15. Architectural Control. No building, fence, wall, driveway, patio, patio enclosure, rock garden, swimming pool, dog house, dog run, flagpole or other external improvement above or below the surface of the ground shall be erected, placed, altered or permitted to remain on any lot, nor shall any grading, excavation or tree removal be commenced until the construction plans and specifications, a site grading plan and a plot plan showing the location of the structure or improvement have been approved in writing by Developer, or any person, firm, corporation, partnership or entity designated in writing by Developer, which shall consider such plans and specifications with regard to type, quality and use of exterior materials, exterior design, location of improvements upon the building plot, and proposed finished grades, provided that Developer and its designee specifically reserve the right to deny permission to construct any type of structure, or improvement which it determines will not conform to the master plan for development of the subdivision. 16. Utility, Pipeline and Other Easements. A perpetual easement is hereby reserved in favor of and granted to the Omaha Public Power District, U.S. West Communications, and any company which has been franchised to provide a cable television system in the area to be subdivided, their successors and assigns, to erect, operate, maintain, repair and renew underground poles, wires, cables, conduits and other related facilities, and to extend thereon wires or cables for the carrying and transmission of electric current for light, heat and power.

and for the transmission of signals and sounds of all kinds including signals provided by a cable television system, and the reception on, over, through, under and across a five-foot (5') wide strip of land abutting all front and side boundary lot lines; an eight-foot (8') wide strip of land abutting the rear boundary lines of all lots; and a sixteen-foot (16') wide strip of land abutting the rear boundary lines of all exterior lots. The term exterior lots is herein defined as those lots forming the outer perimeter of the above-described addition. Said sixteen-foot (16') wide easement will be reduced to an eight-foot (8') wide strip when the adjacent land is surveyed, platted and recorded, and a perpetual easement is hereby granted to the City of Papillion and Peoples Natural Gas, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes for the transmission of gas and water on, through, under and across a five-foot (5') wide strip of land abutting all streets. Improvements which may be approved by SID #137 include landscaping, trees, grass, shrubbery and fences so long as such improvements do not impede the drainage way flow. In particular any fences constructed across said easement strip must provide for and maintain sufficient space at the bottom to allow for unimpeded drainage.

17. Remedy on Violation

If the parties hereto or any of their heirs, successors or assigns shall violate or attempt to violate any of the covenants or restrictions herein, it shall be lawful for any person or persons owning any other lots in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant or restriction, and either prevent him or them from so doing or to recover damages for such violation.

18. Severability

Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

19. Binding on Successors

The covenants and restrictions herein contained shall run with the land, and shall be binding upon all persons for a period of twenty-five (25) years from the date hereof. Each of the covenants herein contained is several and separate from the other covenants, and invalidity of any covenant shall not affect the validity of any other provision of this instrument.

20. Enforcement by Developer

Nothing herein contained shall in any way be construed as imposing upon the Developer or any of the undersigned any liability, obligation or requirement to enforce this instrument or any of the provisions contained herein.

21. Amendments

For a period of ten (10) years following the date hereof, Developer shall have the exclusive right to amend, modify or supplement all of any portion of these Protective Covenants from time to time by executing and recording one or more duly acknowledged Amendments to Protective Covenants in the Office of the Registrar of Deeds of Sarpy County, Nebraska. Such amendments may include, among other things, the inclusion of additional properties to these Protective Covenants, an extension of the time for which these covenants are to run and the termination of a then-existing covenant with the right
