ARTICLE IV
ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Each Owner, including the Declarant, shall have one membership rounded off to the nearest Net Acre for each Net Acre owned by such Owner within its Lot (but specifically excluding any Exempt Property); provided, however, that any Owner owning a Lot containing less than one acre shall have one membership. For example, an Owner of 6.3 Net Acres shall have six memberships, and the Owner of 1.8 Net Acres shall have two memberships and the Owner of 3.5 Net Acres shall have four memberships. The number of Net Acres in a Lot (and the number of memberships attributable to each Lot) are set forth on Exhibit B attached hereto and incorporated herein by this reference. In the event of (i) a subdivision or resubdivision of any Lot or portion thereof, or (ii) the exclusion of property or the annexation of any additional property hereunder, the revised number of Net Acres and the number of memberships attributable thereto will change from that set forth in Exhibit B, and Exhibit B may be amended accordingly by the Declarant during the Declarant Control Period or resolution of the Board of Directors thereafter.

4.2 Transfer of Memberships. An Owner shall, upon becoming the record Owner of a Lot, automatically become a Member of the Association and shall remain a Member thereof until such time as his ownership ceases for any reason, at which time his membership in the Association shall automatically cease. Such membership shall be appurtenant to and pass with the ownership of such Lot. The membership shall not be transferred, pledged or alienated in any way, except as appurtenant to a transfer of ownership of a Lot. Any attempt to transfer a membership except as appurtenant to the transfer of ownership of a Lot shall be void and shall not be reflected upon the Association's books and records.

4.3 Voting; Multiple Owners; Appointment of Agent. Each Owner shall have one vote for each membership owned as provided in Section 4.1 above. All voting pursuant to the terms of this Declaration shall be made in accordance with the provisions of this Section 4.3. Each vote must be cast as a single unit. If an Owner consists of more than one Person, then all persons constituting an Owner of such Lot shall, simultaneously with or immediately after their acquisition of such Lot, deliver to the Association a written instrument appointing one Person as the agent for all Persons constituting the Owner of such Lot, which agent shall thereupon receive notices of Assessment and other notices, demands, cast votes hereunder, and take any and all actions required or permitted to be taken by an Owner under the terms of this Declaration. An Owner may change its designated agent by written notice to the Association as set forth above, which change shall be effective only upon actual receipt of such notice by the Association. No change in the ownership of a Lot shall be effective for voting purposes until the Board receives written notice of such change together with satisfactory evidence thereof. If more than one Person casts or attempts to cast a vote for a particular Lot, all such votes shall be deemed void. For purposes of this Declaration, a "majority" or "majority of the Members" shall mean the votes of the Members holding a majority of the memberships described in Section 4.1 or "two thirds" or a "two thirds of the Members" shall mean the votes of Members holding two thirds of the memberships described in Section 4.1.

4.4 Initial Board of Directors. The initial Board of Directors of the Association shall consist of not less than three Directors and shall be appointed by the Declarant upon the

2007-20540 H

incorporation of the Association. During the Period of Declarant Control, the Declarant shall have the sole right, in its absolute discretion, to appoint and remove the Directors of the Board; however, the Declarant may temporarily or permanently relinquish its right to appoint or remove some or all of the Directors at any time as provided in Article XVI. If the Declarant relinquishes its appointment rights, the Members (including the Declarant) shall then elect all Directors as provided in the Bylaws.

4.5 Subsequent Board of Directors. After the expiration of the Period of Declarant Control, the Members (including the Declarant) shall elect the Directors as provided in the Bylaws, and the Bylaws may provide for staggered terms and lengths of terms for Directors chosen by the Association Members which are different than those initially set forth in this Declaration and may provide for a greater number of Directors to be chosen by the Members than is set forth herein; provided, however, that in no event shall there be fewer than three Directors. The Board shall undertake all duties and responsibilities of the Association and the management and conduct of the affairs thereof, except as expressly reserved herein to a vote of the Members.

4.6 Administration and Compliance. If the Articles or Bylaws are in any way inconsistent with the Declaration, then this Declaration shall prevail and control. Each Owner and Lessee of a Lot shall comply with, and shall cause their respective invitees to comply with the provisions of this Declaration, the Articles and Bylaws, Development Guidelines and rules of the Association, as amended from time to time, and failure to so comply shall be grounds for (a) action for damages and/or injunctive relief, and (b) such remedies, by legal proceedings or otherwise, as are available by reason of this Declaration or by law, each of which remedies shall be cumulative and in additions to any other available remedy.

ARTICLE V ARCHITECTURAL AND DEVELOPMENT CONTROL COMMITTEE

5.1 Committee Composition. An Architectural Committee shall be organized by the Declarant and shall consist of three persons.

5.2 Alternate Members. There shall also be two alternate members to be designated by the Declarant to act as a substitute for any member of the Committee in the event of his or her unavailability or disability.

5.3 Appointment. The members of the Committee shall be selected as follows:

5.3.1 Until the expiration of the Period of Declarant Control, Declarant shall have the right to appoint and remove all members and alternate members of the Committee. The Declarant may temporarily or permanently relinquish its right to appoint all or some of the Committee members and alternates at any time as provided in Article XVI.

5.3.2 If and when Declarant relinquished its appointment rights, the Association through its Board shall, without further act or deed of the Declarant, exercise all rights of Declarant provided herein to appoint and remove members and alternate members of

the Committee, to enforce and implement the Development Guidelines and to perform Declarant's obligations under this Article; and at such time, all obligations of Declarant under this Article shall automatically terminate, and except as otherwise provided herein, all rights and obligations of Declarant under this Article shall vest in the Board.

5.4 Terms of Office. The term of all Committee members and alternates appointed by Declarant shall be set by Declarant. The term of all Committee members and alternates appointed by the Board shall be one year. Any new member appointed to replace a member who has resigned or been removed shall serve such member's unexpired term. Members whose terms have expired may be reappointed or re-elected. A member of the Committee shall not be required to satisfy any particular qualifications for membership and may be a member of the Board, an officer of the Association, an officer or employee of Declarant or a Person who is not a member or Owner or Lessee or otherwise affiliated with Val Vista Business Park.

5.5 Resignations; Vacancies. Any member of the Committee may, at any time, resign from the Committee upon written notice to Declarant, so long as Declarant has the sole right to appoint any member, or upon written notice to the remaining Committee members and to the Board when the right to appoint any members is vested in the Board. Vacancies on the Committee of members appointed by Declarant, however caused, shall be filled by Declarant so long as Declarant has the right to appoint members. Vacancies on the Committee of members appointed by the Association, however, caused, shall be filled by the Board.

5.6 Powers and Duties. The Architectural Committee shall have all of the powers and authority conferred upon it by this Declaration and the Articles and Bylaws, and shall have the right to hire and retain services of engineers or other consultants and professionals as they deem necessary to perform the duties of the Committee. It shall be the duty of the Committee to perform the functions required of it by this Declaration; to consider and act upon all Applications and the plans, specifications and other documents submitted to it pursuant to the terms hereof; to adopt Development Guidelines; and to perform all other duties delegated to and imposed upon it by this Declaration. The Board shall determine the compensation, if any, to be paid to the members of the Committee.

5.7 Meetings. The Committee shall meet as often as it, in its sole discretion, shall deem necessary to properly perform its duties hereunder. The vote or written consent of any two members or designated alternates shall constitute an act by the Committee. The Committee shall keep written records of all actions taken by it.

5.8 Development Guidelines. In addition to the architectural and development standards set forth herein, the Committee, unless seventy-five (75%) percent of the Members object in writing, may, from time to time, and in its sole discretion draft, propose, adopt and amend certain standards and regulations to be known as Development Guidelines, which shall not be inconsistent with the Subdivision Development Agreement. Such Development Guidelines of the Committee, and any amendments thereto, may supplement, interpret and implement the provisions hereof by setting forth (a) standards and procedures for Committee review, and (b) guidelines for Improvements which may

include, but not be limited to, guidelines for architectural design of Improvements, site plans, floor plans, setbacks and building envelopes, exterior elevations for Improvements, height limitations, landscape plans, irrigation plans, color schemes, signage, exterior lighting, finishes and materials for use in Val Vista Business Park. Any Development Guidelines initially adopted by the Committee and all amendments shall be effective only after approval by Declarant. If and when the Declarant relinquishes its Declarant rights, any amendment to the Development Guidelines must be approved by a majority of the outstanding votes of the Association.

ARTICLE VI RESERVATION OF EASEMENTS

6.1 Easements for Common Areas. Declarant hereby reserves to itself, its successors and assigns, and to the Association, and their respective employees, contractors and other authorized designees, a nonexclusive easement for ingress and egress over and upon the Lots and all other areas within Val Vista Business Park, for the following purposes: installation, repair, reconstruction, restoration, replacement, landscaping and maintenance of the Common Areas and the Outlot (including without limitation entryway signs, walls, utilities, landscaping and other features, and all landscaping corridors), and for other maintenance, rights and duties permitted to or required of the Declarant or the Association in this Declaration. Notwithstanding the foregoing, Declarant shall, at its sole cost and expense, be responsible for the initial installation and construction of the Public Improvements within the Common Areas and the Outlot, the Business Identification Sign, and any landscaping required to be installed in the Common Areas.

6.2 Reservation of Utility Easements. Declarant hereby reserves for its own use and benefit, and for the use and benefit of each Owner, easements for the location, installation and maintenance of utilities of convenience or necessity as may be requested or required by Declarant, or by an Owner with the prior written approval of Declarant during the Period of Declarant Control, or the Board thereafter. However, any such easement cannot be imposed against any Lot on which a building has been constructed or has been approved for construction pursuant to Article VII by the Committee. Upon approval of an easement, the benefited Owner shall have the right at all reasonable times to enter upon the Lot covered by said easements and to install, maintain, repair, replace and service utilities thereon for the use and benefit of the benefited Lot or Lots; provided, however, that any such Owner shall comply with any requirements imposed by Declarant or the Board as the case may be, as a condition to its approval, and shall promptly restore said Lot and any Improvements, at said Owner's expense, in a good and workmanlike manner and free of liens to substantially the same condition as existed prior to such entry. The Owner of any Lot shall have the right to assign the benefit and use of any such easement to any electric company, gas company, telephone company, flood control district, or other utility company for the purpose of installing, operating and maintaining utilities and enforcing the current easement rights. For the purpose hereof, "utilities" or "utility" shall include electricity, gas mains and lines, water distribution lines, storm water sewers, sanitary sewers, cable television lines and cables, telephone cables and lines, and other similar or related facilities commonly regarded as utilities. No conveyance by Declarant of any Lot, or any interest therein, shall be deemed to be or construed as a conveyance or release of the easements herein reserved. Notwithstanding the foregoing, Declarant reserves the right unto itself, by express

language to such effect from time to time in any deed or other recorded instrument, to release any Lot or portions thereof from any of the above reserved easements.

ARTICLE VII
ARCHITECTURAL CONTROL AND REGULATION OF IMPROVEMENTS

7.1 Approval of Plans.

7.1.1 Approval Required. Except for the Public Improvements or other Improvements, if any, to be constructed and installed by Declarant, no Improvement shall be constructed, erected, placed, expanded, added to, maintained or permitted to remain in Val Vista Business Park, and no alterations or other work which alters the exterior appearance of any Lot or Improvement, until plans and specifications and a statement of proposed use of the Improvements and other documentation as may be required by the Development Guidelines for said Improvements and alterations, which may include without limitation site plans, floor plans, exterior elevations, grading plans, drainage and water retention plans, materials, colors, landscaping, irrigation plans, signage, exterior lighting and any other information needed to accurately describe the exterior appearance or functional characteristics of said Improvements (the "Application"), have been submitted to and approved in writing by the Committee. Three sets of the Application shall be filed with the Committee. 7.1.2 Filing Fee. As a means of defraying its expenses, the Committee may institute and require a reasonable filing fee to accompany the Application for each building or other construction project submitted. 7.1.4.2 incomplete;

2002-20540L

7.1.4.4 deemed by the Committee to be contrary to the best interests of Val Vista Business Park or the Owners;

7.1.4.5 incompatible with the architectural style, quality or aesthetics of existing Improvements or development plans for proposed Improvements, based in part on the criteria set forth in subsections (i) through (ix) below in this Subsection 7.1.4; or

7.1.4.6 not in accordance with the Subdivision Development Agreement or the terms and conditions of the applicable zoning or special or conditional use permit issued in respect to a particularly property.

The Committee shall have the right to withhold its approval of an Application submitted to the Committee in its sole and absolute discretion. In this connection, the Committee may base its approval or disapproval on criteria which may include, but are not limited to, the following: (i) the adequacy of the building locations and dimensions on the Lot; (ii) the adequacy of the parking to be provided; (iii) conformity and harmony of external design with neighboring structures; (iv) effect of location and use of proposed Improvements on neighboring Lots and the types of operations and uses thereof; (v) relation of topography, grade and finish ground elevation of the Lot being improved to that of neighboring Lots; (vi) proper facing of main elevations with respect to nearby streets; (vii) adequacy of screening of trash facilities, storage areas, and parking areas for service vehicles; (viii) adequacy of landscaping; and (ix) conformity of the Application to the purpose and general plan and intent of this Declaration. Any decision of the Committee made after Declarant is no longer entitled to appoint the members of the Committee, may be appealed to the Board. The decision of the Board shall be final. As long as Declarant is appointing the members of the Committee, any decision of the Committee shall be final.

7.1.5 Time for Decision. The Committee shall approve or disapprove each Application, whether a preliminary or final submittal, within forty-five (45) days from the receipt thereof. If the Committee fails either to approve or disapprove the Application within said 45-day period; then it shall be irrevocably deemed that the Committee has approved the Application. At least one set of the Application shall, with the approval or disapproval endorsed thereon, be returned to the submitting person and one set shall be retained by the Committee for its permanent files. Notwithstanding Section 7.1.1, no application or Notice shall be deemed filed with the Committee until it is actually received by at least one Committee member by certified mail (return receipt requested).

2002-2004/011

7.1.6 Time for Commencing. Upon receipt of approval from the Committee pursuant to this Section and upon receipt of approvals from the City, the Owner shall, as soon as practicable, satisfy all conditions thereof and diligently proceed with the commencement and completion of all approved construction, refinishing, alterations, excavations and landscaping. In all cases, work shall be commenced within twelve (12) months of the date of such approval, or the approval given or deemed given pursuant to this Article shall be deemed revoked unless the Committee, upon request made prior to the expiration of said 12-month period, extends the time for commencing work by written notice to the Owner, which may be withheld or conditioned in the Committee's discretion.

7.1.7 Completion of Work. All construction, refinishing, alteration or excavation of any Improvements approved under this Section 7.1 shall be undertaken and pursued diligently to completion, but in any event shall be completed within two years after the date of approval by the Committee. However, the time for completion shall be extended for any period such completion is rendered impossible or would result in great hardship due to strikes, fires, national emergencies, natural calamities or other similar supervening forces beyond the control of the Owner or its Lessees. Failure to comply with this subsection 7.1.7 shall constitute a breach of this Declaration and subject the defaulting party or parties to all enforcement procedures set forth herein or any other remedies provided by law or in equity.

7.1.8 Disclaimer of Liability. Neither Declarant, the Committee nor any member thereof, nor any agents, officers or employees of Declarant or of the Committee, shall be liable in any way for any damage, loss or prejudice suffered or claimed by an Owner, Lessee or any other Person who submits an Application. Any person or entity who submits an Application shall forever defend, indemnify and hold the Declarant, the Committee, the members thereof, and the employees, officers and agents of each, harmless from all damage, loss or liability (including reasonable attorneys' fees) suffered or claimed by any third party on account of (i) any defects in any plans, drawings, specifications or other documentation submitted in any Application, or revised or approved in accordance with the foregoing provisions, or for any structural or other defects in any work done according to such plans, drawings, specifications or other documentation; (ii) the approval or disapproval of any Application, whether or not defective; (iii) the construction or performance of any work, whether or not pursuant to an approved Application; or (iv) the development of any Lot within Val Vista Business Park.

7.1.9 No Representations or Warranties. In no event shall an approval by the Committee of any Application, or any written or oral statements made by the Board or any officer or employee of the Association, Declarant or any employee or officer or agent of Declarant, or the Committee or any member, agent or employee thereof, be deemed to constitute in any way any representations or warranties of any kind, express or implied, with regard to the Application and any plans, drawings, specifications or other documentation constituting a part of the Application,

2002-20546N

including without limitation representations or warranties regarding compliance with zoning, subdivision and land use laws, or compliance with any other applicable codes, regulations and laws, or with regard to fitness for a particular purpose.

7.1.10 Presumption of Compliance; Estoppel Certificate. The foregoing notwithstanding, after the expiration of one (1) year from the date the Committee receives from an Owner either (i) a copy of the certificate of occupancy issued by the applicable governmental authority for any Improvement, or (ii) after an Improvement has been completed by an Owner and said Owner has delivered a valid notice of completion with respect to such Improvement to the Committee, then said Improvement shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to be in compliance with the provisions of this Article VII unless a notice of non-compliance or non-completion with respect thereto has been executed by Declarant or the Committee and recorded in the office of the Register of Deeds of Sarpy County, Nebraska or unless legal proceedings shall have been instituted to enforce compliance or completion with respect to said Improvement.

7.1.11 Approval Cannot be Assigned. Any approvals given pursuant to this Article VII shall be personal to the Owner submitting the Application and cannot be assigned or transferred by such Owner without the prior written consent of the Board, which shall not be unreasonably withheld. Without such consent, any subsequent Owner of a Lot for which a previous Owner has obtained approval of an Application shall submit a new Application pursuant to this Section 7.1 for review and approval as though no prior approvals had been received from the Committee with respect to such Lot.

7.2 Variances. The Architectural Committee is hereby authorized and empowered to grant variances for Improvements or uses within Val Vista Business Park prohibited or regulated by this Declaration or the Development Guidelines and further to grant reasonable requests for relief from the provisions of this Declaration, or any portion hereof, in order to overcome practical difficulties and to prevent unnecessary hardship in the application of the provisions contained herein. Notwithstanding the foregoing, the Committee shall not grant such a variance to any Owner unless:

7.2.1 such Owner has obtained all necessary governmental approvals,

7.2.2 the construction of Improvements or the uses which are called for under the request for the variance shall be consistent in design, character, appearance and quality of construction with the other Improvements and uses in Val Vista Business Park,

7.2.3 the variances do not materially injure, in the judgment of the Committee, any of the Lots or Improvements in Val Vista Business Park, and

7.2.4 the construction of Improvements and/or the uses called for under the request for variance are otherwise subject to and conform with all applicable laws,

ordinances, rules and regulations, including, but not limited to, zoning regulations of any governmental agency or political entity having jurisdiction over Val Vista Business Park, including any applicable special or conditional use permit issued in respect to the particular lot involved.

7.2.5 the construction of Improvements and/or the uses called for under the request for variance are consistent with the requirements of the Subdivision Development Agreement, City zoning and any special or conditional use permit issued in respect to the property.

7.2.6 the variance has been approved by two-thirds of the Members.

No variance granted pursuant to the authority granted herein shall constitute a waiver of any provision of this Declaration as applied to any other Person or portion of the Property, and the grant of a variance shall not obligate the Committee to grant other variances. In addition to the variance powers provided herein, the Committee shall be empowered to issue from time to time reasonable interpretations of the intent of the provisions of this Declaration or the Guidelines, which interpretations shall not constitute variances from the provisions of this Declaration, but shall be designed to further the implementation of this Declaration in a manner consistent with its provisions.

7.3 Interim Landscaping. Prior to the sale of any Lot by Declarant, or after such sale but prior to development of the Lot by the Owner thereof, Declarant may install (or may require the Owner to install) landscaping on all or any portion of a Lot, including any adjacent public right-of-way, as may be necessary to provide for compatible and continuous landscape development of Val Vista Business Park. The Declarant shall maintain any such landscaping until the Owner commences development of the Lot, after which time the Owner shall maintain such landscaping pursuant to Section 7.4 hereof, unless otherwise provided herein.

7.4 Maintenance.

7.4.1 General. Notwithstanding the existence of any insurance covering an Owner, the Association, or both, against loss, damage or destruction, the Association and each Owner shall have the affirmative obligation for the maintenance, repair and restoration as set forth in this Article.

7.4.2 Maintenance of Undeveloped Lots. Except as otherwise provided herein, all undeveloped portions of each Lot shall be maintained at all times by the Owner in a well-maintained condition, free of unsightly or unattractive weeds or other growth or the accumulation of rubbish, junk, and debris thereon. Once construction is commenced and Improvements are completed, then the respective provisions of Subsections 7.4.3 and 7.4.4 shall apply with respect to construction activities and completed Improvements, as the case may be.

7.4.3 Maintenance During Construction. All construction activities of any kind on any Lot shall be governed by the provisions of this Subsection and any

corresponding provisions in the Development Guidelines. All construction activities shall be carried out in an orderly and timely manner and all partially completed Improvements shall be kept in an orderly condition during construction. Any construction equipment and building materials stored on a Lot may be kept only in areas approved by the Committee, and the Committee may also require screening of such storage areas. All portable toilets shall be located at least fifty (50) feet from the boundary lines of the Lot and shall be emptied as often as necessary to ensure the absence of odors. Dust from all construction sites shall be controlled at all times. If trucks entering and leaving the Lot deposit mud or dust on any streets or walkways, the Owner of the Lot on which or for whose benefit the construction is being performed shall be responsible for maintaining the streets (or causing the same to be maintained) in a clean condition on a daily basis, as determined by the Committee. If the provisions hereof conflict with the provisions of the Development Guidelines with respect to construction activities, the more restrictive provision shall control.

7.4.4 Maintenance of Completed Improvements. Each Owner shall maintain or cause to be maintained, at its expense, its Lot, including any adjacent public right-of-ways, and all Improvements completed thereon (except those Public Improvements to be maintained by the Association pursuant to Section 7.6) in a well-maintained, clean, neat and attractive condition at all times and shall comply with all governmental health, fire, building and safety ordinances, codes, regulations and requirements applicable thereto. Such maintenance requirements shall include, without limitation, the following:

7.4.4.1 maintaining paved surfaces in a level, smooth and evenly-covered condition with the type of surfacing material originally approved by the Committee and then installed, or such substitute as shall in all respects be equal in quality, use and durability to that originally approved and installed;

7.4.4.2 removing all paper, mud and sand, snow and ice, trash, debris, filth and refuse and thoroughly sweeping the area to the extent reasonably necessary to keep the area in a clean and orderly condition;

7.4.4.3 placing, keeping in repair and replacing any necessary or appropriate directional signs, markers and lines;

7.4.4.4 operating, keeping in repair and replacing, where necessary, such artificial lighting facilities (including lighted Signs) as shall be required or permitted during the Application approval process;

7.4.4.5 maintaining all signs and all perimeter walls and exterior building walls (including but not limited to all retaining

walls) and other exterior surfaces in a good condition and state of repair in compliance with the approved Application;

7.4.4.6 except as otherwise provided herein, maintaining, mowing, weeding, thinning, trimming, watering, fertilizing, cultivating and pruning all landscaped areas, including any adjacent public right-of-ways, to maintain the same in a neat, well-groomed condition, and replacing as necessary shrubs and other landscaping on a regular basis; dead or dying plants shall be removed and replaced within thirty days; all plants and trees are to be irrigated as often as necessary to maintain healthy growing conditions; Owners shall also adjust tree guys, stakes, etc., on a regular basis to maintain a neat appearance and to prevent damage to trees; and

7.4.4.7 promptly removing all graffiti or other similar markings from all perimeter walls, exterior building walls and other exterior surfaces, paved areas and other portions of any Improvements.

7.5 Lateral Support. Each Owner shall maintain its Lot with sufficient landscaping and plantings to prevent any erosion upon its Lot that will result in damage to that Lot or to any adjacent Lot.

7.6 The Association's Obligation for Common Areas. Except for any Public Improvements within the Common Area and/or Outlot that will be maintained by the City, County or any other governmental authority, the Association shall maintain the Public Improvements within the Common Area and the Outlot in good condition and repair, and replace the same as may be necessary from time to time, subject to the following:

7.6.1 The Board shall maintain a reasonably high standard in providing for the repair, management, maintenance and replacement of the Common Area and the Outlot, including, but not limited to, the maintenance, repair and replacement of the Public Improvements within the Common Area and the Outlot (including without limitation removal of graffiti and repair of other damage caused by vandalism); however, the Board shall be the sole judge as to the appropriate maintenance thereof.

7.6.2 The cost of maintenance, repair and replacement for which the Association is responsible under this Section shall be assessed as part of the regular assessments in accordance with the provisions of Section 10.5 hereof.

7.7 Excavation. No excavation shall be permitted except in connection with construction of an Improvement, and upon completion thereof, exposed openings shall be backfilled, and disturbed ground shall be graded and leveled. No Owner shall perform any excavation upon its Lot that will result in damage to any adjacent Lot.

7.8 Damage and Destruction Affecting Lots - Duty to Rebuild. If all or any portion of a Lot or any Improvement on any such Lot is damaged or destroyed by fire or other casualty, it shall be the duty of the Owner of such Lot to do the following:

7.8.1 rebuild, repair or reconstruct the Lot and the Improvements thereon in a manner which will restore them to a condition and appearance approved by the board and the City;

7.8.2 raze and remove the damaged Improvements, restoring the Lot substantially to its original unimproved condition; or

7.8.3 any combination of the above in a manner satisfactory to the Board.

The Owner of any Lot on which damaged Improvements are located shall be obligated to proceed with all due diligence hereunder, and such Owner shall cause cleanup and removal and/or reconstruction to commence within three (3) months after the damage occurs and to be completed within twelve (12) months after damage occurs, unless prevented by causes beyond its reasonable control, as determined by the Board.

7.9 Insurance Obligation of Owners. Each Owner shall purchase such liability, fire or other casualty insurance as such Owner desires or as may be required by any mortgagee of a Mortgage encumbering its Lot. The Association shall not be obligated to insure any Lot or any portion thereof or any Improvements thereon.

7.10 Leases. Any agreement for the lease of all or any portion of a Lot must be in writing and must provide by its terms that it is subject to this Declaration, the Development Guidelines, if any, the Articles and the Bylaws, and that any violation of the Declaration or other documents listed above shall be a default under the lease. Notwithstanding the foregoing, the Owner of the Lot shall remain liable for any violations of this Declaration, any Development Guidelines, the Articles and the Bylaws. All notices hereunder shall be sent to the Owner.

ARTICLE VIII DEVELOPMENT STANDARDS

8.1 Parking. No on-street parking of any nature whatsoever will be permitted within the Common Area regardless of whether parking plans have been approved by the Committee and/or the City. Paved on-site parking as required herein or in the Development Guidelines and by any applicable rules or regulations of any governmental authority shall be provided by each Owner on its Lot to accommodate all parking needs for employees, visitors, Lessees, invitees and company vehicles for the use and occupancy of the Lot. Notwithstanding prior approvals of parking layouts by the Committee, the Declarant, the City, or any other governmental jurisdiction or authority, if parking requirements increase on any Lot as a result of any change in use or number of employees or invitees, additional on-site parking shall be provided on said Lot to satisfy the intent of this Section and eliminate the need for any on-street parking, which will be absolutely prohibited.

2002-205405

8.2 Refuse Collection Areas. All refuse collection areas in Val Vista Business Park shall be located in areas approved by the Committee. No refuse collection area shall be permitted between any street and the respective building setback line. All exterior refuse collection areas in Val Vista Business Park shall be screened by building walls or screen walls as required by the Committee, and all dumpster enclosures shall also meet the requirements of the City. All dumpsters and containers shall remain within said screening walls. The location of all such enclosures shall allow for adequate ingress and egress by collection trucks within the boundaries of the Lot.

8.3 Exterior Storage Areas and Service Yards. No storage shall be permitted between any public street and the respective building setback line of any building in Val Vista Business Park. All outdoor storage areas and service yards in Val Vista Business Park shall be visually screened from streets and adjoining property by a continuous screen wall as required by the Committee. No work in progress, stored merchandise, inventory or racks shall extend above the height of such screen wall.

8.4 Signs. All Signs shall comply with the zoning code of the City and must be approved prior to installation by the Committee. No roof signs shall be permitted, and all approved signage shall consist of predominantly individual letter signage. Except as approved by the Committee, no Signs of any kind shall be allowed. Temporary Signs for marketing, development or construction signs may be placed on the actual property so advertised on or which development work is underway, subject to the Development Guidelines and prior approval by the Committee. All permanent Sign concepts and designs shall be approved by the Committee prior to fabrication and installation. All Signs in Val Vista Business Park shall be located within sign areas indicated on plans for Improvements approved by the Committee. All Signs shall be designed as an integral part of the building to which it relates and shall be compatible with the exterior architecture of such building with regard to location, scale, color and lettering.

8.5 Utility Lines and Antennas. Except as may be approved by the Committee, no utility lines or wires or other devices in Val Vista Business Park for the communication or transmission of electric current, gas, power or signals (including telephone, television, microwave or radio signals), shall be constructed, placed, or maintained anywhere in or upon any Lot other than within buildings or structures unless the same shall be contained in conduits or cables constructed, placed, or maintained underground or concealed in or under buildings or other structures in a manner approved by the Committee. Antenna dishes or other services for the transmission or reception of telephone, television, microwaves, or radio signals may be placed on any building or other Improvement on any Lot subject to the Development Guidelines and prior written approval of the Committee as to location, size, and screening. Nothing contained herein shall be deemed to forbid the erection or use of temporary power or telephone facilities incidental to the construction or repair of Improvements on any Lot, subject to approval of the Committee.

8.6 Landscaping. In addition to the requirements of Section 7.3 above, all landscape areas required and approved for a Lot shall be landscaped prior to the opening of the Owner's business, weather permitting. If an Owner fails to install landscaping as required hereunder, the Board may enter upon the Lot and install such landscaping as permitted by Section 14.1.2. Every Lot upon which Improvements are constructed shall be landscaped in accordance with the Application submitted to and approved by the Committee pursuant to Section 7.1 hereof. Deciduous trees in the

2002-20540 T

front yard of any Lot shall be a minimum of two inches (2") caliper and evergreens in the front yards shall be at least six feet (6') tall. An automatic irrigation system complying with the standards set forth in the Development Guidelines shall be installed and maintained in good repair in all landscaped areas. These provisions are intended to promote compatible and continuous landscape development designed to enhance and unify Val Vista Business Park.

8.7 Limitations as to Type of Construction. All buildings constructed within Val Vista Business Park shall be of approved construction, such as metal, brick, stone, painted concrete, decorative block or architectural concrete over. The front facades of any building facing Chandler Street shall have at least (i) thirty-three (33%) percent of the area (excluding all types of doors and windows), or (ii) sixty (60%) percent of the area (if there are no doors or windows), covered with architectural precast concrete, architectural concrete block or masonry, drivit, brick or other high quality materials as approved in writing by the Committee. No building shall be moved from outside the Subdivision onto any Lot.

8.8 Building Set-Back/Landscape Areas. There shall be minimum front yard, rear yard and side yard set-backs applicable to all Lots as determined by the Declarant; but in any event, all improvements on the Lots shall minimally comply with all applicable set-back requirements of the zoning code of the City of LaVista, Nebraska, as the same may be amended from time to time.

8.9 Restriction on Further Subdivision; Property Restrictions and Rezoning.

8.9.1 No Further Subdivision Without Approval. No Lot shall be subdivided or separated into smaller Lots by any Owner by deed, ground lease or otherwise, and no portion less than all of any such Lot, nor any easement or other interest therein, shall be conveyed or transferred by any Owner by deed, ground lease or otherwise, without the prior written approval of Declarant during the Period of Declarant's Control, and thereafter by the Architectural Committee. This provision shall not apply to transfers of an undivided ownership interest in the whole of any Lot.

8.9.2 Plats; Site Plans and Subsidiary Declarations to be Approved. No subdivision plat or further covenants, conditions, restrictions or easements shall be recorded by any Owner or other person against any property in Val Vista Business Park unless the provisions thereof (including any site plan required by the City) have first been approved in writing by the Declarant during the Period of Declarant's Control, and thereafter by the Architectural Committee. All conditions, covenants, restrictions and easements so approved shall constitute Subsidiary Declarations. Any other plat or other covenants, conditions, restrictions or easements recorded, or any site plan filed, without such approval being evidenced thereon shall be null and void.

8.9.3 Rezoning, Variances, and Use Permits to be Approved. No application for rezoning of any area in Val Vista Business Park, and no applications for variances or use permits, shall be filed with any governmental authority unless the proposed use of the property has been approved by the Declarant during the Period of

2002-205404

Declarant's Control and thereafter by the Architectural Committee, and unless the proposed use otherwise complies with this Declaration and the general plan of development of Val Vista Business Park.

8.9.4 Declarant Exempt. Any portion of the Property owned by Declarant is exempt from the restrictions on subdividing, platting, rezoning, the recording of Subsidiary Declarations and other restrictions set forth in this Section 8.7.

8.10 Retention and Drainage. All drainage plans for such Lots shall be reviewed and approved by the Committee, and no change in the drainage pattern or Improvements may be made without the prior written approval of the Committee. An Owner shall not at any time fill, block or obstruct any drainage facilities or drainage structures on its Lot and each Owner shall repair and maintain all drainage facilities and drainage structures located on its Lot. No structure of any kind shall be constructed and no vegetation shall be planted or allowed to grow within any drainage areas which may impede the flow of water under, over or through said areas.

8.11 Development Guidelines. Each Owner and Lot shall comply with all additional architectural and development standards adopted and set forth in the Development Guidelines which may be adopted from time to time. In the event of a conflict between this Declaration and the Development Guidelines, the more restrictive provision shall control.

8.12 Effect of Other Limitations. Any limitations on Improvements in Val Vista Business Park contained herein or in the Development Guidelines are supplemental to any controls established by zoning, subdivision, building, health, fire or other jurisdictional codes and regulations, and the more restrictive controls shall apply in each instance.

ARTICLE IX USE RESTRICTIONS

9.1 Permitted Uses. Except as otherwise provided herein or in the Development Guidelines, and subject to all other provisions of this Declaration and to all other restrictions and limitations in any Subsidiary Declaration or other recorded restrictions, or in any ground lease or similar instrument executed by Declarant and any Owner, all uses allowed by the City's "I-1 Light Industrial" shall be allowed on the Lots within Val Vista Business; provided each such use is first expressly approved by the Declarant during the Period of Declarant Control, and thereafter by the Committee, in writing (all references are to the zoning ordinances and regulations of the City).

9.2 Prohibited Uses - All Lots. Operations and uses which will not be permitted on any Lot include, without limitation, the following:

9.2.1 Agriculture; Animals. Agricultural uses, including animal husbandry, commercial breeding businesses or feed lots. No animal, livestock, poultry or fowl of any kind shall be maintained on or in any Lot, except for: (a) reasonable numbers of generally recognized domestic pets maintained within a fully-enclosed building in connection with the retail sale to the public of such pets in a pet store, provided that

the same do not make an unreasonable amount of noise or create a nuisance; (b) animals undergoing treatment in a veterinary office or hospital, or being temporarily boarded in such an office or hospital in connection with such treatment, provided that (i) such use is approved by the Committee as provided in Section 9.4 below, (ii) such animals do not make an unreasonable amount of noise or create a nuisance, and (iii) such boarding facilities shall be fully enclosed in a manner approved in advance by the Committee.

9.2.2 Residential/Lodging. Any residential use; mobile home parks and trailer courts; recreational vehicle parks; camping or labor camps. In no event shall this provision be deemed to cover hotel/motel uses.

9.2.3 Wrecking and Salvaging Operations. Auto wrecking, salvage and dismantling; junk yards; house movers and related machinery and equipment; storage or wrecking yards; metals crushing or separating for salvage; waste paper or glass recycling or other recycling operations.

9.2.4 Mining/Exploration: Excavation. All surface mining operations, including aggregate or minerals; subsurface mining of any kind; drilling for and/or the removal of gas, oil or hydrocarbons or geothermal steam; any commercial excavation of materials for building and construction.

9.2.5 Sewage/Garbage. Sewage disposal or treatment plants; equipment yards for septic tanks or cesspool servicing; or the processing of garbage, dead animals, refuse or silage.

9.2.6 Used Vehicle Sales and Leasing. Used automobile, used passenger truck and/or used recreational vehicle sales, leasing and services (except in conjunction with a new vehicle franchise or dealership).

9.2.7 Uses Not Permitted by City Zoning. Any uses, including any of the foregoing, not permitted under applicable City zoning ordinances and regulations.

9.3 Special Permitted Uses. Operations and uses which are neither specifically prohibited nor specifically authorized by this Declaration may be permitted in a specific case if approved in writing by the Declarant, and, upon relinquishment of the Declarant's rights, by the Board and the Architectural Committee and permitted by the ordinances, codes, regulations and requirements of the City. Any approval or disapproval shall be in the sole and absolute discretion of the Declarant, and, upon relinquishment of the Declarant's rights, by the Board and the Architectural Committee.

9.4 Additional Restrictions. Prior to the close of a sale of a Lot or Lots by Declarant, Declarant may record additional restrictions on said Lot or Lots. If such restrictions refer to this Declaration and provide, for incorporation by that reference, said restrictions shall be deemed to be part of this Declaration and shall be enforceable as provided herein. Any such restrictions may not be

2002-20540W

inconsistent with the provisions of this Declaration, except that such restrictions must be more restrictive than the provisions set forth herein.

9.5 Compliance With Laws. No use or operation will be made, conducted or permitted on or with respect to all or any part of the Property which is in violation of any applicable governmental law, regulation, rule, ordinance or code, including without limitation all zoning and other ordinances, regulations and codes of the City.

ARTICLE X FUNDS AND ASSESSMENTS

10.1 Creation of Lien; Personal Obligation for Assessments. Declarant, for each Lot owned within Val Vista Business Park, hereby covenants, and each successive Owner, by acceptance of a deed therefor, whether or not expressed in such deed, is deemed to covenant and agree to pay to the Association the Assessments which the Board is authorized to levy pursuant to the provisions of this Declaration. All Assessments, which shall include all late charges, interest, costs and reasonable attorneys' fees due with respect thereto, shall be a charge on the land and shall be secured by a continuing lien upon the Lot against which each Assessment is levied. Each Assessment, including interest, costs and reasonable attorney's fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the Assessment became due and owing. The personal obligation for delinquent Assessments shall not pass to said Person's successors in title, unless expressly assumed by them. If more than one Person was the Owner of a Lot, the personal obligation to pay such Assessment respecting such Lot shall be both joint and several.

10.2 Purpose of Assessments. The Assessments shall be used to enhance, maintain and protect the desirability, attractiveness and safety of Val Vista Business Park; for the maintenance of the Public Improvements within the Common Areas until the City assumes responsibility therefor pursuant to the terms of the Subdivision Development Agreement; to reimburse the Association for the costs incurred in bringing an Owner into compliance with this Declaration, the Articles, Bylaws, and Development Guidelines, if any; to reimburse the Association for amounts which may be paid for the maintenance, repair, modification and/or replacement of the Business Center Identification Sign. As used in this Declaration, "Business Center Identification Sign" shall refer to the identification signs and related utilities and improvements located or to be located in Declarant's discretion. The initial installation and construction of the Business Center Identification Sign shall be at the sole cost and expense of the Declarant.

10.3 Budgets and Financial Statements of the Association. The following financial information shall be regularly prepared and distributed by the Board to all Members of the Association:

10.3.1 Within sixty (60) days after the end of each fiscal year of the Association, the Board shall prepare, or cause to be prepared, and distribute to all Members of the Association an operating budget for the next fiscal year setting forth the estimated revenues and expenses for said fiscal year and the total cash reserves of the Association currently available for expenditures.

2002-20540 X

10.3.2 After the close of the Association's fiscal year, the Board shall prepare and distribute to each Member a balance sheet and a statement of actual expenses and income for the preceding fiscal year.

10.4 Accounts. The Association shall establish and maintain a reserve account into which the Board shall deposit all funds collected as reserves for contingencies and the repair and replacement of the Improvements or Public Improvements within the Common Areas or Outlot, as the case may be. The Association shall also maintain one or more operating accounts into which the Board shall deposit all other funds paid to the Association as Assessments or otherwise received by the Association as provided in this Declaration. All funds shall be held in trust by the Association for the use and benefit of its Members.

10.5 Regular Assessments.

10.5.1 Purpose. Regular assessments shall be used for all expenses incurred by the Association for (i) the administration, operation, maintenance, repair and replacement of the Common Areas and any Improvements or Public Improvements therein, including all taxes and insurance; (ii) the operation, maintenance, repair and replacement of the Business Center Identification Sign(s); and (iii) carrying out the duties, rights and obligations of the Association, including the Board and the Architectural Committee, as provided for in this Declaration.

10.5.2 Date of Commencement of Regular Assessments. The regular assessments provided for in this Article X shall commence as to all Lots on the first day of the month following the later of (i) the incorporation of the Association, or (ii) the conveyance of the first Lot to an Owner; provided, however, that Declarant may, at its option, delay the start of regular assessments so long as Declarant elects to perform all maintenance and other obligations of the Association at its sole cost and expense. The first regular assessment shall be adjusted according to the number of months remaining in the fiscal year.

10.5.3 Budget. Within sixty (60) days after the end of each fiscal year of the Association, beginning with the first full fiscal year after regular assessments commence, the Board shall meet for the purpose of establishing the regular assessment for the forthcoming fiscal year. At such meeting, the Board shall review an operating statement showing income and expenses for the preceding fiscal year and a preliminary budget, any written comments received from any Member, and any other information available to it and, after making any adjustments that the Board deems appropriate, without a vote of the Members of the Association, shall establish an operating budget and the regular assessment for the forthcoming year.

10.5.4 Payment of Assessments. Regular assessments shall be due and payable by the Owners to the Association in four equal quarterly installments on or

2002-20540Y

before the first day of April, July, October and January, or in such other manner as the Board shall designate.

10.5.5 Failure to Fix Regular Assessments. Failure by the Board to fix regular assessments hereunder before the expiration of any fiscal year shall not be deemed either a waiver or modification in any respect of the provisions of this Declaration, or a release of the Owner from the obligation to pay the Assessments, or any installment thereof, for that or any subsequent year, but the Assessment fixed for the preceding year shall continue until a new Assessment is fixed.

10.6 Special Assessments.

10.6.1 Purpose. Special assessments may be levied by the Board from time to time during any fiscal year if the Board determines that the estimated total amount of funds necessary to defray the expenses of the Association for a given fiscal year is or will become inadequate to meet expenses due to unanticipated delinquencies or costs and fees incurred to enforce this Declaration, costs of construction or unexpected repairs, replacements, or reconstruction of Improvements or Public Improvements within the Common Area or Outlot, unanticipated costs owed by the Association for the Business Center Identification Sign(s) or if funds are otherwise required for any activity or purpose of the Association permitted under this Declaration.

10.6.2 Budgeting. The Board shall determine the approximate amount necessary to defray the expenses set forth in Subsection 10.6.1 above, and, if the amount is approved by a majority vote of the Board, it shall become a special assessment.

10.6.3 Time and Manner of Payment. The Board may, in its discretion, prorate a special assessment over the remaining months of the fiscal year or levy the assessment immediately against each Lot. Special assessments shall be due and payable within ten (10) days after a Member receives written notice from the Board specifying the amount of the special assessment, unless the Board specifies in such notice a later date of payment.

10.7 Reimbursement Assessment. The Board may levy a reimbursement assessment against any Owner who fails to comply in any respect with this Declaration, the Articles, Bylaws, the rules promulgated by the Board or any Development Guidelines, or as otherwise permitted elsewhere in this Declaration, in an amount equal to any monies expended by the Association in remedying an Owner's failure to comply under this Declaration or in the amount of a fine or penalty imposed pursuant to this Declaration. All such reimbursement assessments shall be paid to the Association within five (5) days after demand.

2002-20540 Z

10.8 Capital Improvement Assessment.

10.8.1 Purpose. Capital improvement assessments may be levied by the Association for the purpose of defraying, in whole or in part, the cost of reconstructing any Improvements or Public Improvements deemed reasonably necessary by the Board for the benefit of Val Vista Business Park.

10.8.2 Time and Manner of Payment. Capital improvement assessments shall be due and payable by all Owners in such installments and during such period or periods as the Board shall designate for the payment thereof.

10.9 Rate of Assessment. All Assessments (other than a reimbursement assessment levied against an Owner pursuant to Section 10.7) shall be fixed at a uniform rate and levied based upon the proportion of memberships owned by each Owner in relationship to the total memberships in the Association at the time the Assessment is levied or imposed, as reflected in the records of the Association.

10.10 Estoppel Certificate. The Board, on not less than twenty (20) days prior written request and for a reasonable fee to be established from time to time by the Board, shall execute, acknowledge and deliver to the party making such request a written statement certifying whether or not, to the knowledge of the Association with no duty to investigate or make further inquiry, a particular Owner is in default as to its Lot under the provisions of this Declaration, and further stating the dates to which installments of Assessments have been paid as to such Lot. Any such certificate may be relied on by a prospective purchaser of the Lot or a Mortgage, but reliance on such certificate shall not extend to any default (except one involving the payment of Assessments) of which the signer had no actual knowledge.

10.11 Exempt Property. The foregoing notwithstanding, all Exempt Property shall be exempt from paying Assessments and the Assessment liens provided for in Article XI, but an Owner of Exempt Property shall not be a Member and shall have no voting rights.

ARTICLE XI
COLLECTION OF ASSESSMENTS; ASSESSMENT LIENS

11.1. Right to Enforce. The right to collect and enforce Assessments, including all related interest, late charges, costs and fees, is vested in the Board acting for and on behalf of the Association. The Board, or its authorized representative, can enforce the obligations of the Owners to pay Assessments provided for in this Declaration by commencement and maintenance of a suit at law or in equity, or the Board may enforce the continuing lien against the Owner's Lot by judicial foreclosure proceedings. Any suit to recover a money judgment for unpaid Assessments, together with all other amounts described in this Article XI, may be maintainable with or without foreclosing or waiving the lien rights.

11.2 Notice of Default; Interest; Late Charges; Creation of Lien. Failure to make payment of any Assessment or installment thereof related to any Lot on or before the due date shall constitute

2002-20540Aa

a default and all amounts that are delinquent shall bear interest at a rate per annum equal to five percent (5%) more than the Prime Rate on the date of default (and shall fluctuate thereafter as the Prime Rate changes from time to time) and, if not paid within ten (10) days, a late charge of five percent (5%) (or such lower interest and late charges as the Board shall determine in its discretion) shall also be due on the outstanding balance, and all costs and expenses incurred by the Board or its authorized representative in the collection of the amounts, including reasonable attorneys' fees and costs, shall be part of the Assessment past due and the full Assessment shall be a lien against such Lot. The lien created pursuant to this Article shall not be foreclosed until the Board or its authorized representative has delivered written notice to the delinquent Owner or Owners not less than fifteen (15) days before commencement of any proceedings to enforce such lien, which shall set forth notice of default and a demand for payment, and unless such delinquency has not been cured in full within said 15-day period, including payment in full of all interest and late charges.

11.3 Notice of Lien; Foreclosure. Upon the giving of notice and failure to cure as provided in Subsection 11.2, the Association may record a notice of assessment lien against the Lot of the defaulting Owner. In addition, the Association may proceed to foreclose the Recorded Assessment Lien provided for in this Article in any manner provided or permitted for the foreclosure of realty mortgages in the State of Nebraska (including the right to recover any deficiency). The Association shall not be obligated to release any Recorded Assessment Lien until all delinquent Assessments, including interest, late charges, attorneys' fees and collection costs, have been paid in full, whether or not all such amounts are set forth in the recorded notice. On becoming delinquent in the payment of any Assessments or installments thereof, each delinquent Owner shall be deemed to have absolutely assigned all rents, issues and profits of his Lot to the Association and shall further be deemed to have consented to the appointment of a receiver (which appointment may, at the election of the Association, be enforced by the Association through specific performance). The Association, acting on behalf of the Owners, shall have the power to bid upon the Lot at foreclosure sale and to acquire, hold, lease, mortgage and convey the Lot.

11.4 No Offsets. All Assessments shall be payable in the amounts covered by the particular Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation, nonuse or abandonment of a Lot or a claim that the Association is not properly exercising its duties of maintenance, operation or enforcement.

11.5 Priority; Subordination of Lien to First Mortgages.

11.5.1 Priority of Lien. The Assessment lien herein shall be superior to all charges, liens and encumbrances, including without limitation all mortgages and deeds of trust (except as provided in Section 11.5.2 below), federal and state tax liens, judgment liens, and liens for labor or materials, which may be hereafter imposed against any portion of the Property.

11.5.2 Subordinate to First Mortgages. Notwithstanding the foregoing, the Assessment liens provided for herein shall be subordinate and subject to the lien for governmental taxes and assessments which is deemed superior hereto by applicable law and the lien of any first Mortgage encumbering a Lot which is recorded prior to

the Recorded Assessment Lien referred to in Section 11.3, but only as to advances or payments made pursuant to said Mortgage prior to the time the Recorded Assessment Lien is placed of record, and provided further that each such first Mortgage must have been made in good faith and for value and duly recorded in the office of the Sarpy County Register of Deeds prior to the recording of the Recorded Assessment Lien. The sale or transfer of any Lot pursuant to judicial or nonjudicial foreclosure of a first Mortgage shall extinguish the lien of such Assessments only as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from any obligation to pay any Assessments thereafter becoming due nor from the lien securing any subsequent Assessments. Where the holder of a first Mortgage or other purchaser of a Lot obtains title to the same as a result of foreclosure, such title holder, its successors and assigns, shall not be liable for Assessments by the Association chargeable to such Lot which became due prior to the acquisition of title to such Lot by such acquirer, except for the share of Assessments resulting from a reallocation of Assessments which are made against all Lots. The Assessment lien herein shall not be subordinate to the lien of any Mortgage which is junior to a first Mortgage.

11.6 Transfer of Property. After the sale of any Lot within Val Vista Business Park, the selling Owner or Owners shall not be personally liable for any Assessment levied on its Lot after the date of such transfer of ownership and written notice of such transfer is delivered to the Association. However, except as provided in Section 11.5 with respect to a transfer of a Lot pursuant to foreclosure proceedings, the transferred Lot shall remain subject to the lien securing payment of all Assessments, including Assessments levied prior to the date of transfer. The selling Owner(s) shall also remain personally responsible for all Assessments and charges levied on his Lot prior to any such transfer. Upon the transfer of ownership of any Lot or Lot (excluding the initial sale by Declarant), the Board, in its discretion, may charge a reasonable transfer assessment to cover administrative costs associated with said transfer of ownership.

11.7 Other Enforcement Measures. In addition to the other remedies set forth in this Article, the Board shall have the right to suspend the right of any Owner who is in default on any Assessments to vote pursuant to Section 4.3 above or the Articles and the Bylaws during the period of any default.

11.8.1 Contracts with Owners. If the Association elects to enter into contracts with Owners for the performance of special maintenance or other services to that Owner's Lot, any fees charged to that Owner for such services shall be due within ten (10) days after billing, shall be an Assessment, shall be secured by the Assessment lien, shall be the Owner's personal responsibility, and shall be enforceable as provided herein with respect to the Assessments.

ARTICLE XII [INTENTIONALLY OMITTED]

ARTICLE XIII
DURATION, MODIFICATION AND TERMINATION

13.1 **Duration of Covenants.** This Declaration, and all covenants, conditions, restrictions and easements herein, shall continue and remain in full force and effect at all times with respect to Val Vista Business Park and each part thereof, now or hereafter made subject thereto (subject, however, to the right to amend and terminate as provided in Section 13.2 below) for a period of thirty (30) years, commencing on the date this Declaration is recorded in the Office of the County Recorder of Sarpy County, Nebraska. From and after said date, this Declaration, as amended from time to time, shall be automatically extended for successive periods of ten (10) years each, unless earlier terminated as provided in Section 13.2 below.

13.2 **Termination or Modification.** Except as provided for in Section 7.6 above, this Declaration, or any provisions hereof, may be terminated, modified, or amended with respect to all or any portion of Val Vista Business Park, by the terms of a recorded document executed by Declarant alone until the expiration of the Period of Declarant Control. Thereafter, this Declaration or any provisions hereof, except as provided in Section 7.6 above, may be terminated, modified or amended in whole or in part with respect to all or any portion of Val Vista Business Park by a vote of all Owners holding at least two-thirds (66%) of the memberships in the Association; provided that any such document recorded within five (5) years after expiration of the Period of Declarant Control, shall be effective only if it is also duly executed by the President of the Association. Any such termination, modification or amendment shall include arrangements satisfactory to City in respect to the continued maintenance of Common Areas and Outlot "E".

13.3 **Dissolution of Association.** Provided that the Declarant and other owners have, to the City's satisfaction, made arrangements for the ongoing upkeep and maintenance of Outlot "E" and the stream way and banks of Outlot "E" and any improvements thereon, the following may occur:

13.3.1 The Association may be dissolved in accordance with the Nebraska Nonprofit Corporation Act. Upon any such dissolution, the obligations and duties of the Association shall terminate and the provisions contained in this Declaration relating to the Association shall be of no further force or effect.

13.3.2 The Declarant, during the Period of Declarant Control, or the Association thereafter, may record an amendment to this Declaration to eliminate the provisions that pertain to the existence and operation of the Association.

ARTICLE XIV
ENFORCEMENT

14.1 **Enforcement by Board; Right to Perform.**

14.1.1 **Failure to Maintain Improvements and Lots.** Upon a failure to maintain and repair in accordance with Sections 7.3 and 7.4 above, or to perform any other obligations thereunder, the Board shall notify the respective Owner in writing

2007-20540 A d

pursuant to Section 17.7 of such default. If such default is not cured by the Owner or its Lessee within thirty (30) days from the date such notice is given to the Owner, the Board, or its designated agent or contractors, shall have the right, in addition to Section 14.2, to enter upon the Lot for the purpose of maintaining, restoring or repairing said Improvement or Lot. The costs incurred by the Board in restoring, maintaining or repairing said Improvement or Lot, together with a charge for the overhead of the Board and the Association in an amount equal to twenty-five percent (25%) of such costs, shall be paid by such Owner as a reimbursement assessment in accordance with Section 10.7 hereof.

14.1.2 Failure to Install Landscaping. If any landscaping has not been installed within the period required in Section 8.6, the Board shall notify the Owner in writing that the landscaping is to be installed within thirty (30) days from the date of such notice. If the landscaping has not been installed within such additional 30-day period, the Board or its designated agent or contractors shall have the right, in addition to Section 14.2, to enter upon the Lot for the purpose of installing the approved landscaping. If a landscape plan has not been approved by the Committee, the Board may cause a plan to be prepared and submitted to the Committee for approval prior to installation. All costs incurred by the Board in preparing a landscape plan and installing such landscaping, together with a charge for the overhead of the Board and the Association in an amount equal to twenty-five percent (25 %) of such costs, shall be paid by the Owner as a reimbursement assessment in accordance with Section 10.7 hereof.

14.1.3 Off-Site Parking. Adequate off-street parking shall be provided by each Owner in accordance with Section 8.1 above. If the vehicles of any employee, visitor or business invitee of an Owner or any Lessee or any company vehicles thereof are parked on any street, the Board shall have the right, in addition to Section 14.2, to notify the Owner in writing pursuant to Section 17.7 that on-street parking is occurring. If on-street parking continues to occur five (5) days after the date upon which the Board gives such notice to the Owner, the Board, or its designated agent or contractors, shall have the right (i) to have such vehicles towed at the Owner's expense, and/or (ii) to assess a reasonable fine against said Owner for each day such on-street parking continues to occur five days after notice is given. All such amounts shall be paid by said Owner to the Board or to such other person or entity designated by the Board, and shall be paid as a reimbursement assessment in accordance with Section 10.7 hereof.

14.1.4 Other Covenants. Declarant and/or the Board or their duly authorized agents shall have the right, upon violation or breach of any other covenant, restriction or easement set forth herein, if such violation or breach continues for a period of thirty (30) days after written notice thereof is given to the Owner, to enter upon the Lot where such violation or breach exists, and summarily remove, at the expense of the Owner thereof who shall pay all such expenses within five (5) days after demand,

2002-20540Ae

any structure, thing or condition that may be or exist thereon contrary to the intent and meaning of the provisions of this Declaration.

14.1.5 Inspection Rights. Declarant and/or members of the Board and Architectural Committee, or authorized representatives thereof, have the right from time to time, during reasonable hours, to enter upon and inspect any Lot and the Improvements thereon for the purpose of determining whether or not the provisions of this Declaration have been, or are being, complied with, and the exercise of such rights shall not be deemed a trespass upon such Lot.

14.1.6 Other Enforcement Measures. In addition to other remedies set forth herein, the Board shall have the right to suspend a defaulting Owner's right to vote under Section 4.3 and the Articles and Bylaws during the period of any default.

14.2 Additional Remedies: Rights of Other Owners. In addition to the rights and remedies set forth in Article XI and Section 14.1 above, in the event of any breach, default, non-compliance, violation or failure to perform or satisfy any of the covenants, conditions, restrictions and easements contained in this Declaration by an Owner or by a Lessee or other Person with respect to the Lot of an Owner (collectively referred to herein as a "default"), and the default is not cured within thirty (30) days after written notice describing the default is given to such Owner by Declarant (or if any such default is not reasonably capable of being cured within such 30-day period, then if such Owner has not commenced to cure the default promptly after such notice is given and does not thereafter diligently continue to prosecute such cure to completion), then Declarant, the Association or any Owner with the right to enforce this Declaration under Section 17.3 below may enforce any one or more of the following rights or remedies in this Section 14.2, or any other rights or remedies available at law or in equity, whether or not set forth in this Declaration. All rights and remedies set forth in this Declaration or available at law or in equity shall be cumulative and not mutually exclusive.

14.2.1 Damages. Declarant, the Association or any such Owner may bring a suit for damages arising from or with respect to any such default.

14.2.2 Declaratory Relief. Declarant, the Association or any such Owner may bring suit for declaratory relief to determine the enforceability of any of the provisions of this Declaration.

14.2.3 Injunctive Relief; Specific Performance. It is recognized that a default hereunder may cause material injury or damage not compensable by an award of money damages and that Declarant, the Association and/or any Owner shall be entitled to bring an action in equity or otherwise for a specific performance to enforce compliance with this Declaration, or for any injunctive relief to enjoin the continuance of any default or to prevent a default.

14.2.4 Fines. This Subsection may be enforced only by the Association. Upon a default that is defined in this Section 14.2, the Board may assess fines based

on a schedule of fines adopted from time to time by the Board for various types of defaults that may arise under this Declaration, or as the Board may assess for defaults not covered by existing schedule of fines, provided that the Board shall assess a fine that is reasonable and appropriate under the circumstances, and provided further that the assessment of a fine shall be in addition to all other rights and remedies available hereunder.

14.3 Rights of Lenders. No default under or violation of any provision of this Declaration shall defeat or render invalid the lien of any Mortgage or similar instruments securing a loan made in good faith and for value with respect to the development or permanent financing, or any refinancing, of any Lot or portion thereof, or any Improvement thereon. However, all of the provisions of this Declaration shall be binding upon and effective against any subsequent Owner of any Lot or any portion thereof whose title is acquired by foreclosure, trustee sale, deed in lieu of foreclosure or otherwise pursuant to the lien rights under any such Mortgage or similar instrument.

14.4 City Right to Enforce Common Area and Outlot Obligations. In the event of the dissolution, inability or failure for whatever reason of the Association, or its successor(s) in obligation, to timely perform and enforce the terms of this Agreement regarding construction, installation, repair, maintenance or upkeep of Common Areas and the Outlot, and related improvements, then City, at its option, and after thirty (30) days written notice to Owners of record of the Lots, may, in whole or in part, undertake to construct, install, repair, maintain or provide upkeep for such Common Areas and the Outlot, and may assess against the Lots the full cost thereof, including but not limited to administrative, engineering and legal expenses incurred in respect thereto. City may assess the cost of such work to the Owners of record of the Lots in the proportionate shares as established in this Declaration and/or by the Association with City's approval, for the particular Common Area improvement involved, and if there be no established allocation, then in such proportion as City may determine. Each Owner, for itself, its successors and assigns does hereby irrevocably promise, agree and consent to City's performing any unperformed or failed work involving the Common Areas and the Outlot that City may choose to do, and each does hereby agree that upon City's demand, to fully reimburse the City its proportionate share of performing such work. In addition to, and not in lieu of the foregoing, the Owners do hereby irrevocably consent and agree to City's forming its own special assessment improvement district or districts within the Subdivision as determined by City to be necessary or expedient to the prosecution of such work and/or the recovery of its costs therein incurred.

14.5 Attorneys' Fees. In any legal or equitable proceeding to determine the rights of the parties and/or to enforce or restrain the violation of this Declaration, the losing party or parties, as determined by the court for this purpose, shall pay the reasonable attorneys' fees, legal costs and expenses of the prevailing party or parties, as fixed by the court in such proceedings.

14.6 Failure to Enforce Not a Waiver of Rights. No delay or failure on the part of an aggrieved party to invoke any available remedy in respect to a violation of any provision of this Declaration shall be held to be a waiver by that party of (or an estoppel of that party to assert) any right available to him upon the recurrence or continuance of said violation or the occurrence of a

2002-20540Ag

different violation, nor shall there be construed to be a duty upon Declarant or the Board a duty to take any action to enforce the provisions of this Declaration.

14.7 No Liability Regarding Enforcement. Neither Declarant, the Board or any member thereof, the Committee or any member thereof, nor their successors or assigns (if such Persons have acted in good faith, without willful or intentional misconduct) shall be liable to any Owner or Lessee of any real property subject to this Declaration by reason of any mistake in judgment, negligence, nonfeasance, action or inaction in regard to the enforcement or failure to enforce the provisions of this Declaration, or any part hereof. Each Owner and Lessee acquiring an interest in Val Vista Business Park agrees that it will not bring any action or suit against Declarant, the Board or any member thereof, or the Committee or any member thereof, from time to time, or their successors and assigns, to recover any such damages or to seek equitable relief.

ARTICLE XV RESERVED RIGHTS OF DECLARANT

15.1 Right to Construct Additional Improvements Within the Outlot. Declarant shall have, and hereby reserves the right, at its sole cost and expense, to construct additional Improvements within the Outlot from time to time for the improvement and enhancement of the Outlot and of Val Vista Business Park and for the benefit of the Association and its Members and in respect to any trail system or park, for the benefit of the public.

15.2 Right to Complete Development of Val Vista Business Park. During the Period of Declarant Control, Declarant shall have, and hereby reserves, the right (i) to subdivide or re-subdivide or otherwise split or combine any portion of the Property or otherwise to complete development of Lots; (ii) to construct or alter Improvements on any Lot owned by Declarant; (iii) to maintain an office for construction, sales, promotion or leasing purposes or other similar facilities on any Lot owned by Declarant or by the Association within the Property; and (iv) without the approval of the Association or the Architectural Committee, to excavate, cut, fill or grade any Lot owned by Declarant, or to construct, alter, demolish or replace or renovate any Improvements owned by Declarant or to alter its construction plans or design or to rezone or amend its master plan or any development documents agreed to by Declarant and the City, and to permit any activity, use or improvement by Declarant on any Lot owned by Declarant. Without limiting the generality of the foregoing, the Declarant shall be exempt from the provisions of Section 7.1.

15.3 Declarant's Right to Grant Additional Easements. During the Period of Declarant Control, Declarant shall have, and hereby reserves the right to grant or create, temporary or permanent easements from time to time for construction, access, utilities, drainage and other purposes for the development and sale of the Property in, on, under, over and across any Lots owned by the Declarant or other portion of the Property owned by Declarant, the Common Areas, and the Outlot. The Declarant shall not grant an easement which adversely impairs the use of any such Lot for the purposes originally intended without the approval of the Owner of such Lot.

15.4 Amending Plat. During the Period of Declarant Control, Declarant shall have, and hereby reserves, the right to record amendments to the Plat from time to time. Each Owner of a Lot

2002-20540Ah

(whether conveyed by metes and bounds description prior to the recording of a Plat, or as a platted Lot after the recording thereof) shall promptly upon receipt approve and sign any such Plat or consent to Plat and shall promptly return the same to Declarant, provided that such Plat does not alter the size or configuration of said Owner's Lot.

15.5 Reserved Rights Do Not Create Obligations. Anything in this Article XV to the contrary notwithstanding, the foregoing rights in favor of Declarant shall not in any way be construed as creating any obligation on the part of Declarant to exercise any such rights or to perform any of the activities, construct any Improvements, convey any property or grant any easements referred to in this Article.

ARTICLE XVI ASSIGNMENT OF DECLARANT'S RIGHTS AND DUTIES

Any and all of the rights, powers and reservations of Declarant herein contained may be assigned by Declarant from time to time, in its discretion, to any Person who will assume the duties of Declarant pertaining to the particular rights, powers and reservations assigned. Upon such assignment, any such Person assuming such duties (and its heirs, successors and assigns) shall have, to the extent of such assignment, the same rights and powers and shall be subject to the same obligations and duties as are given to and assumed by Declarant in this Declaration. Any assignment made under this Article shall be in recordable form and shall be recorded in the Office of the Register of Deeds of Sarpy County, Nebraska. Notwithstanding any provision of this Declaration to the contrary, Declarant may, at any time and from time to time without the consent of the Board or other Owners, temporarily or permanently relieve itself of all or a portion of its rights and obligations under this Declaration by filing in the Register of Deeds of Sarpy County, Nebraska, a notice stating that Declarant has surrendered the rights and obligations specified therein, and upon the recording of such notice, said powers and obligations so specified shall immediately vest in the Board of Directors unless otherwise specified therein.

ARTICLE XVII ADDITIONAL PROVISIONS

17.1 Constructive Notice and Acceptance of Declaration. Every Person who now or hereafter owns or acquires any right, title or interest in or to any portion of Val Vista Business Park is and shall be conclusively deemed to have consented and agreed to this Declaration, whether or not any reference to this Declaration is contained in the instrument by which such person or entity acquired an interest in said Val Vista Business Park.

17.2 Governing Law. This Declaration shall be governed by and construed in accordance with the laws of the State of Nebraska. Venue for enforcement hereof shall lie exclusively in Sarpy County, Nebraska, and each Person with rights hereunder hereby waives the right to sue or be sued in any other place.

17.3 Mutuality and Reciprocity. This Declaration is made for the direct, mutual and reciprocal benefit of each and every Lot within Val Vista Business Park; shall create mutual,

equitable servitudes upon each Lot within Val Vista Business Park in favor of every other Lot of Val Vista Business Park; and shall create reciprocal rights and obligations between the respective Owners and privity of contract and estate between all grantees of real property in Val Vista Business Park, their heirs, successors and assigns.

17.4 Declarant's Disclaimer. Declarant makes no warranties or representations that the plans presently envisioned for the development of Val Vista Business Park can or will be carried out, or that any Lot is or will be committed to or developed for any particular use. In addition, while Declarant has no reason to believe that any of the provisions of this Declaration are or may be unenforceable, Declarant makes no representations as to enforceability. Declarant shall have no liability for the development of Val Vista Business Park or the enforcement of this Declaration.

17.5 Headings. Headings, where used herein, are inserted for convenience only and are not intended to be a part of this Declaration or in any way to define, limit or describe the scope and intent of the particular paragraphs to which they refer.

17.6 Effect of Invalidation. If any provision of this Declaration is held to be invalid by any court, the same shall not affect the validity of the remaining provisions of this Declaration and all remaining provisions shall continue unimpaired and in full force and effect.

DECLARATION OF COVENANTS, CONDITIONS,
RESTRICTIONS AND EASEMENTS
LOTS 241 THROUGH 248, INCLUSIVE, AND OUTLOT "E",
VAL VISTA SUBDIVISION
(Commonly Known as Val Vista Business Park)**

This FIRST AMENDMENT TO DECLARATION OF COVENANTS, CONDITIONS, RESTRICTIONS AND EASEMENTS LOTS 241 THROUGH 248, INCLUSIVE, AND OUTLOT "E", VAL VISTA SUBDIVISION ("Amendment") is executed as of the 10th day of March, 2005 by Giles Road No. 2, LLC, a Nebraska limited liability company ("Declarant").

1. Declarant made a declaration of covenants, conditions, restrictions and easements effective June 3, 2002, that was recorded June 3, 2002 by the Sarpy County Register of Deeds as Instrument Number 2002-20540, ("Declaration"), with respect to certain real property situated in Sarpy County, Nebraska, legally described as follows:

Lots 241 through 248, inclusive, and Outlot "E", all in Val Vista, a subdivision, as surveyed, platted and recorded in Sarpy County, Nebraska ("Property");

said Property being situated within the Subdivision to which said Declaration applies; and

2. Declarant intended the Declaration to impose upon the Property certain covenants, conditions and restrictions and to create certain easements as described in said Declaration.

3. As permitted by applicable law and Section 15.2 of the Declaration, Declarant administratively replatted and adjusted the boundaries of Lots 246 and 247 of the Property into Lot 246A and Lot 247A, as recorded March 4, 2005 by the Sarpy County Register of Deeds as Instrument Number 2005-06704.

4. Declarant desires to sell, transfer and convey to the City of La Vista, Nebraska, ("City"), and the City desires to purchase and acquire, Lot 246A, free and clear of the Declaration and all covenants, conditions, restrictions and easements of the Declaration. The City intends to develop, construct and operate a fire station on Lot 246A, which development, construction and operations, and all related and incidental development, construction, operations, uses, purposes and activities, are hereby approved. Lot 247A shall continue to be subject to the Declaration and included in the Property and Subdivision subject to the Declaration.

5. Declarant has authority to terminate the Declaration with respect to Lot 246A and to exclude Lot 246A from the Declaration and all of its covenants, conditions, restrictions and easements, pursuant to Section 13.2, which provides "this Declaration, or any provisions hereof, may be terminated, modified, or amended with respect to all or any portion of Val Vista Business Park by the terms of a recorded document executed by Declarant alone until the expiration of the Period of Declarant Control."

6. The "Period of Declarant Control" continues. Pursuant to Section 1.22 of the Declaration, the "Period of Declarant Control" commenced June 3, 2002 with the recording of the Declaration and shall continue until June 2, 2008 or as long as Declarant owns at least twenty percent (20%) of the membership interests as computed under Section 4.1 of the Declaration, whichever is later, unless and until Declarant elects to transfer, relinquish and/or surrender all of its rights and obligations in the Declaration in the manner set forth in Article XVI of the Declaration.

7. Declarant represents and warrants to the City that: Declarant has not transferred, relinquished and/or surrendered any of its rights or obligations whatsoever in the Declaration, pursuant to said Article XVI or otherwise; the "Period of Declarant Control" continues and will continue; and Declarant shall not transfer, relinquish and/or surrender any of its rights or obligations in the Declaration before this Amendment is executed and recorded by the Sarpy County Register of Deeds in the manner specified herein.

8. Declarant hereby amends and terminates the Declaration with respect to Lot 246A effective on the earlier of (i) June 1, 2008, or, (ii) if Declarant temporarily or permanently transfers, relinquishes and/or surrenders any of its rights or obligations in the Declaration before, or effective before, June 1, 2008, then the day immediately preceding the earlier of the date or effective date of such transfer, relinquishment and/or surrender, ("Effective Date"). Lot 246A shall be excluded from the Declaration, and neither Lot 246A, nor any owner, lessee or other person having any interest in or on Lot 246A, shall, on or after the Effective Date of this Amendment, be subject to any covenant, condition, restriction, easement, requirement or other term or condition of the Declaration. Provided, however, if the City (or its designee for financing purposes) does not construct a fire station on Lot 246A and sells or transfers said lot to any other person, the lot will again become subject to the Declaration upon closing and recording of documents of such sale or transfer and recording of an amendment executed by Declarant restoring application of the Declaration to Lot 246A.

9. All covenants, conditions, restrictions, easements, requirements, terms and conditions of the Declaration shall be deemed amended to reflect and be consistent with the provisions of this Amendment.

10. Capitalized terms of this Amendment shall have the meanings set forth in the Declaration, unless otherwise defined or modified by this Amendment.

11. Except as modified by this Amendment, the covenants, conditions, restrictions, easements, requirements, terms and conditions of the Declaration shall continue in full force and effect with respect to the Property (with the exception of Lot 246A).

B

12. Declarant does hereby specify, agree, designate and direct that this Amendment and all of its provisions shall be and constitute covenants running with the land in favor of the City and Lot 246A, its grantees, successors and assigns, and shall be binding on the Property and all portions thereof, and all present owners, and all successors, heirs, executors, administrators, legal representatives, grantees, devisees, mortgagees and assigns of presents owners, of the Property and all portions thereof.

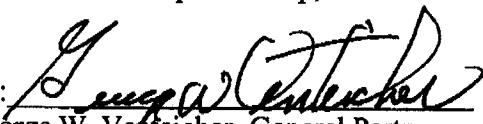

13. Declarant represents and warrants to City that the undersigned constitute all owners or persons having any interest in any Property within the Subdivision as of closing on the sale of Lot 246A to the City.

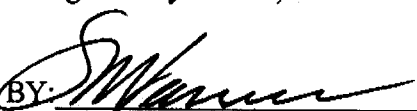

14. Execution and recording of this Amendment shall be a condition of closing of the City's purchase of Lot 246A from Declarant. Declarant shall ensure that this Amendment is filed with the Sarpy County Register of Deeds before the warranty deed conveying Lot 246A to City is filed. This Amendment shall survive said closing on Lot 246A. No agreement, amendment, document, instrument or action shall be adopted, executed or taken contrary to or otherwise affecting any matter or issue contained in this Amendment without the prior written consent of the City.

IN WITNESS WHEREOF, Declarant has executed this Amendment effective as of the date first set forth above.

FOURTH AMENDMENT TO SUBDIVISION AGREEMENT

(Val Vista Subdivision – Phase II)

**(Replat of Lots 241 and 248 Val Vista and Lot 3 of Val Vista Replat Three
into Lots 1 through 12, Val Vista Replat Four)**

THIS FOURTH AMENDMENT, made this 21st day of February, 2006, to that certain Subdivision Agreement between GILES ROAD NO. 2, LLC (hereinafter referred to as "Developer"), and the CITY OF LA VISTA, a Municipal Corporation in the State of Nebraska (hereinafter referred to as "City") as same pertains to Lots 241 and 248 Val Vista and Lot 3 of Val Vista Replat Three of said Subdivision, which is to be replatted as Lots 1 through 12, Val Vista Replat Four of said Subdivision;

WITNESSETH:

WHEREAS, Developer is the owner of Lots 241 and 248 Val Vista and Lot 3 of Replat Three of Val Vista Subdivision and wishes to replat said lots to become Lots 1 through 12, inclusive of "Val Vista Replat Four" (herein the "Replat" or the "Replatted Area") being a part of Val Vista Subdivision as shown on composite drawing attached as Exhibit "A" hereto and consisting of approximately 25.868 acres, more or less, per Surveyor's Certificate attached as Exhibit "B" hereto and being more specifically shown on the "Final Plat" attached as Exhibit "C" hereto; and

WHEREAS, the parties wish to amend the Subdivision Agreement entered into between them to include the understandings and agreements pertaining to the replatting.

NOW, THEREFORE, IT IS AGREED by Developer and City as follows:

1. Replattings. Subject to the terms of this Amendment, Lots 241 and 248 Val Vista and Lot 3 of Val Vista Replat Three shall be replatted as Lots 1 through 12, inclusive, Val Vista Replat Four, as more fully shown on Exhibit "C" (herein the "Replat" or "Replatted Area").
2. Drainage Calculations and Map. Developer shall provide drainage calculations and a drainage map for the Replatted Area for review and approval by the City's Engineer prior to execution of the final Replat demonstrating what easements may be needed to convey major storm sewer events (hundred year flood) over the surface of the property, in a form satisfactory to the City's Engineer. (Exhibit "D")
3. Drainage. Developer shall prepare and provide to the City Engineer for its approval a means of gravity flow storm water to the public storm sewer that exists on the south side of Lot 1. A majority of Lots 1 through 4 within the Replat will drain to the south and must connect to the existing storm sewer that flows south under the railroad embankment. The means of access shall not be in the form of a public storm sewer but must be addressed through appropriate easements giving the owners of Lots 1 through 4 the right to install and maintain a private storm sewer to reach the aforementioned public storm sewer.
4. Sanitary Sewer. As concerns sanitary sewer stub outs:
 - a. Stub outs shall be constructed in Chandler Circle in conjunction with the construction of the sanitary sewer therein.

B

- b. A sanitary sewer stub in Chandler Road to serve Lot 1, Val Vista Replat Three as shown on Exhibit "F" shall be installed by the Subdivider at its private expense as part of the improvements.
5. Sidewalks. Developer, or its assigns, shall, at their cost, install and maintain sidewalks along Chandler Road abutting the Replatted Area and along both sides of Chandler Circle. Said sidewalks shall be installed prior to the opening of business on each such lot. All sidewalks shall not be less than six inches (6") thick P.C. concrete.
6. Grading. Grading of the Replatted Area shall be as shown on the Grading Plan attached hereto as Exhibit "E".
7. Site Approval Precondition to Building Permit. Nothing herein shall be deemed a waiver or lessening of City's requirement of City approved site plan for any building prior to the issuance of a building permit therefor.
8. Public Access Roads or Driveways. All publicly used roads and driveways shall be constructed to City approved specifications and shall not be less than nine inches (9") thick P.C. concrete paving. The City shall have access over such roadways and driveways for any purpose it deems appropriate in the exercise of its general governmental powers, including but not limited to, inspection, police, fire and rescue and other public safety purposes, and the exercise of all rights granted to City by the terms of the Subdivision Agreement as heretofore amended and/or this Amendment.
9. Staking Bond. Developer shall provide to City a staking bond satisfactory to City Engineer prior to City's release of the final plat of the Replatted Area or a letter from a registered surveyor certifying that pins have been set.
10. Tract Sewer Connection Fees. Developer agrees that the terms and conditions for the benefit of the City that are contained in the Subdivision Agreement and the separate Sewer Connection Agreement pertaining to the sanitary sewer system shall be equally applicable to any private sanitary sewer provided for herein and enforceable by City in respect thereto to the same extent as though the private sewer had originally been incorporated and made a part of said agreements. Tract sewer connection fees shall be due and payable to the City in the following amounts prior to the issuance of a building permit for a particular lot:

Lot 1, Val Vista Replat Four	2.767 acres @ \$5,484/Ac. =	\$15,174

11. Requirements of City Engineer for Replat Approval. Attached hereto and incorporated herein as Exhibit "D" is a copy of the City Engineer's comments concerning Developer's Application for Replat. Developer, its successors and assigns in title, agree to fully and timely comply with all such requirements in conjunction with the construction/installation of common area improvements or within such different time or times as designated in Exhibit "D" hereto.
12. Infrastructure to be at Private Expense. The cost of all infrastructure, improvements and easements within and serving the Replatted Area, including but not limited to parking improvements, ingress and egress, sanitary sewer, storm sewer, power, CATV, gas, water and cost of connection to external infrastructure shall be constructed and maintained at private expense and no part thereof shall be the responsibility of or at the expense of the City or of any Sanitary and Improvement District, except as herein below provided:
 - a. The City, subject to the conditions and limitations therein stated, does reaffirm its obligations under Paragraph 5 of the Val Vista Phase II Subdivision Agreement dated May 28, 2002 pertaining to sanitary and storm sewers within Chandler Road right-of-way and the dedicated permanent easements, paving surface within Chandler Road right-of-way and OPPD monthly charges for maintenance and energizing of street lighting within Chandler Road right-of-way.
 - b. Following City Engineer's acceptance of Chandler Circle improvements, City shall assume responsibility for maintenance and repair of the street improvements therein and the sanitary sewer and storm sewer and drainageway serving it via the permanent twenty foot (20') easement along the common boundary of Lots 7 and 8, Val Vista Replat Four serving Chandler Circle.
 - c. The existing permanent twenty foot (20') wide easement to the City of La Vista described as Instrument No. 2002-20539.
13. Common Area Improvements/Maintenance. For purposes hereof, as concerns common area maintenance, if any, within the Replatted Area, the following provisions shall be applicable:
 - a. Common Area Improvement Defined. The term "Common Area Improvement" shall mean all infrastructure and improvements constructed on, or to be constructed within or benefiting any two or more lots, or combination of lots, within the Replatted Area. Said Common Area Improvements shall include, but not be limited to, ingress and egress, storm drainage, sanitary sewer, public utility infrastructure facility and services and other infrastructure needs for or serving more than a single lot.
 - b. Common Area Expense Defined. Common Area Expense shall include all costs of site acquisition, engineering, construction, reconstruction, modification, replacement, repair, maintenance (including clean up and clean out) of any such

items and all services in respect thereto, together with the City Engineer's cost of inspection, review and design.

c. Sharing of Common Area Expense. Common Area Expense shall be shared as follows:

c-1. Initial Cost Sharing Ratio. The owners, their successors and assigns, of the replatted lots shall be responsible for and defray the Common Area Expense in the same ratio that each of their replatted lots bears to the total land area of lots served by the improvement. The foregoing methodology of property owners sharing Common Area Expense shall prevail unless adjusted pursuant to subparagraph 13.c-2 hereof.

c-2. Adjustment of Common Area Cost Sharing Ratios. The method of sharing Common Area Expense as set forth in subparagraph 13.c-1 above may be modified by the owners of all lots within the Replat agreeing to a different cost sharing as among themselves and filing with the City an application executed by all property owners within the Replatted Area to allow sharing in the designated different ratio. If the City Administrator, in consultation with the City Engineer, determines the original cost allocation is to be unfair and such requested change, if approved, will not be adverse to the City's or to the public interest, then the City Administrator may approve such application. Approval shall be discretionary. If approved, the property owners, at their expense, shall file the modification with the appropriate written approval of the City Administrator and City Engineer endorsed thereon and shall file it of record as provided in subparagraph 13.d. hereof.

d. Filing of Record. The Developer, at its expense, shall record this Fourth Amendment in the land records of the Office of the Register of Deeds of Sarpy County and shall cause a recorded and certified copy thereof to be transmitted to the City Administrator. Any adjustment under subparagraph 13.c-2 above shall be prepared in form satisfactory to the City. All recordings shall be indexed by specific lot and recorded at Developer's expense.

e. City Engineer to be Determiner. The City Engineer shall be the determiner of which improvements are required and which are Common Area Expense and which are not Common Area Expense, and which, if any, are not being properly constructed, repaired or maintained or in are in need of replacement.

f. City Access/Repair, Etc. The City, its employees and agents, shall have right of entry and full access to any and all areas and improvements within the Replatted Area for purposes of inspection. In the event City determines construction, repair or maintenance is not progressing or not being performed satisfactorily or in a timely manner, City may, at its sole option and without obligation to do so, decide to undertake construction, repair and/or maintenance of any such Common Area Improvements and to assess the cost, including engineering costs and legal costs, together with interest at the rate of twelve percent (12%) per annum until paid, and City shall have a lien for the cost therefor, which lien City may file of record against the lots it determines to be benefited. If said lien amount is not timely paid in full, the City may foreclose the lien for said amount with interest

E

thereon and all costs, including reasonable attorneys fees incurred by City in such foreclosure.

- g. City's Exercise of Rights Discretionary. City's and/or City Engineer's exercise of any or all of the authority herein given shall be at City's sole and absolute discretion, and City, City Engineer and City's officers and agents shall have no responsibility or liability by reason of either the nonexercise or the exercise of any such authority.
14. Special Assessments. There will be none. By the terms of the Subdivision Agreement covering Lots 241-248 and Outlot E, Val Vista, only private financing is to be utilized in the construction/installation of improvements.
15. Ownership Representation. The undersigned signatories on the proposed Final Plat of Val Vista Replat Four and on this Fourth Amendment to the Subdivision Agreement, do warrant and represent that the ownership of Developer is as follows:
- 100% in Giles Road No. 2, LLC
- and that George W. Venteicher, Managing Member, has the authority to execute this Amendment on behalf of said Giles Road No. 2, LLC and that at time of recordation of this Fourth Amendment and the Final Plat of Val Vista Replat Four, said Giles Road No. 2, LLC will be the sole owner of the Replatted Area.
16. Covenants Running With the Land. The obligations and agreements of Developer herein are perpetual covenants running with the land and shall be binding on the Developer and all of Developer's successors and assigns in title. The covenants herein, hereto, shall be cumulative to, and not in lieu of, prior covenants running with the land in favor of the City. City shall have the right, but not the obligation, to enforce any and all covenants.
17. Exhibit Summary. The Exhibits proposed by E & A Consulting Group, Inc. engineers for the Developer, attached hereto and made a part hereof, are as follows:

THIS PERMANENT STORM SEWER EASEMENT AND MAINTENANCE AGREEMENT is made as of this 10th day of May, 2006, (hereinafter referred to as the "Effective Date") by and between Giles Road No. 2, L.L.C., a Nebraska limited liability company (hereinafter referred to as the "Grantor").

RECITALS:

WHEREAS, Grantor is the lawful owner of Lots 1 and 2, Val Vista Replat Three, a subdivision as surveyed, platted and recorded in Sarpy County, Nebraska; and Lots 1 through 4, inclusive, Val Vista Replat Four, a subdivision as surveyed, platted and recorded in Sarpy County, Nebraska;

WHEREAS, the final plat of Val Vista Replat Three and Val Vista Replat Four Plat are recorded as Instrument Numbers 2006-19541 and 2006-36222, respectively in the Register of Deeds, Sarpy County, Nebraska (hereinafter referred to as the "Plat"), shows a certain storm sewer easement across Lots 1 and 2, Val Vista Replat Three, and Lots 1 through 3, Val Vista Replat Four for the benefit of the owners of Lots 1 and 2, Val Vista Replat Three, and Lots 1 through 4, inclusive, Val Vista Replat Four (hereinafter the "Benefited Lots");

WHEREAS, by virtue of the recording of this Reciprocal Permanent Storm Sewer Easement and Maintenance Agreement (the "Agreement"), the above legally described real property (hereinafter referred to individually as a "Lot" and collectively as the "Lots") shall be owned, held, transferred, sold, conveyed, used, and occupied and mortgaged or otherwise encumbered subject to the provisions of this Agreement and every grantee of any interest in any said Lot, by acceptance of a deed or other conveyance of such interest, and every person or entity owning an interest in any portion of any said Lot, whether or not such deed or other conveyance of such interest shall be signed by such person and whether or not such person shall otherwise consent in writing, shall own and take subject to the provisions of this Agreement and shall be deemed to have consented to the terms hereof; and

WHEREAS, each party, as grantor, desires to grant to the other party for the benefit of said other party and for the benefit of all future owners, occupants and mortgagees of the Lots or any part thereof, a storm sewer easement, under and through the Lots as shown on the Plat for the purpose of constructing and maintaining storm sewers for the transmission of storm waters over, under and through the Lots.

NOW, THEREFORE, for and in consideration of Ten Dollars (\$10.00) and other good and valuable consideration, including the mutual grants and covenants contained herein, the receipt and adequacy of which are hereby acknowledged, the parties hereto do hereby GRANT, SELL and CONVEY unto each other and the future owners and mortgagees of the Lots, an easement for storm sewers to be constructed and maintained upon the area shown on the Plat and located upon the Lots for the purpose of carrying on, over and through storm waters; provided, however, that the rights herein granted to any

person or entity, or anyone claiming under them, shall terminate and expire at such time as such person or entity ceases to be an owner or mortgagee of the Lots or any portion thereof, as the case may be, and such rights shall thereafter be held by the new owner or mortgagee, or anyone claiming under them.

It is further agreed as follows:

1. Nature of Easements. The foreclosure of any mortgage covering all or a portion of a Lot or Lots shall in no way affect or diminish any easements granted herein, for all such easements shall remain in full force and effect for the benefit of the grantees described herein. The easements hereby created are not public easements, but are permanent, private easements for the use and benefit of the owners, future owners, occupants, mortgagees, and their Permittees, and fire, rescue and other emergency vehicles. The parties hereto expressly disclaim the creation of any rights in or for the benefit of the public generally. It is understood and agreed that the easements shall continue for so long as any Lot remains in existence.

2. Improvements and Costs and Expenses. Grantor shall be responsible for installing and constructing the storm sewers and related improvements at its sole cost and expense.

3. Maintenance of the Storm Sewer. The maintenance, repair, replacement and operation of the storm sewer and related improvements shall be the responsibility of the owners of the benefited lots. The cost of any maintenance, repair, replacement or operation expense shall be divided equally among the owners of the Lots. No maintenance, repair, replacement or operation expense shall be undertaken, unless in an emergency, without the consent of at least four (4) of the owners of the Benefited Lots.

4. Assessments.

(a) Each owner of a Lot (sometimes referred to hereinafter as the "Lot Owners") shall be responsible for its share of the costs and expenses for the repair, administration, operation, addition, alteration and replacement of the Improvements which shall be paid for by the Lot Owners through assessment ("Assessment") in accordance with this Agreement.

(b) Assessments may be levied at the time of required maintenance approved by at least four (4) of the owners of the Benefited Lots as provided in Paragraph 3 of this Agreement. A statement of expenses and the Lot owner's share shall be invoiced to the Lot Owner by the other Lot Owners within thirty (30) days of any maintenance, repair, replacement or operation expense.

(c) All Assessments shall be paid by each Lot Owner within thirty (30) days after the Assessment is made. All Assessments not paid within thirty (30) days thereafter, shall accrue interest at the highest rate provided for by law on the amount of the Assessment from the due date thereof, together with all expenses, including attorneys' fees. Any action to recover a money judgment for unpaid Assessments shall be maintainable without foreclosing the lien nor shall any such action be construed as a waiver of the lien. All Assessments shall be the personal and individual debt of the Lot Owner thereof. No Lot Owner may exempt themselves from liability for this contribution towards the expenses by waiver of the use or enjoyment of any of the Improvements, or by abandonment of their Lot.

(d) All sums assessed against each Lot, but unpaid for the share of expenses chargeable to any Lot shall constitute a lien on such Lot superior to all other liens and encumbrances, except only for tax and special assessment liens on the Lot in favor of any governmental assessing entity and all sums unpaid on any first mortgage of record, including all unpaid obligatory sums as may be provided by such encumbrances. To evidence such lien, any two (2) Lot Owners of the Benefitted Lots shall prepare a written notice of lien assessment setting forth the amount of such unpaid indebtedness, the amount of the accrued interest, and the name of the Lot Owner and a description of the Lot. Such notice of lien shall be signed by the Declarant and shall be recorded in the Office of the Register of Deeds for Douglas County, Nebraska. Such lien shall attach and be effective from the due date of the Assessment until all sums, with interest thereon, shall have been fully paid.

B

(e) Such lien may be enforced by the foreclosure of the defaulting owner's Lot by the Declarant in the manner of a deed of trust or mortgage on real property upon the recording of a notice of claim thereof. In any such proceedings, the owner of the Lot shall be required to pay the costs, expenses and attorney's fees incurred for filing the lien, and in the event of foreclosure, all additional costs, expenses and attorney's fees incurred.

(f) Any mortgagee holding a lien on a Lot may pay, but shall not be required to pay, any unpaid Assessments with respect to such Lot, and upon such payment, such encumbrancer shall have a lien on such Lot for the amount paid of the same rank as the lien of its mortgage or encumbrance without the necessity of having to record a notice of claim of such lien. The Declarant will report to any mortgagee on a Lot any unpaid Assessments remaining unpaid for longer than sixty (60) days after the same is due; provided, however, that a mortgagee shall have furnished to the Declarant notice of such encumbrance.

(g) The recorded lien may be released by recording a Release of Lien signed by at least four (4) owners of Benefitted Lots and shall be recorded in the Office of the Register of Deeds of Douglas County, Nebraska at the expense of the owner of such Lot.

(h) Notwithstanding any of the foregoing provisions, any first mortgagee who obtains title to a Lot pursuant to the remedies set forth in its mortgage or deed of trust shall take title to the Lot free and clear of all Assessments levied thereon prior to such transfer of title free and clear of all liens created as a result of such Assessments.

(i) The owner of a Lot may create junior mortgages or deeds of trust to the lien or other encumbrances of a first priority mortgage or deed of trust; provided, however, that any such junior mortgage, deed of trust, liens or other encumbrances, will always be subordinate to the prior and paramount lien of the Benefitted Owners for Assessments and all of the terms, conditions, covenants, restrictions, uses, limitations and obligations under this Agreement.

4. Effect of Covenants. Each owner of a Lot, its successors and assigns, by the acceptance of a deed of conveyance, accepts the same subject to all restrictions, conditions, covenants, reservations, options, liens and charges, and the jurisdiction, rights and powers granted or reserved by this Agreement or to which this Agreement is subject, and all rights, benefits and privileges of every character hereby granted, created, reserved or declared and all impositions and obligations hereby imposed shall be deemed and taken to be covenants running with the land and shall bind any person or entity having at any time any interest of estate in said property, and shall inure to the benefit of such Lot owners on like manner as though the provisions, terms and restrictions of this Agreement were received and stipulated at length in each and every deed of conveyance.

5. Waiver. No covenant, restriction, condition or provision of this Agreement shall be deemed to have been abrogated or waived by reason on any failure to enforce the same at any time, irrespective of the number of violations or breaches which may occur.

6. Savings Clause. The invalidity of any covenant, restriction, condition, limitation or any other provision of this Agreement herein contained, as the case may be, shall not render the remainder of the Agreement invalid, nor any other part therein contained.

7. Amendment, Modification, Notices.
