D

exterior lots. The term "exterior lots" is herein defined as those lots forming the outer perimeter of the above-described subdivisions. Said sixteen-foot (16') foot wide easement will be reduced to an eight-foot (8') wide strip when the adjacent land is surveyed, platted and recorded, and we do further grant a perpetual easement to the City of Gretna and Peoples Natural Gas, their successors and assigns, to erect, install, operate, maintain, repair and renew pipelines, hydrants and other related facilities, and to extend thereon pipes for the transmission of gas and water on, through, under and across a five (5') foot wide strip of land abutting all streets. No permanent buildings or retaining walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted. All such utility service lines from the property line to dwelling shall be underground.

ARTICLE III - HOMEOWNERS ASSOCIATION

1. The following definitions shall apply for the purposes of this Article:

- a. "Association" shall mean and refer to the Forest Run Homeowners Association, Inc., its successors and assigns, a Nebraska non-profit corporation;
- b. "Improved Lot" shall mean and refer to any Lot on which a dwelling has been erected and the construction thereof is substantially complete. All other definitions contained in Article I will likewise be applicable to this Article.

2. Every owner of a Lot shall be a member of the Forest Run Homeowners Association, Inc. to be established for the purpose of maintaining the concrete/asphalt streets, including, but not limited to snow removal, and other improvements generally deemed "publically" dedicated as easement area sand the un-maintained lots to the extent as set forth in Article I, Paragraph 16, and for such other purposes as may generally benefit the health and welfare of the residents of the area covered by the Forest Run Homeowner's Association. The Homeowners Association shall include all Lots in Forest Run, Forest Run II, and Forest Run III and membership therein shall be appurtenant to and may not be separated from ownership on any Lot.

3. The Declarant, for each Lot owned within Forest Run, Forest Run II and Forest Run III, hereby covenants and each owner of any Lot by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agrees to pay the Association regular annual assessments for the charges for the purposes herein set forth, which assessments, together with interest, costs, and reasonable attorney's fees shall be and constitute, until paid, a continuing charge against and a lien upon such Lot or property against which each such assessment is made.

4. The assessments levied by the Association shall be used exclusively without any part of the net earnings inuring to the private benefit of its members, to maintain, repair, and replace when necessary, the improvements described and for the general health and welfare of the area.

5. Before each fiscal year, the Board of Directors of the Association shall adopt and fix in reasonably itemized detail an annual budget for the then anticipated fiscal affairs and general operations of the Association for that year, and shall levy and collect annual assessments from each Lot, and which shall be sufficient to fund the budget for the fiscal year. The regular assessment for each unimproved Lot shall be no more than fifty (50%) of the regular assessment for Improved Lots.

6. The regular annual assessment provided for herein shall commence as to all Lots on the first day of the month following the filing of this Declaration. The regular annual assessments provided herein as to all Improved Lots shall commence the first day of the month following the month during which the dwelling was substantially completed. The first regular annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment. Written notice of the annual shall be sent to every owner subject thereto. The due date shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certification signed by an officer of the Association setting forth whether the assessment on a specified Lot has been paid.

E

7. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of nine (9%) percent per annum. The Association may foreclose the lien against the Lot in the same manner as provided by law for foreclosure of mortgages.

8. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments to payment which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the liability for any assessments thereafter becoming due or from the lien thereof.

9. All Lots dedicated to, and accepted by, a local public authority and all Lots owned by a charitable or non-profit organization exempt from taxation by the laws of the State of Nebraska shall be exempt from the assessments created herein. However, no land or improvements devoted to dwelling use shall be exempt from said assessments.

10. The Association is a non-profit corporation formed pursuant to this Declaration, and its Articles of Incorporation and By-Laws, to the extent not inconsistent with this Declaration, are hereby incorporated herein by this reference. In the event of any conflict between the Articles and/or By-Laws of the corporation and this Declaration, then this Declaration shall control. The initial Board of Directors of the Association and its officers of the Association shall be appointed or consented to by the Declarant. At the first annual meeting the Board of Directors shall be elected by the owners of the Lots.

ARTICLE IV – GENERAL PROVISIONS

1. The Declarant or any owner of a Lot named herein shall have the right to enforce by a proceeding at law or in equity, all reservations, restrictions, conditions and covenants now, or hereinafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other dues of such violation. Failure by the Declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

2. The covenants and restrictions of this Declaration shall run with and bind the land for a term of ten (10) years from the date this Declaration is recorded. Thereafter the covenants, restrictions and other provisions of this Declaration shall automatically renew for successive ten (10) year periods, unless terminated or amended by the owners of not less than seventy-five (75%) percent of said lots, which termination or amendment shall thereupon become binding upon all the lots. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of ten (10) years from the date hereof.

3. It is intended that subsequent phases of Forest Run shall be incorporated into and become a part of this Declaration upon final plat approval and the completion of streets and other "public" infrastructure.

4. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions hereof which shall remain in full force and effect.
