(1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and a reasonable attorney fee, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. All subsequent purchasers shall take title subject to said lien and shall be bound to inquire of the Association as to the amount of any unpaid assessments. Each such assessment, together with interest,

(c) For maintenance and repair, including snow removal, on all pedestrian walkways in the Common Area; and for maintenance and repair of all lights in said Common Area and nondedicated pedestrian ways, traffic ways or easements.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum monthly assessment shall be Fifteen Dollars (\$15.00) per lot. (To determine Maximum Annual Assessment, multiply monthly assessment by twelve.)

(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than five per cent (5%) above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above five per cent (5%) by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors shall levy and fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, or related facilities, over which the Association has jurisdiction, located in The Town, a subdivision, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

quorum is not present, another meeting shall be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Special assessments shall be fixed at a uniform rate as to all lots, except those exempt under Section 10 of this Article. Annual assessments shall be fixed at a uniform rate for all lots owned by Class A members and all Lots owned by the Class B member(s) upon which a living unit shall have been completely constructed and occupied and for which a certificate of occupancy shall have been issued.

Section 7. Date of Commencement of Annual Assessments; Due Dates. The annual assessments provided for herein shall commence as to each lot, on the first day of the first month following the completion of a living unit upon said lot and the issuance of a certificate of occupancy and the actual occupancy of any said living unit, whichever same shall occur. The annual assessments as to any lots owned by Declarants shall become subject to assessment upon termination of the Class B membership hereinbefore provided and shall commence in accordance with Section 10, Subsection (c). The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall thereafter fix the amount of the annual assessment against each Lot at least thirty (30) days prior to the fiscal year of the Association, which shall coincide with the annual assessment, commencing on January 1 of each year and terminating on December 31 thereof. Written notice of the annual assessment shall be sent to each Owner subject thereto at least thirty (30) days prior to the due date thereof. The failure of the Board to so notify each Owner in advance shall not relieve any Owner of his obligation to pay assessments. The due date or installment dates of the annual assessments shall be established by the Board of Directors. The Association shall, upon written request and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid to the date of request, any delinquent sums, if any, and the due date and amount of the next succeeding assessment or installment thereof. The annual assessment shall be and become a lien as of the date of the annual assessment.

Section 8. Effect of Nonpayment of Assessments-Remedies of the Association. Any assessment or installment which is not paid when due shall be delinquent. If the assessment or installment is not paid within thirty (30) days after the due date, the assessment or installment shall bear interest from the due date at the rate of six per cent (6%) per annum. The Association may bring an action at law against the Owner personally obligated to

any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure to the mortgagee.

Section 9. Subordination of the Lien to Mortgagee. The lien of the assessments provided for herein shall be subordinate to the lien of any institutional first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceedings in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created therein:

- (a) All Properties dedicated to and accepted by a local public authority;
- (b) The Common Area; and,
- (c) The lots upon which dwelling units are not substantially completed, occupied and for which certificate of occupancy has not been issued.

N. No incinerator or trash burner shall be permitted on any Lot. No garbage or trash can or container or fuel tank shall be permitted to remain outside of any dwelling, except for pick-up purposes. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling or suitable storage facility, except when in actual use.
