plane of the lowest structure of the roof; and in the case of garages and carport areas, from the surface of the concrete floor to the plane of the lowest structure of the roof.

9. Use of Units. Each of the units is restricted to residential use only.

10. Common Elements. Common elements being the general common elements and the limited common elements as defined in Section 11 below shall consist of the entire property including all parts of the building other than the units, and including, without limitation, the following:

- (a) The land on which the building is erected;
- (b) All roofs, foundations, columns, beams and supports;
- (c) All exterior walls of the building; all walls and partitions separating units from other common elements; all walls and partitions separating units;
- (d) The ground and all landscaping, roads and walkways, exterior lighting, and driveways and parking areas;
- (e) All other parts of the property and all apparatus and installations existing in the building or on the property for common use or necessary or convenient to the existence, maintenance or safety of the property.

Air conditioning compressors or units are not common elements but are part of each unit and shall be maintained and replaced as needed by each owner. Each unit owner shall be responsible for the repair, maintenance and replacement of all exterior windows and doors, including garage doors; it being understood that the only common area maintenance of exterior windows and doors shall be the painting or finishing for the exterior surface thereof. If any unit owner fails to repair, maintain or replace the exterior of his unit as required in this Master Deed and in the By-Laws described below, the Association may perform such work, invoice the owner therefor, and secure and enforce a lien therefor against the owner and his unit in like manner as a delinquent assessment for common element expense.

11. Limited Common Elements. "Limited Common Elements," as used herein, means those common elements designed in Exhibit A attached hereto and made a part hereof, reserved for the use of certain units to the exclusion of the other units.

12. Determination of Percentages in Common Elements. The percentages of interest of the respective units in the common elements (hereinafter sometimes called the "common interests") have been determined upon the basis of the proportion which the value of each unit bears to the value of the property, and such values and percentages are set forth in Exhibit A attached hereto and made a part hereof.

13. Encroachments. In the event Section 76-810(2) of the Condominium Act is not applicable, then if any portion of the common elements encroaches upon any unit, or if any unit now encroaches upon any other unit, or upon any portion of the common elements, as a result of the construction of the building, or if any such encroachment shall occur hereafter as a result of settling or shifting of the building, a valid easement for the encroachment and for the maintenance of the same so long as the building stands, shall exist. In the event the building, the unit, any adjoining unit, or any adjoining common element shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, encroachments of parts of the common elements upon any unit or of any unit upon any other unit or upon any portion of the common elements due to such rebuilding, shall be permitted, and valid easements for such encroachments and the maintenance thereof shall exist so long as the building shall stand.

14. Pipes, Ducts, Cables, Wires, Conduits, Public Utility Lines and Other Common Facilities Located Inside of Units. Each unit owner shall have an easement in common with the owners of all other units to use all pipes, wires, ducts, cables, conduits, public utility lines and other common facilities.

148-150C

ities located in any of the other units and serving his unit. Each unit shall be subject to an easement in favor of the owners of all other units to use the pipes, ducts, cables, wires, conduits, public utility lines and other common facilities serving such other units and located in such unit.

15. Power of Attorney to Board of Directors. Each unit owner shall grant to the persons who shall from time to time constitute the Board of Directors, an irrevocable power of attorney, coupled with an interest, to acquire title to or lease any unit whose owner desires to surrender the same, or to sell or lease the same to the Board of Directors, or which may be the subject of foreclosure or other judicial sale, in the name of the Board of Directors or its designee, corporate or otherwise, on behalf of all unit owners, and to convey, sell, lease, mortgage, vote the votes appurtenant thereto or otherwise deal with any such unit so acquired or to sublease any unit so leased to the Board of Directors.

16. Person to Receive Service. Mr. Thomas J. Guilfoyle, 700 Service Life Building, Omaha, Nebraska, is hereby designated to receive notice of process in any action which may be brought against the Condominium.

17. Units Subject to Master Deed and Declaration, By-Laws and Rules and Regulations. All present and future owners, tenants and occupants of units shall be subject to, and shall comply with the provisions of this Master Deed and Declaration, the By-Laws, and Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease or the entering into occupancy of any unit shall constitute an agreement that the provisions of the Master Deed and Declaration, the By-Laws and the Rules and Regulations as they may be amended from time to time, are accepted and ratified by such owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof. No person, irrespective of the nature of his interest, shall bring any action or proceeding for partition or division of the property or any part thereof except as may be specifically permitted by the provisions of 76-801 through 76-823, Reissue, Revised Statutes of Nebraska, by the provisions hereof or by the By-Laws.

18. Amendment of Master Deed and Declaration. This Master Deed and Declaration may be amended only by the unanimous consent of all unit owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws; provided, however, that any such amendment shall have been approved in writing by all mortgagees.

No amendment shall be effective until recorded in the Office of the Register of Deeds, Sarpy County, Papillion, Nebraska.

19. Reconstruction or Repair of Casualty Damage. In the event that two-thirds (2/3) or more of the total number of units are substantially damaged or destroyed, a decision not to reconstruct or repair such damage or destruction may be made within one hundred twenty (120) days of the date of such damage or destruction by the vote of at least seventy-five percent (75%) in number and in common interest of all unit owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws. If less than two-thirds (2/3) of the total number of units are damaged or destroyed, it shall be mandatory that such damage be repaired and restored. All reconstruction and repairs must be made according to substantially the same plans, specifications, design and total cubic area, pursuant to which the building was initially constructed.

20. By-Laws, Rules and Regulations. Annexed hereto as Exhibits B and C respectively, are true copies of the By-Laws and Rules and Regulations governing the administration of the property. No modification of or amendment to the By-Laws shall be valid unless adopted in accordance with the provisions thereof and such modification or amendment is duly recorded.

21. Invalidity. The invalidity of any provision of this Master Deed and Declaration shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Master Deed and Declaration and, in such event, all of the other provisions of this Master

148-850D

Deed and Declaration shall continue in full force and effect as if such invalid provision had never been included herein.

22. Waiver. No provision contained in this Master Deed and Declaration shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

23. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Master Deed and Declaration nor the intent of any provision hereof.

24. Gender. The use of the masculine gender in this Master Deed and Declaration shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

IN WITNESS WHEREOF, the Sponsor has caused this Master Deed and Declaration to be executed by its duly authorized officers and its corporate seal to be hereunto affixed this 13th day of April, 197 3.

Unit Owners

Section 1. Annual Meetings. One year after units representing 75% or more in common interest shall have been sold by the Sponsor and paid for, the Sponsor shall provide written notice to all unit owners of the time and place of the first annual meeting of the unit owners which shall be held within 30 days thereafter. At such meeting, the original Board of Directors shall resign as members of the Board of Directors and as officers, and all the unit owners, including the Sponsor, shall elect a new Board of Directors. Thereafter, the annual meetings of the unit owners shall be held on the 15th day of May of each succeeding year, unless such date shall occur on a Saturday or Sunday, in which event the meeting shall be held on the succeeding business day. At such meetings the Board of Directors shall be elected by ballot of the unit owners in accordance with the requirements of Section 4 of Article III of these By-Laws. So long as the Sponsor shall own one or more of the units, the Sponsor shall be entitled to elect at least one member of the Board of Directors who shall serve for a term of one year. The unit owners may transact such other business at such meetings as may properly come before them.

The Board of Directors may employ for the Condominium a managing agent and/or a manager at a compensation established by the Board of Directors, to perform such duties and services as the Board of Directors shall authorize, including but not limited to the duties listed in subdivisions (a), (c), (d), (k) and (l) of Section 2 of this Article III. The Board of Directors may delegate to the manager or managing agent, all of the powers granted to the Board of Directors by these By-Laws other than the powers set forth in subdivisions (b), (e), (f), of Section 2 of this Article III.

Section 4. Election and Term of Office. At the first annual meeting of the unit owners, the members of the Board of Directors shall be elected to serve terms of one year. Each director shall be elected by the vote of a majority of unit owners, as hereinafter defined in Section 9 of Article II. The members of the Board of Directors shall hold office until their respective successors shall have been elected by the unit owners.

Section 5. Removal of Members of the Board of Directors. At any regular or special meeting of unit owners, any one or more of the members of the Board of Directors may be removed with or without cause by a majority of the unit owners and a successor may then and there or thereafter be elected to fill the vacancy thus created. Any members of the Board of Directors whose removal has been proposed by the unit owners shall be given an opportunity to be heard at the meeting.

Section 6. Vacancies. Vacancies in the Board of Directors caused by any reason other than the removal of a member thereof by a vote of the unit owners, shall be filled by vote of a majority of the remaining members at a special meeting of the Board of Directors held for that purpose promptly after the occurrence of any such vacancy, even though the members present at such meeting may constitute less than a quorum, and each person so elected shall be a member of the Board of Directors for the remainder of the term of the member so removed and until a successor shall be elected at the next annual meeting of the unit owners.

Section 7. Annual Meeting. The annual meeting of the members of the Board of Directors shall be held immediately following the annual meeting of the unit owners, at such time and place as shall be fixed by the unit owners at the meeting at which such Board of Directors shall have been

148-850 K

elected, and no notice shall be necessary to the newly elected members of the Board of Directors in order legally to constitute such meeting, providing a majority of the whole Board of Directors shall be present thereat.

Section 8. Special Meetings. Special meetings of the Board of Directors may be called by the President upon five (5) business days notice to each member of the Board of Directors, given by mail, or telegraph, which notice shall state the time, place and purpose of the meeting. Special meetings of the Board of Directors shall be called by the President or Secretary in like manner and like notice on the written request of at least three (3) members of the Board of Directors.

Section 9. Waiver of Notice. Any member of the Board of Directors may, at any time, waive notice of any meeting of the Board of Directors in writing, and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a member of the Board of Directors at any meeting of the Board shall constitute a waiver of notice by him of the time and place thereof. If all the members of the Board of Directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

Section 10. Quorum of Board of Directors. At all meetings of the Board of Directors, a majority of the members thereof shall constitute a quorum for the transaction of business, and the votes of a majority of the members of the Board of Directors present at a meeting at which a quorum is present shall constitute the decision of the Board of Directors. If at any meeting of the Board of Directors there shall be less than a quorum present, a majority of those present may adjourn the meeting from time to time. At any such adjournment at which a quorum is present, any business which might have been transacted at the meeting originally called, may be transacted without further notice.

Section 11. Fidelity Bonds. The Board of Directors shall obtain adequate fidelity bonds for all officers and employees of the Corporation handling or responsible for Corporation funds. The premiums on such bonds shall constitute a common expense.

Section 12. Compensation. No member of the Board of Directors shall receive any compensation from the Corporation for acting as such.

Section 13. Liability of the Board of Directors. The members of the Board of Directors shall not be liable to the unit owners for any mistake of judgment, negligence, or otherwise, except for their own individual willful misconduct or bad faith. It is intended that the members of the Board of Directors shall have no personal liability with respect to any contract made by them on behalf of the Property. Every agreement made by the Board of Directors or by the managing agent or by the manager on behalf of the Property shall provide that the members of the Board of Directors or the managing agent, or the manager, as the case may be, are acting only as agents for the Corporation and shall have no personal liability thereunder.

Operation of the Property

Section 1. Determination of Common Expenses and Fixing of Common Charges. The Board of Directors shall from time to time and at least annually, prepare a budget for the Condominium, determine the amount of the common charges payable by the unit owners to meet the common expenses of the Corporation, and allocate and assess such common charges among the unit owners according

148 - 850 111

to their respective common interests. The common expenses shall include, among other things, the cost of all insurance premiums on all policies of insurance to be or which have been obtained by the Board of Directors pursuant to the provisions of Section 2 of Article V. The common expenses may also include such amounts as the Board of Directors may deem proper for the operation and maintenance of the common areas and limited common areas of the Property, including, without limitation, an amount for working capital of the Corporation, for a general operating reserve, for a reserve fund for replacements, and to make any deficit in the common expenses for any prior year. The Board of Directors shall advise all unit owners promptly in writing of the amount of common charges payable by each of the unit owners, respectively, as determined by the Board of Directors, as aforesaid, and shall furnish copies of each budget on which such common charges are based, to all unit owners and to their mortgagees.

Section 2. Insurance. The Board of Directors shall be required to obtain and maintain, to the extent obtainable, the following insurance: (1) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring each Building (including all of the units and the bathroom and kitchen fixtures initially installed therein by the Sponsor, but not including any wall, ceiling, or floor decoration or coverings or other furniture or furnishings, fixtures or equipment installed by unit owners), together with all service machinery contained therein and covering the interest of the Condominium, the Corporation, the Board of Directors and all unit owners and their mortgagees, as their interest may appear, in an amount equal to the full replacement value of the Building, without deduction for depreciation; each of said policies shall contain a standard mortgagee clause in favor of each mortgagee of a unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Directors hereinafter set forth; (2) workmen's compensation insurance; and (3) such other insurance as the Board of Directors may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Directors and that the net proceeds thereof shall be payable to the Board of Directors.

The amount of fire insurance to be maintained until the first meeting of the Board of Directors following the annual meeting of the unit owners shall be in at least the sum of \$718,000.00.

All policies of physical damage insurance shall to the extent obtainable contain waivers of subrogation and waivers of any defense based on co-insurance or of invalidity arising from any acts of the insured, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days' prior written notice of all of the insureds, including all mortgagees of units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of units at least ten (10) days prior to expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Directors shall obtain a qualified appraisal of the full replacement value of the Building, including all of the units and all of the common areas and facilities therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this Section.

The Board of Directors shall also be required to obtain and maintain to the extent obtainable, public liability insurance in such limits as the Board of Directors may, from time to time, determine covering each member of the Board of Directors, the managing agent, the manager and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Directors shall review such limits once a year. Until the first meeting of the Board of Directors following the first annual meeting of the unit owners, such public liability insurance shall be in amount not less than \$1,000,000.00 for claims for bodily injury, and for property damage.

Unit owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Directors shall not be affected or diminished by reason of any such additional insurance carried by any unit owner.

Section 3. Repair or Reconstruction After Fire or Other Casualty. In the event of damage to or destruction of the Building(s) as a result of fire or other casualty (unless 66 2/3% or more of the

Building(s) are destroyed or substantially damaged and 75% or more of the unit owners determine in accordance with the Master Deed not to proceed with the repair or restoration), the Board of Directors shall arrange for the prompt repair or restoration of the Building(s) (including any damaged units, and any kitchen or bathroom fixtures initially installed therein by the Sponsor, but not including any wall, ceiling, or floor decorations or coverings or other furniture or furnishings, fixtures or equipment installed by unit owners in the units), and the Board of Directors shall disburse the proceeds of all insurance policies to the contractors engaged in such repair or restoration in appropriate progress payments. Any cost of such repair or restoration in excess of the insurance proceeds shall constitute a common expense and the Board of Directors may assess all the unit owners for such deficit as part of the common charges.

If 66 2/3% or more of the Building(s) are destroyed or substantially damaged and if within one hundred twenty (120) days of the date of such destruction or damage 75% or more of the unit owners determine not to proceed with repair and restoration, the Property shall be subject to an action for partition at the suit of any unit owner or lienor, as if owned in common, in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) shall be divided by the Board of Directors among all the unit owners in proportion to their respective common interest, after first paying out of the share of each unit owner the amount of any unpaid liens on his unit, in the order of priority of such liens.

Section 4. Payment of Common Charges. All unit owners shall be obligated to pay the common charges assessed by the Board of Directors pursuant to the provisions of Section 1 of this Article V at such time or times as the Board of Directors shall determine.

All unit owners shall pay their proportionate share of the assessments not to exceed the sum of \$40.00 per month unless increased upon the recommendation of the Board of Directors and accepted by three-fourths vote of the unit owners taken at an annual or special meeting of the membership.

No unit owner shall be liable for the payment of any part of the common charges assessed against his unit subsequent to a sale, transfer or other conveyance by him of such unit, together with the Appurtenant Interests, as defined in Section 1 of Article VII hereof. In addition, any unit owner may, subject to the terms and conditions specified in these By-Laws, and subject to acceptance by the Board of Directors, provided that his unit is free and clear of liens and encumbrances other than a permissible first mortgage and the statutory lien for unpaid common charges, convey his unit, together with the "Appurtenant Interests" to the Corporation, or its designee, corporate or otherwise, on behalf of all other unit owners. A purchaser of a unit shall be liable for the payment of common charges assessed against such unit prior to the acquisition by him of such unit, without prejudice to such purchaser's right, if any, to recover from the seller the amounts paid by the purchaser, except that a mortgagee or other purchaser of a unit at a foreclosure sale of such unit shall not be liable for and such unit shall not be subject to a lien for the payment of common charges assessed prior to the foreclosure sale.

Section 5. Collection of Assessments. The Board of Directors shall assess common charges against the unit owners from time to time, and shall take prompt action to collect charges due from any unit owner which remain unpaid for more than 30 days from the date due for payment thereof.

Section 6. Default in Payment of Common Charges. In the event of default by any unit owner in paying to the Board of Directors the common charges as determined by the Board of Directors, such unit owner shall be obligated to pay interest at the legal rate on such common charges from the due date thereof, together with all expenses, including attorneys' fees, incurred by the Board of Directors, in any proceeding brought to collect such unpaid common charges. All such unpaid common charges shall constitute a lien on such unit prior to all other liens except those specified in Section 76-817, Reissue, Revised Statutes of Nebraska. The Board of Directors shall have the right and duty to attempt to recover such common charges, together with interest thereon, and the expenses of the proceeding, including attorney fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit granted by Section 76-817, Reissue, Revised Statutes of

148-850 O

Nebraska.

Section 7. Foreclosure of Liens for Unpaid Common Charges. In any action brought by the Board of Directors to foreclose a lien on a unit because of unpaid common charges, the unit owner shall be required to pay a reasonable rental for the use of his unit, and the plaintiff in such foreclosure action shall be entitled to the appointment of a receiver to collect the same. The Board of Directors, acting on behalf of all unit owners, shall have power to purchase such unit at the foreclosure sale, and to acquire, hold, lease, mortgage, vote the votes appurtenant to, convey or otherwise deal with the same. A suit to recover a money judgment for unpaid common charges shall be maintainable without foreclosing or waiving the lien securing the same.

Section 8. Statement of Common Charges. The Board of Directors shall promptly provide any unit owner so requesting the same in writing, with a written statement of all unpaid common charges due from such unit owner.

Section 9. Abatement and Enjoining of Violations by Unit Owners. The violation of any rule or regulation adopted by the Board of Directors or the breach of any of these By-Laws contained herein, or the breach of any provisions of the Master Deed, shall give the Board of Directors the right, in addition to any other rights set forth in these By-Laws: (a) to enter into the unit in which, or as to which, such violation or breach exists and to summarily abate and remove, at the expense of the defaulting unit owner, any structure, thing or condition that may exist therein contrary to the intent and meaning of the provisions hereof, and the Board of Directors shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any such breach, or (c) to deny partially or wholly access to, benefit from, or use of all or any facilities, functions, or services, or suspend, partly or wholly of all or any rights or privileges of membership or any other disciplinary action directed by the Board of Directors.

Section 10. Maintenance and Repair.

- (a) Subject to the terms of the Master Deed, all maintenance of and repairs to any unit, structural or non-structural, ordinary or extraordinary (other than maintenance of and repairs to any common area, limited common area, and facilities contained therein, except as provided in Section 10(c) hereof, and not necessitated by the negligence, misuse or neglect of the owner of such unit) shall be made by the owner of such unit. Each unit owner shall be responsible for all damages to any and all other units and/or to the common areas and facilities, that his failure so to do may engender.
- (b) All maintenance, including lawn maintenance and snow removal, repairs and replacements to the common areas and facilities, and to the limited common areas and facilities, whether located inside or outside of the units, shall be made by the Association and be charged to all the unit owners as a common expense, unless such maintenance, repair, or replacement is necessitated by the negligence, misuse or neglect of a unit owner, in which case, such expense shall be charged to such unit owner.
- (c) All unit owners shall have the right to make improvements in the limited common areas pertaining to their unit at their sole cost and expense. The maintenance and repair of said improvements shall be at the unit owner's expense. In the event said improvements are not kept in good repair, the Board of Directors may cause such repairs to be made as are necessary, and charge same to the unit owner. Any such charges shall become a lien on said unit, and be subject to the provisions of Article V, Section 6 hereof.

Section 11. Restriction on Use of Units. In order to provide for congenial occupancy of the Property and for the protection of the value of the units, the use of the property shall be restricted

148-8504

to and shall be in accordance with the following provisions:

- (a) The units shall be used for residences only by the owner or owners thereof, their families, guests, invitees, lessees, and licensees.
- (b) The common areas and facilities, including the limited common areas and facilities, shall be used only for the furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of the units.
- (c) No nuisances shall be allowed on the Property nor shall any use or practice be allowed which is a source of annoyance to its residents or which interferes with the peaceful possession or proper use of the Property by its residents.
- (d) No improper, offensive or unlawful use shall be made of the Property or any part thereof, and all valid laws, zoning laws and regulations of all governmental bodies having jurisdiction thereof shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction thereof, relating to any portion of the Property shall be corrected, by and at the sole expense of the unit owners or the Board of Directors, whichever shall have the obligation to maintain or repair such portion of the Property.

Section 12. Additions, Alterations or Improvements by Board of Directors. Whenever in the judgment of the Board of Directors the common areas and facilities shall require additions, alterations or improvements costing in excess of \$500.00 and the making of such additions, alterations or improvements shall have been approved by the vote of at least two-thirds (2/3) in number and in common interest of the unit owners and by those mortgagees holding mortgages constituting first liens upon six (6) or more units (provided that such approval by said mortgagees shall not be deemed to be an agreement by said mortgagees to subordinate such mortgages to any liens arising in connection with such additions, alterations or improvements), the Board of Directors shall proceed with such additions, alterations or improvements and shall assess all unit owners for the cost thereof, as a common charge. Any additions, alterations or improvements costing \$500.00 or less may be made by the Board of Directors without approval of unit owners or any mortgagees of units and the cost thereof shall constitute part of the common expenses.

Section 13. Additions, Alterations or Improvements by Unit Owners. No unit owner shall make any structural addition, alteration or improvement in or to his unit, or the limited common areas pertaining thereto, including any exterior painting or exterior alteration or addition (including awnings, grills, etc.) without the prior written consent thereto of the Board of Directors. The Board of Directors shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Directors to the proposed addition, alteration or improvement. In addition, any such additions, alterations or improvements made prior to the 15th day of May, 1974, must have the written approval of Continental Western Corporation, which approval, however, will not be unreasonably withheld. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any unit shall be executed by the Board of Directors only, without, however, incurring any liability on the part of the Board of Directors or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom. The provisions of this Section 13 shall not apply to units owned by the Sponsor until such units shall have been initially sold by the Sponsor and paid for.

Section 14. Right of Access. A unit owner shall grant a right of access to his unit to the manager and/or managing agent and/or any other person authorized by the Board of Directors, the manager or the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his unit and threatening another unit or a common area or facility, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical

In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

Section 15. Rules of Conduct. Rules and regulations concerning the use of the units and the common areas and facilities, including the limited common areas and facilities, may be promulgated and amended by the Board of Directors with the approval of a majority of the unit owners. Copies of such rules and regulations shall be furnished by the Board of Directors to each unit owner prior to the time when the same shall become effective. Gas shall be supplied by the public utility company serving the area directly to each unit through a separate meter and each unit owner shall be required to pay the bills for gas consumed or used in his unit. The gas serving the common areas and facilities shall be separately metered, and the Board of Directors shall pay all bills for gas consumed in such portions of the common areas and facilities as a common expense.

Section 17. Electricity. Electricity shall be supplied by the public utility company serving the area directly to each unit through a separate meter and each unit owner shall be required to pay the bills for electricity consumed or used in his unit. Water shall be supplied by Sanitary and Improvement District No. 23 of Sarpy County, Nebraska, to a meter serving Units A and B of each building and to a meter serving Units C and D of each building. Payment for water usage will be included as a part of the monthly common charges due from each unit owner and shall be equally divided among all unit owners. Water as needed for use in the common areas may be drawn from outside spigots of any building.

Sewer use fees to Sanitary and Improvement District No. 23 shall be a flat rate assessed equally to each unit.

Section 1. No Severance of Ownership. No unit owner shall execute any deed, mortgage or other instrument conveying or mortgaging title to his unit without including therein the Appurtenant Interests, it being the intention hereof to prevent any severance of such combined ownership. For the purpose of these By-Laws, the "Appurtenant Interests" shall mean, collectively, (i) the unit owner's undivided interest in the common areas, limited common areas, and facilities appurtenant to such unit; (ii) the interest of such unit owner in any units theretofore acquired by the Board of Directors or its designee on behalf of all unit owners, or the proceeds of the sale or lease thereof, if any; and (iii) the interest of such unit owner in any other assets of the Condominium. Parcel No. 5

Lots 8, 9, 10, 11, 12 and 13, Block 7, in Westmont, a subdivision in Sarpy County, Nebraska.

5. Name of Condominium. This condominium shall be known as "The Westmont Condominium Property Regime."

6. Definitions. The definitions set forth in Section 76-802, of the Condominium Act shall govern this Master Deed and the attached By-Laws, unless the context otherwise requires. Apartment as defined in said statute is hereinafter referred to as unit.

7. Area of Land. The land which consists of Lots 1 and 2 of Block 7, Lots 1, 2, 5 and 6, of Block 8, and Lot 1 of Replat Lot 1 of Block 9, all in Westmont, a subdivision in Sarpy County, Nebraska, has an area of approximately 195,592 square feet.

8. Buildings. The condominium regime consists of twelve (12) buildings. Each building is a two-story fourplex. The buildings contain a total forty-eight (48) units. The total ground floor area of each of the buildings is 3,109 square feet. The total ground floor area of all of the buildings aggregates 37,308 square feet.

9. Units. Annexed hereto and made a part hereof as Exhibit "A" is a list of all the units in the buildings and their unit designations, approximate area, number of bedrooms, limited common elements to which each has exclusive use (all as shown on the floor plans of such buildings, certified by Architectural Research & Engineering Company, architects, attached to the Master Deed and Declaration of Westmont Condominium Property Regime No. 1 and of Westmont Condominium Property Regime No. 2, both filed in the office of the Registrar of Deeds of Sarpy County, Nebraska, Papillion, Nebraska, on the 16th day of April, 1973.

10. Ownership of Condominium Units. Each condominium unit shall be conveyed and treated as an individual property capable of independent use and fee absolute ownership, and the owner or

owners of each condominium unit shall own, as an appurtenance to the ownership of each condominium unit, an undivided interest in the common elements and have exclusive easement to use certain of the limited common elements and the undivided interest appurtenant being that which is hereinafter specifically assigned thereto. The percentage of undivided interest in the common elements assigned to each condominium unit shall not be changed without the unanimous consent of the owners of all of the condominium units.

11. Dimensions of Units. Each unit consists of the area measured horizontally from the unit side of the exterior structural wall of the building to the unit side of the structural wall and/or partitions; and in the case of carports, from the unit side of the structural column or posts. Vertically each unit consists of the space between the surface of the concrete floor of the lower level and the plane of the lowest structure of the roof; and in the case of garages and carport areas, from the surface of the concrete floor to the plane of the lowest structure of the roof.

12. Use of Units. Each of the units is restricted to residential use only.

13. Common Elements. Common elements being the general common elements and the limited common elements as defined in Section 14 below shall consist of the entire property including all parts of the building other than the units, and including, without limitation, the following:

- (a) The land on which the building is erected;

- (c) All exterior walls of the building; all walls and partitions separating units from other common elements; all walls and partitions separating units;
- (d) The ground and all landscaping, roads and walkways, exterior lighting, recreational facilities, and driveways and parking areas;
- (e) All other parts of the property and all apparatus and installations existing in the building or on the property for common use or necessary or convenient to the existence, maintenance or safety of the property.

Air conditioning compressors or units are not common elements but are part of each unit and shall be maintained and replaced as needed by each owner. Each unit owner shall be responsible for the repair, maintenance and replacement of all exterior windows and doors, including garage doors; it being understood that the only common area maintenance of exterior windows and doors shall be the painting or finishing for the exterior surface thereof. If any unit owner fails to repair, maintain or replace the exterior of his unit as required in this Master Deed and in the By-Laws described below, the Association may perform such work, invoice the owner therefor, and secure and enforce a lien therefor against the owner and his unit in like manner as a delinquent assessment for common expense.

14. Limited Common Elements. "Limited Common Elements," as used herein, means those common elements designed in Exhibit A attached hereto and made a part hereof, reserved for the use of certain units to the exclusion of the other units.

15. Determination of Percentages in Common Elements. The percentages of interest of the respective units in the common elements (hereinafter sometimes called the "common interests") have been determined upon the basis of the proportion which the value of each unit bears to the value of the property, and such values and percentages are set forth in Exhibit A attached hereto and made a part hereof.

16. Encroachments. In the event Section 76-810(2) of the Condominium Act is not applicable, then if any portion of the common elements encroaches upon any unit, or if any unit now encroaches upon any other unit, or upon any portion of the common elements, as a result of the construction of the building, or if any such encroachment shall occur hereafter as a result of settling or shifting of the building, a valid easement for the encroachment and for the maintenance of the same so long as the building stands, shall exist. In the event the building, the unit, any adjoining unit, or any adjoining common element shall be partially or totally destroyed as a result of fire or other casualty or as a result of condemnation or eminent domain proceedings, and then rebuilt, encroachments of parts of the common elements upon any unit or of any unit upon any other unit or upon any portion of the common elements due to such rebuilding, shall be permitted, and valid easements for such encroachments and the maintenance thereof shall exist so long as the building shall stand.

17. Pipes, Ducts, Cables, Wires, Conduits, Public Utility Lines and Other Common Facilities Located Inside of Units. Each unit owner shall have an easement in common with the owners of all other units to use all pipes, wires, ducts, cables, conduits, public utility lines and other common facilities located in any of the other units and serving his unit. Each unit shall be subject to an easement in favor of the owners of all other units to use the pipes, ducts, cables, wires, conduits, public utility lines and other common facilities serving such other units and located in such unit.

18. Power of Attorney to Board of Directors. Each unit owner shall grant to the persons who shall from time to time constitute the Board of Directors, an irrevocable power of attorney, coupled with an interest, to acquire title to or lease any unit whose owner desires to surrender the same, or to sell or lease the same to the Board of Directors, or which may be the subject of foreclosure or other judicial sale, in the name of the Board of Directors or its designee, corporate or otherwise, on behalf of all unit owners, and to convey, sell, lease, mortgage, vote the votes appurtenant thereto or otherwise deal with any such unit so acquired or to sublease any unit so leased to the Board of Directors.

19. Person to Receive Service. Mr. David J. Cullan, Suite 220 U.S. National Bank-Regency, 10010 Regency Circle, Omaha, Nebraska, is hereby designated to receive notice of process in any action which may be brought against the Condominium.

20. Units Subject to Master Deed, By-Laws and Rules and Regulations. All present and future owners, tenants and occupants of units shall be subject to, and shall comply with the provisions of this Master Deed, the By-Laws, and Rules and Regulations, as they may be amended from time to time. The acceptance of a deed or conveyance or the entering into of a lease or the entering into occupancy of any unit shall constitute an agreement that the provisions of this Master Deed, the By-Laws and the Rules and Regulations as they may be

amended from time to time, are accepted and ratified by such owner, tenant or occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such unit, as though such provisions were recited and stipulated at length in each and every deed or conveyance or lease thereof. No person, irrespective of the nature of his interest, shall bring any action or proceeding for partition or division of the property or any part thereof except as may be specifically permitted by the provisions of the Condominium Act, by the provisions hereof or by the By-Laws.

21. Amendment of Master Deed. This Master Deed may be amended only by the unanimous consent of all unit owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws; provided, however, that any such amendment shall have been approved in writing by all mortgagees.

No amendment shall be effective until recorded in the Office of the Register of Deeds, Sarpy County, Papillion, Nebraska.

22. Reconstruction or Repair of Casualty Damage. In the event that two-thirds (2/3) or more of the total number of units are substantially damaged or destroyed, a decision not to reconstruct or repair such damage or destruction may be made within one hundred twenty (120) days of the date of such damage or destruction by the vote of at least seventy-five (75%) percent in number and in common interest of all unit owners, cast in person or by proxy at a meeting duly held in accordance with the provisions of the By-Laws. If less than two-thirds (2/3) of the total number of units are damaged or destroyed, it shall be mandatory that such damage be repaired and restored. All reconstruction and repairs must be made according to substantially the same plans, specifications, design and total cubic area, pursuant to which the building was initially constructed.

23. By-Laws, Rules and Regulations. Annexed hereto as Exhibits B and C respectively, are true copies of the By-Laws and Rules and Regulations governing the administration of the property. No modification of or amendment to the By-Laws shall be valid unless adopted in accordance with the provisions thereof and such modification or amendment is duly recorded.

24. Invalidity. The invalidity of any provision of this Master Deed shall not be deemed to impair or affect in any manner the validity, enforceability or effect of the remainder of this Master Deed and, in such event, all of the other provisions of this Master Deed shall continue in full force and effect as if such invalid provision had never been included herein.

25. Waiver. No provision contained in this Master Deed shall be deemed to have been abrogated or waived by reason of any failure to enforce the same, irrespective of the number of violations or breaches which may occur.

26. Captions. The captions herein are inserted only as a matter of convenience and for reference, and in no way define, limit or describe the scope of this Master Deed nor the intent of any provision hereof.

27. Gender. The use of the masculine gender in this Master Deed shall be deemed to refer to the feminine gender and the use of the singular shall be deemed to refer to the plural, and vice versa, whenever the context so requires.

All such unpaid common charges and assessments shall constitute a lien on such unit prior to all other liens except those specified in Section 76-817 of the Condominium Act. The Board of Directors shall have the right and duty to attempt to recover such common charges and assessments together with interest thereon, and the expenses of the proceeding, including attorney fees, in an action to recover the same brought against such unit owner, or by foreclosure of the lien on such unit granted by Section 76-817 of the Condominium Act.

Each unit owner shall be responsible for all damage to any and all other units and/or to the common areas and facilities, that his failure so to do may engender.
- (b) All maintenance, including lawn maintenance and snow removal, repairs and replacements to the common areas and facilities, and to the limited common areas and facilities, whether located inside or outside of the units, shall be made by the Association and be charged to all the unit owners as a common expense, unless such maintenance, repair, or replacement is necessitated by the negligence, misuse or neglect of a unit owner, in which case, such expense shall be charged to such unit owner.
- (c) All unit owners shall have the right to make improvements in the limited common areas pertaining to their unit at their sole cost and expense. The maintenance and repair of said improvements shall be at the unit owner's expense. Any such charges shall become a lien on said unit, and be subject to the provisions of Article V, Section 6 hereof.

Section 11. Restriction on Use of Units. In order to provide for congenial occupancy of the Property and for the protection of the value of the units, the use of the property shall be restricted to and shall be in accordance with the following provisions:

The Board of Directors shall have the obligation to answer any written request by a unit owner for approval of a proposed structural addition, alteration or improvement in such owner's unit, within thirty (30) days after such request, and failure to do so within the stipulated time shall constitute a consent by the Board of Directors to the proposed addition, alteration or improvement. Any application to any governmental authority for a permit to make an addition, alteration or improvement in or to any unit shall be executed by the Board of Directors only, without, however, incurring any liability on the part of the Board of Directors or any of them to any contractor, subcontractor or materialman on account of such addition, alteration or improvement, or to any person having any claim for injury to person or damage to property arising therefrom.

Section 13. Right of Access. A unit owner shall grant a right of access to his unit to the manager and/or managing agent and/or any other person authorized by the Board of Directors, the manager or the managing agent, for the purpose of making inspections or for the purpose of correcting any condition originating in his unit and threatening another unit or a common area or facility, or for the purpose of performing installations, alterations or repairs to the mechanical or electrical services or other common areas or facilities in his unit or elsewhere in the Building, provided that requests for entry are made in advance and that any such entry is at a time reasonably convenient to the unit owner. In case of an emergency, such right of entry shall be immediate, whether the unit owner is present at the time or not.

AMENDMENTS TO THE BY-LAWS OF
WESTMONT CONDOMINIUM PROPERTY REGIME, INC.

The By-Laws of the Westmont Condominium Property Regime, Inc., as recorded in the Office of the Register of Deeds of Sarpy County, Nebraska, are amended as follows:

ARTICLE I
SECTION 1

The following are the By-Laws of the Westmont Condominium Property Regime, Inc., a Nebraska non-profit corporation, whose registered agent is Steffi A. Swanson, and its registered office is located at 1308 Galvin Road South, Bellevue, Nebraska 68005, Sarpy County, Nebraska.

ARTICLE I
SECTION 6

The office of the Condominium and of the Corporation shall be located at 13232 Glenn Street, Omaha, Nebraska.

ARTICLE V
SECTION 2

The Board of Directors shall be required to obtain and maintain, to the extent obtainable, the following insurance: (1) fire insurance with extended coverage, vandalism and malicious mischief endorsements, insuring each Building (including all of the units, but not including any wall, ceiling, or floor decorations or coverings including drywall or other furniture or furnishings, fixtures, or equipment whether installed by unit owners or not), together with all service machinery contained therein and covering the interest of the Condominium, the Corporation, the Board of Directors and all unit owners and their mortgagee, as their interest may appear, in the amount equal to the full replacement value of the Building, without deduction for depreciation; each of said policies shall contain a standard mortgagee clause in favor of each mortgagee of a unit which shall provide that the loss, if any, thereunder shall be payable to such mortgagee as its interest may appear, subject, however, to the loss payment provisions in favor of the Board of Directors hereinafter set forth; (2) workmen's compensation insurance; and (3) such other insurance as the Board of Directors may determine. All such policies shall provide that adjustment of loss shall be made by the Board of Directors and that the net proceeds thereof shall be payable to the Board of Directors.

All policies of physical damage insurance shall to the extent obtainable contain waivers of subrogation and waivers of any defense based on co-insurance or of invalidity arising from any actions of the insured, and shall provide that such policies may not be cancelled or substantially modified without at least ten (10) days prior written notice of all the insured, including all mortgagees of units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgages of units at least ten (10) days prior to expiration of the then current policies. Prior to obtaining any policy of fire insurance or any renewal thereof, the Board of Directors shall obtain a qualified appraisal of the full replacement value of the Building, including all of the units and all of the common areas and facilities therein, without deduction for depreciation, for the purpose of determining the amount of fire insurance to be effected pursuant to this Section.

The Board of Directors shall also be required to obtain and maintain to the extent obtainable, public liability insurance in such limits as the Board of Directors may, from time to time, determine

covering each member of the Board of Directors, the managing agent, the manager and each unit owner. Such public liability coverage shall also cover cross liability claims of one insured against another. The Board of Directors shall review such limits once a year. Such public liability insurance shall be in an amount not less than \$1,000,000.00 for claims for bodily injury, and for property damage.

Unit owners shall not be prohibited from carrying other insurance for their own benefit provided that all such policies shall contain waivers of subrogation and further provided that the liability of the carriers issuing insurance obtained by the Board of Directors shall not be affected or diminished by reason of any such additional insurance carriers by any unit owner.

ARTICLE V
SECTION 3

In the event of damage to or destruction of the Building(s) as a result of fire or other casualty (unless 66 2/3% or more of the Building(s) are destroyed or substantially damaged and 75% or more of the unit owners determine in accordance with the Master Deed not to proceed with the repair or restoration). The Board of Directors shall arrange for the prompt repair or restoration of the Building(s) (including any damaged unit, but not including any wall, ceiling, or floor decorations or coverings, including drywall or other furniture or furnishings, fixtures or equipment installed by unit owners in the units), and the Board of Directors shall disburse the proceeds of all insurance policies to the contractors engaged in such repair or restoration in appropriate progress payments. Any cost of such repair or restoration in excess of the insurance proceeds shall constitute a common expense and the Board of Directors may assess all the unit owners for such deficit as part of the common charges.

If 66 2/3% or more of the Building(s) are destroyed or substantially damaged and if within one hundred twenty (120) days of the date of such destruction or damage 75% or more of the unit owners determine not to proceed with repair and restoration, the Property shall be subject to an action for partition at the suit of any unit owner or lienor, as if owned in common, in which event the net proceeds of sale, together with the net proceeds of insurance policies (or if there shall have been a repair or restoration pursuant to the first paragraph of this Section 3, and the amount of insurance proceeds shall have exceeded the cost of such repair or restoration, then the excess of such insurance proceeds) shall be divided by the Board of Directors among all the unit owners in proportion to their respective common interest, after first paying out of the share of each unit owner the amount of any unpaid liens on his unit, in the order of priority of such liens.

ARTICLE V
SECTION 11

Restriction on Use of Units. In order to provide for congenial occupancy of the property and for the protection of the value of units, the use of the property shall be restricted to and shall be in accordance with the following provisions:

- (a) The units shall be used for single family residences only by the owner or owners thereof. The use of the residences by lessees shall be set forth in Article V, Section 11 (e).
