repair, painting, maintenance, improvement, or replacement of any

Common Facility, including fixtures and personal property related thereto, and related facilities. The aggregate assessments in each calendar year shall be limited in amount to Three Hundred and no/100 Dollars (\$300.00) per Lot.

11. Excess Dues and Assessments. With the approval of sixty percent of the Members of the Association, the Board of Directors may establish dues and/or assessments in excess of the maximums established in this Declaration.

12. Uniform Rate of Assessment. Assessments and dues shall be fixed at a uniform rate as to all Lots, but dues may be abated as to individual Lots, as provided in Section 5, above.

13. Certificate as to Dues and Assessments. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the dues and assessments on a specified Lot have been paid to the date of request, the amount of any delinquent sums, and the due date and amount of the next succeeding dues, assessment or installment thereof. The dues and assessment shall be and become a lien as of the date such amounts first become due and payable.

14. Effect of Nonpayment of Assessments-Remedies of the Association. Any installment of dues or assessment which is not paid when due shall be delinquent. Delinquent dues or assessment shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot or Lots, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and reasonable attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by nonuse of the Common Area or abandonment of his Lot. The mortgagee of any Lot shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

15. Subordination of the Lien to Mortgage. The lien of dues and assessments provided for herein shall be subordinate to the lien of any mortgage, contract or deed of trust given as collateral for a home improvement or purchase money loan. Sale or transfer of any Lot shall not affect or terminate the dues and assessment lien.

#### ARTICLE IV. EASEMENTS

1. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District, U S West telephone company, and any company which has been granted a franchise to provide a cable television system within the Lots, Metropolitan Utilities Company, and Sanitary and Improvement District No. 365 of Douglas County, Nebraska, their successors and assigns, to erect and operate, maintain, repair and renew buried or underground sewers, water and gas mains and cables, lines or conduits and other electric and telephone utility facilities for the carrying and transmission of electric current for light, heat and power and for all telephone and telegraph and message service and for the transmission of signals and sounds of all kinds including signals provided by a cable television system and the reception on, over, through, under and across a five (5) foot wide strip of land abutting the front and the side boundary lines of the Lots; an eight (8) foot wide strip of land abutting the rear boundary lines of all interior Lots and all exterior lots that are adjacent to presently platted and recorded Lots; and a sixteen (16) foot wide strip of land abutting the rear boundary lines of all exterior Lots that are not adjacent to presently platted and recorded Lots. The term exterior Lots is herein defined as those Lots forming the outer perimeter of the Lots. The sixteen (16) foot

wide easement will be reduced to an eight (8) foot wide strip when such adjacent land is surveyed, platted and recorded.

2. A perpetual easement is further reserved for the Metropolitan Utilities District of Omaha, their successors and assigns to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes, hydrants and other related facilities and to extend therein pipes for the transmission of gas and water on, through, under and across a five (5) foot wide strip of land abutting all cul-de-sac streets; this license being granted for the use and benefit of all present and future owners of these Lots; provided, however, that such licenses and easements are granted upon the specific conditions that if any of such utility companies fail to construct such facilities along any of such Lot lines within thirty-six (36) months of date hereof, or if any such facilities are constructed but are thereafter removed without replacement within sixty (60) days after their removal, then such easement shall automatically terminate and become void as to such unused or abandoned easementways. No permanent buildings, trees, retaining walls or loose rock walls shall be placed in the easementways but same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforementioned uses or rights granted herein.

3. Other easements are provided for in the final plat of Eagle Run West which is filed in the Register of Deeds of Douglas County, Nebraska (Book 1898, Page 52).

#### ARTICLE VI.

##### NOTICE OF POTENTIAL TELEPHONE FACILITIES CHARGE

In the event that ninety percent (90%) of all Lots within Eagle Run West are not improved within five (5) years from the date that U S West Telephone Company shall have completed its distribution system and filed notice of such completion ("Five Year Term") then such unimproved Lot shall be subject to a charge of Four Hundred Fifty and no/100 Dollars (\$450.00). A Lot shall be considered as unimproved if construction of a permanent structure has not commenced on a Lot. Construction shall be considered as having commenced if a footing inspection has been requested on the Lot in question by officials of the City or other appropriate governmental authority.

Should such charge be imposed by U S West Telephone Company or its successors and remain unpaid, then such charge may draw interest at the rate of twelve percent (12%) per annum commencing after the expiration of sixty (60) days from the time all of the following events shall have occurred: (a) expiration of the Five Year Term, and (b) each owner of record is sent a written statement of charge for Four Hundred Fifty and no/100 Dollars (\$450.00) for each unimproved Lot.

#### ARTICLE VII.

Section 1. The Association may suspend the voting rights of an Owner for any period during which any assessment against such Owner's Lot remains unpaid, and for any period not to exceed 60 days for any infraction by any such Owner, or members of such Owner's family, or guests or tenants of such Owner, of the published rules and regulations of the Association.

In order to ensure that a quorum is present for all meetings of the members, and to allow for orderly management of the Association's affairs, it shall be the duty of each member to attend such meetings or execute and deliver to the Association a continuing proxy prepared by the Association. This continuing proxy shall operate in lieu of the actual attendance at the meeting by the specific member and shall be void if the member personally attends that meeting to exercise the member's right to vote. A Lot Owner may provide a superseding proxy to be voted by his duly authorized attorney in fact for one specific meeting only. ARTICLE IV  
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants for each Assessable Lot and for each Owner (other than Declarant) of any Assessable Lot, by acceptance of a deed therefore or by entering into a contract for the purchase thereof, whether or not it shall be so expressed in such deed or in such contract, that it is, and shall be, deemed to covenant and agree to pay to the Association:

- (1) Special assessments for capital improvements, and
- (2) Monthly assessments for exterior maintenance and other operational expenses with respect to each Improved Lot as deemed necessary by the Association, and

as such assessments shall be established and collected as hereinafter provided. The special assessments and monthly assessments together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment became due. The personal

obligation for delinquent assessments shall not pass to such Owner's successors in title, unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents in the Properties and for exterior maintenance, and other matters as more fully set out in Article V herein.

Section 3. Monthly Assessments. The Board of Directors shall have the authority to levy and assess from time to time against an Assessable Lot any monthly maintenance assessment for the purpose of meeting the requirements of Section 1 of Article V herein for exterior maintenance.

Section 4. Special Assessment for Capital Improvements. The Association may levy special assessments from time to time against an Assessable Lot for the purpose of meeting the requirements of Section 2 of Article V herein for the costs of any construction, reconstruction, repair or replacement of any capital improvements on such Lot, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each class of membership, who shall vote in person or by proxy at a meeting duly called for such purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 1. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 of this Article IV shall be sent to all Members not less than 10 days nor more than 50 days in advance of such meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. Any such subsequent meeting shall be held within 60 days following the preceding meeting.

Section 6. Rate of Assessment. The monthly assessments shall be paid prorata by the Owners of all Assessable Lots based upon the total number of Assessable Lots. The monthly assessments may be collected on a monthly or other periodic basis by the Association. The Board of Directors of the Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements

occurs. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of the Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Association as of the date of its issue by the Association.

Section 7. Effect of Nonpayment of Assessment: Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which at the time of the execution of these Declarations, is sixteen (16) percent per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

Section 8. Subordination of the Lien to Mortgages. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, first deed of trust, or other initial purchase money security device, and the holder of any first mortgage, first deed of trust, or other initial purchase money security device, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage, first deed of trust or initial purchase money security device thereon is in default, if such Board of Directors determines that such lien has no value to the Association. No mortgagee shall be required to collect any assessments due. The Association shall have the sole responsibility to collect all assessments due.

ARTICLE V  
EXTERIOR MAINTENANCE

The Association may provide exterior maintenance upon each Improved Lot which is subject to monthly and special assessments as set forth hereinafter.

Section 1. Monthly assessments may be assessed for, but not limited to, the following:

- (a) Maintenance of trees and shrubs, lawns, and other exterior landscaping improvements as originally installed by the builder, except such improvements as may be within the confines of any fenced in area on any Improved Lot or installed by or at the direction of the Owner, which improvements shall be the responsibility of the Owner. The Owner understands that the original landscape as installed by the builder is warranted for a period of one year from the time of planting. The Owner is responsible for replacement of all dead landscaping improvements after the one year warranty period expires and the Owner agrees to allow the Association to replace such dead landscape improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Association on demand. The Association shall have no duty to repair, replace or maintain any exterior concrete surfaces.
- (b) Operation and maintenance of an underground watering system.
- (c) Snow removal as to be determined by the guidelines set forth by the Board of Directors.
- (d) Optional exterior window cleaning as deemed necessary by the Board of Directors.

Section 2. Special assessments may be assessed for, but not limited to, the following:

- (a) Maintain, repair, and replace roofs.
- (b) Maintain, repair, including painting, of all exterior walls, with the exception that the Association shall not assume the duty to repair or replace any glass surfaces, including, but not limited to, window glass and door glass. The Association shall not assume the duty to repair or replace any doors, door openers, and cooling units for air conditions systems. However, the Association shall assume the duty to paint the exterior surfaces of exterior doors.
- (c) Maintain, repair, and replace gutters.

**ARTICLE VI**  
**ARCHITECTURAL CONTROL**

No building, fence, wall, or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition or change or alteration therein be made, nor shall any trees, shrubs, or plantings be planted or maintained upon

BOOK 1031 PAGE 311

the Properties, until the plans and specifications therefor, showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing, as to harmony of external design and location in relation to surrounding structures and topography, and in relation to other trees, shrubs and plantings, by the Board of Directors of the Association. Failure of the Board to act on such plans as submitted within 30 days after the date of submission shall be deemed to be approval of such plans, and the Owner may proceed in accordance with such plans and specifications.

**ARTICLE VII**  
**PARTY WALLS**

**Section 1. General Rules of Law to Apply.** Each wall which is built as part of the original construction of any dwelling upon the Properties, and which is placed on the dividing line between any adjoining Lots, shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

**Section 2. Sharing of Repair and Maintenance.** The cost of reasonable repairs and maintenance of any party wall shall be shared by the Owners who make use of such party wall in proportion to the length of each Lot and party wall.

**Section 3. Destruction by Fire or Other Casualty.** If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owner or Owners shall thereafter make use of such party wall, such other Owner or Owners shall contribute to the cost of restoration thereof in proportion to such use, without prejudice, however, to the right of any such Owner or Owners to call for a larger contribution from other Owners under any rule of law regarding liability for negligent or willful acts or omissions.

**Section 4. Weatherproofing.** Notwithstanding any other provision of this Article, an Owner who, by his negligent or willful act, causes the party wall to be exposed to the elements, shall bear the whole cost of furnishing the necessary protection against such elements and repair of damage caused by the elements.

**Section 5. Right to Contribution Runs With Land.** The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

**Section 6. Arbitration.** In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each Owner involved shall choose one arbitrator, and such

arbitrators shall choose one additional arbitrator, and all Owners shall be bound by any decision arrived at by a majority of all such arbitrators. Arbitration shall be governed by the terms of the Uniform Arbitration Act, to the extent consistent with the foregoing provisions.

ARTICLE VIII  
GENERAL RESTRICTIONS AND OTHER PROVISIONS

Section 1. Restrictions. Every Owner shall have full rights of ownership and full use and enjoyment of his Lot, subject to the following restrictions:

- (a) No fences or enclosures of any type or nature whatsoever shall ever be constructed, erected, placed or maintained on any Lot within the Properties, unless such fences or enclosures shall have first been authorized in writing by the Association. No clothes line or clothes hanger shall be constructed on any Lot or used on any Lot outside of a building located thereon. No exterior television or radio antenna shall be erected on any Lot within the Properties; provided however, that with the written approval of the Association, one or more master television antenna towers may be erected for the benefit and use of all or part of the Owners of the Properties.
- (b) No animals, livestock or poultry of any kind shall be raised or kept on any Lot in the Properties, other than non-exotic household pets, which shall be limited to one (1) per household. All pets shall be leashed when outside of the residential structure and patio area. No such pet shall be kept, bred or maintained for commercial purposes. No animals, livestock or poultry of any kind shall be raised or kept on any Lot in the Properties, other than household pets, which shall be limited to one (1) per household and which a household pet shall not exceed twenty pounds (20) in weight. All pets shall be leashed when outside the residential structure and patio area. No pets however, shall be kept, bred, or maintained for commercial purposes. All reptiles are classified as exotic pets. All unpleasantries created by the household pet shall be the responsibility of the Owner, and he shall be obligated to clean up after the animal.
- (c) No noxious, offensive, or illegal activity shall be carried on upon the Properties, nor shall any trash, ashes or other refuse be thrown, placed, or dumped upon any Lot, nor shall anything ever be done which may be or become an annoyance or nuisance to the neighborhood. No outside above-ground trash receptacles or incinerators shall be permitted on any Lot.

- (d) No advertising signs or billboards shall be permitted on any Lot with the exception of "for sale" or "for rent" signs, which shall not exceed four square feet in size. Nothing herein contained shall prevent the use of any Lot by the Declarant, its agents, and the Association as a sales and rental office, or as a model home or both, and while any Lot is so used, they shall have the right, for themselves, or their nominees, to place signs on the premises advertising such office or model home, or both.
- (e) No trailer, tent, shack, barn or other outbuilding shall at any time be used for human habitation, either temporarily or permanently. This shall not prevent the location of a temporary real estate and/or construction office on any Lot in the Properties for use during the period of construction and sale of the Properties.
- (f) The use of private barbecue grills and the outside use or storage of barbecue grills on any Lot may be subject to written regulation, restriction or exclusion by the Association.
- (g) No awnings or sun screens of any type shall be affixed to any building or structure on any Lot without the written consent of the Association.

**ARTICLE IX**  
**INSURANCE**

Section 1. The Association shall purchase and provide physical property coverage insurance with respect to the improvements (residential and related structures) in an amount equal to at least ninety percent (90%) of the full replacement value of the original improvements against losses by fire, lightning, wind storm and other perils covered by standard extended coverage endorsements. The full replacement value of the original improvements is defined as the base price of the original structure excluding, but not limited to, custom finished basements and any other improvements over the base original price. Insurance premiums are assessed uniformly based upon the base price of the original structures. Betterments done to the original structure and additional custom improvements shall not be covered by the Association's policy. The intent is to provide only coverage based only upon the basic purchase price excluding any custom betterments.

The Association shall also purchase and provide comprehensive general liability coverage insurance against any other hazards and in such amounts as shall be determined from time to time by the Board of Directors of the Association. The Association, in addition to the foregoing, shall provide Directors and Officers liability coverage insurance for the Association, for its Officers, and members of the Board of Directors. Finally, if the Association

BOOK 1031 PAGE 314

has any employees of any nature, the Association shall purchase and provide Worker's Compensation Insurance for all employees who may come within the scope of Nebraska Worker's Compensation laws.

The above insurance shall not cover the personal property of any Owner of any Lot, it being the Owner's responsibility to provide such insurance coverage for the Owner's protection. In addition, the Association may purchase such additional insurance against other hazards which may be deemed appropriate by the Board of Directors.

Section 2. The Association is hereby irrevocably appointed as agent for each Owner of each and every Lot in the Properties and for the holder of any Mortgage on any Lot in the Properties, to adjust any and all claims arising under insurance policies purchased by the Association on the improvements on the Properties, and to execute and deliver releases upon payment of claims without joinder by any such Owner or mortgagee. All insurance proceeds shall be applied by the Association toward repairing the damage covered by such insurance, provided that reconstruction or repair shall not be compulsory where the damage exceeds two-thirds (2/3) of the value of all the buildings and improvements on all of the Lots covered by such insurance.

The deductible portion of the applicable master insurance policy shall be borne equally by those Lots which have suffered the loss. Should the Owners so elect not to rebuild, the insurance proceeds, along with the insurance indemnity, if any, shall be credited to each Owner in accordance with such Owner's pro rata share of the loss as sustained from the casualty for which the proceeds shall be payable. Such sums shall be first applied towards satisfaction of any recorded first mortgage, first deed of trust, initial purchase money security device against such Lots, next applied towards satisfaction of junior recorded liens in order of their priority, next toward the cost of razing the improvements or any remnants thereof from said Properties, and the filling and leveling of any of said Lots, as needed, and the remainder shall then be paid to such Owner of such razed properties on a pro rata basis.

In case the insurance proceeds do not equal the cost of repairs or rebuilding, the excess cost shall be considered a maintenance expense to be assessed and collected by the Association from the Owner of the damaged improvements. In any cases of over insurance, any excess proceeds of insurance received shall be credited towards the working fund of the Association.

Section 3. Each Lot Owner may obtain such additional insurance for the individual Owner's benefit and at such Owner's own expense as may be deemed necessary by the Lot Owner, including coverage for specific improvements and betterments in the Owner's unit, personal liability, specific personal property items, the ten percent (10%)

BOOK 1031 PAGE 315

co-insurance provision of the full replacement cost of the base price of the original structure, and any exclusions of insurance coverage from the master policy provided by the Association.

**ARTICLE X**  
**ACCESS**

The Association, its officers, employees and agents, and contractors and repairmen designated by the Association, shall have the right to go on any Lot for the purpose of performing maintenance and repair, making inspections and performing the duties of the Association hereunder, and the Association is hereby granted a specific easement for such purposes.

**ARTICLE XI**  
**UTILITY METERS AND SERVICE LINES**

In order to facilitate the installation, operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Association shall have a dual metering system for water so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots. It is understood that the amount of water metered for the residential use on any such Lot shall be paid for by the Owner of each Lot receiving water.

**ARTICLE XII**  
**GENERAL PROVISIONS**

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure of the Association or of any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one or more of these covenants or restrictions, by judgment or court Order, shall in no way affect any other provisions, which other provisions shall remain in full force and effect.

Section 3. Amendment. These Declarations may be amended at any time during the initial twenty (20) year term referred to in Section 4, hereafter, by an instrument signed by the Owners of not less than ninety percent (90%) of the Lots then covered by these Declarations, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots then covered by these Declarations. Any such amendment shall be valid only upon its being recorded in the same manner as Deeds shall be recorded at such time.

Section 2. "Owner" shall mean and refer to:

- (a) The record owner, whether one or more persons or entities, of a fee simple title to any Lot which is a part of the Properties, but excluding those having such interest merely as security for the performance of an obligation or as an encumbrance upon the interest of the beneficial owner, and
- (b) The purchaser, whether one or more persons or entities, under a recorded contract for the sale and purchase of a Lot, under which the Seller retains title solely as security for the performance of the purchasers obligation under the contract.

Section 3. "Properties" shall mean and refer to:

Lots 1 through 20, inclusive, of Eagle Run Villas on the Green, a Subdivision located in Douglas County, Nebraska, as surveyed, platted and recorded,

together with any such additions thereto as may hereafter be brought within the jurisdiction of the Association.

Section 5. "Improved Lot" shall mean and refer to any Lot included within the Properties, upon which shall be erected a dwelling, the construction of which shall be at least 80% completed, according to the plans and specifications for construction of said dwelling. All other Lots, which shall be vacant or upon which shall be erected a dwelling, the construction of which shall be less than 80% completed, according to the plans and specifications for construction of said dwelling, shall be defined as "Unimproved Lots".

Section 6. "Assessable Lot" shall mean and refer to any Improved Lot which has 100% of the exterior construction completed and is owned by someone other than Declarant.

Section 1. The Association may suspend the voting rights of an Owner for any period during which any assessment against such Owner's Lot remains unpaid, and for any period not to exceed 60 days for any infraction by any such Owner, or members of such Owner's family, or guests or tenants of such Owner, of the published rules and regulations of the Association.

Section 2. Parking Rights. Ownership of any Lot shall entitle the Owner or Owners thereof to such parking rights as shall be available upon such Lot.

ARTICLE III  
MEMBERSHIP AND VOTING RIGHTS

Section 1. Every Owner of a Lot which is subject to assessment shall be a member of the Association. Each Lot Owner is empowered to enforce the covenants. Membership shall be appurtenant to and shall not be separated from ownership of any Lot which is subject to any assessment.

Section 2. In order to ensure that a quorum is present for all meetings of the members, and to allow for orderly management of the Association's affairs, it shall be the duty of each member to attend such meetings or execute and deliver to the Association a continuing proxy prepared by the Association. This continuing proxy shall operate in lieu of the actual attendance at the meeting by the specific member and shall be void if the member personally attends that meeting to exercise the member's right to vote. A Lot Owner may provide a superseding proxy to be voted by his duly authorized attorney in fact for one specific meeting only. The proxy shall be subject to the terms of the Nebraska Nonprofit Corporation Act concerning revocability and life span of the proxy. Failure to attend personally or by proxy is a violation of this covenant.

The continuing proxy shall be voted by the President of the Association in his or her discretion at any meeting. It is noted that Nebraska law requires that members holding 1/10th of the votes entitled to be cast represented in person or by proxy shall constitute a quorum. The continuing proxy shall provide on its face that it is valid on a continuous basis for an indefinite period of time until revoked in writing by the specific Lot Owner. All proxies shall be in writing and filed with the Secretary of the Association. Each proxy shall be freely revocable and shall automatically cease when the member giving such proxy shall cease to be an Owner of a Lot or at such earlier time as shall be specified in the proxy or by operation of law.

Section 3. The Association shall have two classes of voting members, Class A Members and Class B Members, defined as follows:

CLASS A: Class A Members shall be all Owners, with the exception of the Declarant, Apollo Building Corp. Each Class A Member shall be entitled to one vote for each Lot owned. When there shall be more than one person or entity holding an interest in any Lot, all such persons or entities or both, shall be Members; provided however that the vote for such Lot shall be exercised as such persons or entities or both, shall determine, but in no event shall more than one vote be cast with respect to any one Lot.

CLASS B. Class B Members shall be Apollo Building Corp. which shall be entitled to three votes for each Lot owned and not under a current contract of sale or title transferred. The Class B membership shall terminate and be converted into Class A membership (with Apollo Building Corp. voting for each Lot owned by the Declarant) upon the occurrence of the first of the following dates:

- (a) The date on which the total votes outstanding in the Class A membership shall equal the total votes outstanding in the Class B membership, or
- (b) January 1, 1996.

ARTICLE IV  
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant hereby covenants for each Assessable Lot and for each Owner (other than Declarant) of any Assessable Lot, by acceptance of a deed therefore or by entering into a contract for the purchase thereof, whether or not it shall be so expressed in such deed or in such contract, that it is, and shall be, deemed to covenant and agree to pay to the Association:

- (1) Special assessments for capital improvements, and
- (2) Monthly assessments for exterior maintenance and other operational expenses with respect to each Improved Lot as deemed necessary by the Association, and

as such assessments shall be established and collected as hereinafter provided. The special assessments and monthly assessments together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment shall be made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person, persons, or entity who, or which, was the Owner of the property at the time when the assessment became due. The personal

obligation for delinquent assessments shall not pass to such Owner's successors in title, unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety, recreation and welfare of the residents in the Properties and for exterior maintenance, and other matters as more fully set out in Article V herein.

Section 3. Monthly Assessments. The Board of Directors shall have the authority to levy and assess from time to time against an Assessable Lot any monthly maintenance assessment for the purpose of meeting the requirements of Section 1 of Article V herein for exterior maintenance.

Section 4. Special Assessment for Capital Improvements. The Association may levy special assessments from time to time against an Assessable Lot for the purpose of meeting the requirements of Section 2 of Article V herein for the costs of any construction, reconstruction, repair or replacement of any capital improvements on such Lot, including fixtures and personal property related thereto, provided that any such assessment shall have the consent of two-thirds (2/3) of the votes of each class of membership, who shall vote in person or by proxy at a meeting duly called for such purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Section 1. Written notice of any meeting called for the purpose of taking any action authorized under Sections 3 or 4 of this Article IV shall be sent to all Members not less than 10 days nor more than 50 days in advance of such meeting. At the first such meeting called, the presence of Members, in person or by proxy, entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at such subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. Any such subsequent meeting shall be held within 60 days following the preceding meeting.

Section 6. Rate of Assessment. The monthly assessments shall be paid prorata by the Owners of all Assessable Lots based upon the total number of Assessable Lots. The monthly assessments may be collected on a monthly or other periodic basis by the Association. The Board of Directors of the Association shall fix the amount of the monthly or other periodic assessments against each Assessable Lot. Written notice of the assessment shall be sent to every Owner subject thereto. The dates payments are due shall be established by the Board of Directors. The special assessments for capital improvements shall only be assessed against the Assessable Lot for which the costs of such construction, reconstruction, repair or replacement of any capital improvements occurs. The Association

shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association, setting forth whether or not all assessments on a specified Assessable Lot have been paid. A properly executed certificate of the Association as to the status of assessments, on a particular Assessable Lot shall be binding upon the Association as of the date of its issue by the Association.

Section 7. Effect of Nonpayment of Assessment; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall be deemed delinquent and shall bear interest at the maximum legal rate allowable by law in the State of Nebraska, which at the time of the execution of these Declarations, is sixteen (16) percent per annum. Should any assessment remain unpaid more than sixty (60) days after the due date, the Association may declare the entire unpaid portion of said assessment for said year to be immediately due and payable and thereafter delinquent. The Association may bring an action at law against the Owner personally obligated to pay the same, or may foreclose the lien of such assessment against the property through proceedings in any Court having jurisdiction of actions for the enforcement of such liens. No Owner may waive or otherwise escape liability for the assessments provided herein by abandonment or title transfer of such Owner's Lot.

Section 8. Subordination of the Lien to Mortgages. The lien on the assessments provided for herein shall be subordinate to the lien of any first mortgage, first deed of trust, or other initial purchase money security device, and the holder of any first mortgage, first deed of trust, or other initial purchase money security device, on any Lot may rely on this provision without the necessity of the execution of any further subordination agreement by the Association. Sale or transfer of any Lot shall not affect the status or priority of the lien for assessments made as provided herein. The Association, if authorized by its Board of Directors, may release the lien of any delinquent assessments on any Lot as to which the first mortgage, first deed of trust or initial purchase money security device thereon is in default, if such Board of Directors determines that such lien has no value to the Association. No mortgagee shall be required to collect any assessments due. The Association shall have the sole responsibility to collect all assessments due.

ARTICLE V  
EXTERIOR MAINTENANCE

The Association may provide exterior maintenance upon each Improved Lot which is subject to monthly and special assessments as set forth hereinafter.

Section 1. Monthly assessments may be assessed for, but not limited to, the following:

- (a) Maintenance of trees and shrubs, lawns, and other exterior landscaping improvements as originally installed by the builder, except such improvements as may be within the confines of any fenced in area on any Improved Lot or installed by or at the direction of the Owner, which improvements shall be the responsibility of the Owner. The Owner understands that the original landscape as installed by the builder is warranted for a period of one year from the time of planting. The Owner is responsible for replacement of all dead landscaping improvements after the one year warranty period expires and the Owner agrees to allow the Association to replace such dead landscape improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Association on demand. The Association shall have no duty to repair, replace or maintain any exterior concrete surfaces.
- (b) Operation and maintenance of an underground watering system.
- (c) Snow removal as to be determined by the guidelines set forth by the Board of Directors.
- (d) Optional exterior window cleaning as deemed necessary by the Board of Directors.

Section 2. Special assessments may be assessed for, but not limited to, the following:

- (a) Maintain, repair, and replace roofs.
- (b) Maintain, repair, including painting, of all exterior walls, with the exception that the Association shall not assume the duty to repair or replace any glass surfaces, including, but not limited to, window glass and door glass. The Association shall not assume the duty to repair or replace any doors, door openers, and cooling units for air conditions systems. However, the Association shall assume the duty to paint the exterior surfaces of exterior doors.
- (c) Maintain, repair, and replace gutters.

#### ARTICLE VI ARCHITECTURAL CONTROL

No building, fence, wall, or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition or change or alteration therein be made, nor shall any trees, shrubs, or plantings be planted or maintained upon

the Properties, until the plans and specifications therefor, showing the nature, kind, shape, height, materials, color and location of the same shall have been submitted to and approved in writing, as to harmony of external design and location in relation to surrounding structures and topography, and in relation to other trees, shrubs and plantings, by the Board of Directors of the Association. Failure of the Board to act on such plans as submitted within 30 days after the date of submission shall be deemed to be approval of such plans, and the Owner may proceed in accordance with such plans and specifications.

#### ARTICLE VII

This Article has been left blank intentionally.

#### ARTICLE VIII

##### GENERAL RESTRICTIONS AND OTHER PROVISIONS

Section 1. Restrictions. Every Owner shall have full rights of ownership and full use and enjoyment of his Lot, subject to the following restrictions:

any Lot, nor shall anything ever be done which may be or become an annoyance or nuisance to the neighborhood. No outside above-ground trash receptacles or incinerators shall be permitted on any Lot.

- (d) No advertising signs or billboards shall be permitted on any Lot with the exception of "for sale" or "for rent" signs, which shall not exceed four square feet in size. Nothing herein contained shall prevent the use of any Lot by the Declarant, its agents, and the Association as a sales and rental office, or as a model home or both, and while any Lot is so used, they shall have the right, for themselves, or their nominees, to place signs on the premises advertising such office or model home, or both.
- (e) No trailer, tent, shack, barn or other outbuilding shall at any time be used for human habitation, either temporarily or permanently. The Association, in addition to the foregoing, shall provide Directors and Officers liability coverage insurance for the Association, for its Officers, and members of the Board of Directors. Finally, if the Association has any employees of any nature, the Association shall purchase and provide Worker's Compensation Insurance for all employees who may come within the scope of Nebraska Worker's Compensation laws.

Section 2. Each Owner shall, at its sole cost and expense, procure and maintain in full force and effect a policy or policies of insurance insuring such Owner and the Association, as an additional insured, against loss or damage by fire and such or risks as may be included within an extended coverage endorsement covering the full replacement cost of the buildings and other

All such insurance shall be written by companies which are satisfactory to the Association and which are authorized to do insurance business in the State of Nebraska. Each policy shall contain an agreement by the insurer that it will not cancel or modify such policy except after thirty (30) days prior written notice to the Association and that any loss otherwise payable thereunder shall be payable notwithstanding any act or negligence of the insured. Certificates evidencing the existence of such insurance policies shall be delivered to the Association annually and upon the reasonable request of the Association. Each Owner may obtain such additional insurance for such Owner's benefit and at such Owner's own expense as may be deemed necessary by the Owner, including coverage for personal property damage or personal liability.

Section 3. In the event that any building on the Properties shall be damaged or destroyed (partially or totally) by fire, the elements, or any other casualty, the Owner of such building shall, at its expense, promptly and with due diligence repair, rebuild, and restore the same as nearly as practical to the condition existing just prior to such damage or destruction; or alternatively, the Owner of such building shall be required to clear, clean and raze the damaged building and landscape the entire Lot.

ARTICLE X  
ACCESS

ARTICLE XI  
UTILITY METERS AND SERVICE LINES

In order to facilitate the installation, operation, maintenance and repair of an underground watering system, such Lots as shall be designated from time to time by the Association shall have a dual metering system for water so as to permit the drawing of water for watering of the lawns, shrubs, trees and other vegetation located upon the Lots. It is understood that the amount of water metered for the residential use on any such Lot shall be paid for by the Owner of each Lot receiving water.

ARTICLE XII  
GENERAL PROVISIONS

Section 1. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure of the Association or of any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one or more of these covenants or restrictions, by judgment or court Order, shall in no way affect any other provisions, which other provisions shall remain in full force and effect.

Section 3. Amendment. These Declarations may be amended at any time during the initial twenty (20) year term referred to in Section 4, hereafter, by an instrument signed by the Owners of not less than ninety percent (90%) of the Lots then covered by these Declarations, and thereafter by an instrument signed by the Owners of not less than seventy-five percent (75%) of the Lots then covered by these Declarations.
