- C. Declarant entered into a Subdivision Agreement with the City of Omaha which provides generally for the  
development of the property described above as a residential development to be known as "Lindenwood" (the "Development"); and
- D. Declarant and Ratifiers desire to further establish, preserve and promote such residential characteristics of the  
Development;
- E. Declarant and Ratifiers desire to establish a pedestrian walkway to connect the Development with the adjacent  
development; and
- F. Declarant and Ratifiers desire to establish a property owners association for the purpose of pursuing common  
interests of the present and future owners of property located within the Development; and
- G. First National Bank of Omaha, ("Lender") has a first Deed of Trust lien encumbering the property described above.

2 and 3 of Lindenwood Replat, as surveyed, platted and recorded with the Douglas County Register of Deeds (the "Property") shall be  
held, sold and conveyed subject to the easements, restrictions, covenants, and conditions created by this instrument, all of which are  
hereby established for the purpose of enhancing and protecting the value, desirability and attractiveness of the Property. Furthermore,  
these easements, covenants, restrictions and conditions shall run with the land and shall be binding upon all parties having or acquiring  
any right, title or interest in the Property or any part thereof (hereinafter also referred to as an "Owner" or "Owners").

1. Property Subject to Declaration

All of the Property shall be subject to the easements, covenants, restrictions and conditions set forth herein.

The Property is and shall be subject to each of the following conditions, restrictions and other terms (hereinafter collectively  
referred to as "Covenants").

consent of Declarant.

pedestrian right-of-way. Outlot 3 shall be used for a pedestrian pathway.

c. Approval of Plans

Declarant reserves the power to control the buildings, structures and other improvements placed on each lot.

residence, building, wall, driveway, deck, patio, swimming pool, basketball backboard, dog house, pool house, or any

imposed upon such approval. Similarly, no alteration in the exterior appearance of any Improvement shall be  
made without like approval and such alterations shall be made only in accordance with the terms of such approval.

The procedure for obtaining such approval shall be as follows:

- 1) An Owner desiring to erect an Improvement shall deliver two sets of construction plans, landscaping plans  
and plat plans to Declarant (herein collectively referred to as the "plans"). Such plans shall include a  
description of the type, quality, color and use of materials proposed for the exterior of such Improvement.  
Concurrent with submission of the plans, Owner shall notify the Declarant of the Owner's mailing address.
- 2) Declarant shall review such plans in relation to the type and exterior of improvements constructed, or  
approved for construction, on neighboring lots and in the surrounding area, and any general scheme or  
plans formulated by Declarant. In this regard, Declarant intends that the Property shall be developed as  
a residential community with homes constructed of high quality materials. The decision to approve or  
refuse to approve the proposed Improvement shall be exercised by Declarant to promote development  
of the Property and to protect the value, character and residential quality of all lots. If Declarant

AMENDMENT TO DECLARATION OF COVENANTS,  
CONDITIONS, RESTRICTIONS AND EASEMENTS  
FOR LINDENWOOD AND RATIFICATION OF

THIS AMENDMENT is made as of this 19 day of August, 1991, by ROYAL HOMES, INC., a Nebraska corporation, ("Declarant").

RECITALS:

- A. The original Declaration of Covenants, Conditions, Restrictions and Easements for Lindenwood and Ratification of Lindenwood Replat ("Declaration") was executed on July 24, 1990 and filed in the Office of the Register of Deeds of Douglas County, Nebraska, on July 27, 1990 in Book 932 of Miscellaneous Records at Page 615-621.
- B. This Amendment to the Declaration hereby incorporates all of the recitals, easements, coverants, restrictions and conditions set forth in the original Declaration referenced above.
- C. Declarant seeks to amend the original Declaration by adding a paragraph 8 which will state as follows:

8. Telecommunications Facilities Agreement.

A telecommunication facilities installation agreement was entered into between Northwestern Bell Telephone Company and Royal Homes, Inc. on April 8, 1991. Pursuant to the agreement, if ninety percent (90%) of the lots in Lindenwood Replat are not improved within five (5) years from the date the feeder and distribution facilities are installed in Lindenwood Replat, then the owner at that time of any unimproved lot shall owe Northwestern Bell or its successors Four Hundred Fifty (\$450.00) Dollars for each lot that is unimproved, in payment of Northwestern Bell's unused facilities. The facility charge shall be due and owing immediately upon the expiration of the five (5) year period, and if such charge is not paid within sixty (60) days after the sending of written notice by Northwestern Bell or its successors to the owner of an unimproved lot in Lindenwood Replat that such charge is due, then said charge will begin drawing interest commencing upon the expiration of the sixty (60) day period at the rate of twelve percent (12%) per annum or the maximum rate allowed by law if said maximum rate is less than twelve percent (12%) at that time.

IN WITNESS WHEREOF, Declarant and Ratifiers have executed this Amendment as of the 19 day of August
