become a lien as of the date of the annual assessment. Written notice of the annual assessment shall be sent to every Owner subject thereto immediately following the assessment date. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

If the assessment installment is not paid within thirty (30) days after the due date, the assessment installment shall bear interest from the due date at the rate of nine per cent (9%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in proceedings in the nature of a mechanics lien foreclosure. In either a personal or foreclosure action, the Association shall be entitled to recover as a part of the action, the interest, costs and reasonable attorney's fees with respect to the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. The mortgagee of the subject property shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure to the mortgagee.

Section 9. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) all Properties dedicated to and accepted by a local public authority;
- (b) the Common Area; and

Section 3. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 4. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 5. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 6. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, the Association, acting through its Board of Directors, shall arbitrate such dispute. Three directors appointed by the President, none of whom shall be a party to the dispute, shall act as a Board of Arbitration, and the decision shall be by a majority vote of the Board of Arbitration after an arbitration proceeding. No legal action with respect to a party wall dispute shall be commenced or maintained unless and until the provisions of the arbitrators have been met. The appointment of arbitrators hereunder shall be made within twenty (20) days after notice by one party to the other party and to the Association that a dispute exists.

ARTICLE VII

(c) the right of the Association to dedicate or transfer all or any part of the Common Area to any public agency or non-profit corporation for use for purposes similar to those for which Association was created, and to any public authority or utility company for such purposes and subject to such conditions as may be agreed to by the Owners and by persons holding mortgages on any portion of the subject property. No such dedication or transfer shall be effective unless an instrument signed by Owners entitled to cast two-thirds (2/3) of the votes of the Class A membership and two-thirds (2/3) of the Class B membership, if any, has been recorded, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every Owner not less than 30 days or more than 60 days in advance. Declarant shall have the right at any time to use so much of the Common Area as it may deem necessary or advisable for the purpose of aiding in the construction and development of the unimproved lots, except that such use may not interfere with the homeowner's use and reasonable access to the recreation facilities constructed on the Common Area nor with their right of ingress and egress to their homes;

(d) the right of the Association to limit the number of guests of Owners on recreational facilities;

(e) the right of the Association, in accordance with its Articles and By-Laws, to borrow money for the purpose of improving the Common Area and facilities.

Section 2. Delegation of Use. Any owner may delegate, in accordance with the By-Laws and rules and regulations established

shall have more than one membership for each Lot owned. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment by the Association. Ownership of such Lot shall be the sole qualification for membership. Membership in the Association shall also include the owners of Lots in any subdivision, as surveyed, platted and recorded, other than Glenbrook, or the owners of any part, parcel or portion of such platted lots upon which a dwelling unit is or shall be constructed, over which the Association shall have or be given jurisdiction by Declarant.

ARTICLE IV

VOTING RIGHTS

The Association shall have two classes of voting membership:

Class A. Class A members shall be all Owners with the exception of the Declarant and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members. The vote for such lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Declarant and each Declarant shall be entitled to three (3) votes for each Lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (a) when the total votes outstanding in the Class A membership equal the total votes outstanding in the Class B membership, or
- (b) on December 31, 1980.

ARTICLE V

COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided.

fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the following purposes:

(a) To promote the recreation, health, safety, and welfare of the residents in the Properties;

(b) For the improvement, maintenance and insurance of the Common Area and recreational facilities situated thereon or any other recreational facilities made available by the Association for the use and enjoyment of its members, and the payment of any taxes and assessments levied or assessed against such Common Area by any governmental body or entity having lawful jurisdiction to do so.

(c) For maintenance and repair, including snow removal, on all non-dedicated vehicular trafficways and pedestrian walkways in the Common Area; for maintenance of street signs on same; and for maintenance and repair of all street lights or other lights in said Common Area and non-dedicated pedestrian and vehicular trafficways or easements.

(d) For maintenance and repair of all master water, gas and sewer lines in non-dedicated vehicular trafficways.

Section 3.

(a) Regular Annual Assessments. Before each fiscal year, the Board of Directors of the Association shall adopt and fix in reasonably itemized detail an annual Budget of the Working Fund for the then anticipated fiscal affairs and general operations of the Association for that year, and shall levy and collect monthly assessments from each Lot on the Properties which, considering the revenue derived from Regular Annual Assessments on Unimproved Lots and other sources of income, if any, shall be sufficient to fund the budget for said fiscal year. The regular assessment with respect to all Improved Lots shall be uniform in amount. In recognition of the fact that a substantial portion of the budget for the Working Fund for maintenance will be attributable to upkeep, maintenance, and security upon Improved Lots and Common Area used only by Improved Lots, as opposed to Unimproved Lots, the Regular

annual assessment may be increased by not more than the greater of either (1) 5%, or (2) the percentage rise in the Consumer Price Index (published by the department of Labor, Washington, D.C.) for the preceding October over the prior year's October, without a vote of the membership. From and after January 1, 1975, the annual assessment may be increased above said percentage by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, and of the clubhouse, swimming pool and related facilities over which the Association has jurisdiction, located in said Woodgate, a subdivision, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. Unimproved lots shall be assessed 25 percent of the amount assessed against improved lots under this section.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be delivered either personally or by mail to all members not less than ten days nor more than fifty days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty days following the preceding meeting.

Section 6. Date of Commencement of Annual Assessments; Due Dates. The regular annual assessments provided for herein shall commence as to all Unimproved Lots on the first day of the month following the conveyance of the Common Area. The regular annual assessments provided herein as to all Improved Lots shall commence the first day of the month following the month during which the construction of a dwelling on said lot shall become at least eighty percent (80%) completed according to the plans and specifications for construction of said dwelling. As provided in the By-Laws, the first regular annual assessment shall be adjusted

Section 7. Effect of Nonpayment of Assessments - Remedies of the Association. Any assessment installment which is not paid when due shall be delinquent. If the assessment installment is not paid within thirty (30) days after the due date, the assessment installment shall bear interest from the due date at the rate of six per cent (6%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in proceedings in the nature of a mechanics lien foreclosure. In either a personal or foreclosure action, the Association shall be entitled to recover as a part of the action, the interest, costs and reasonable attorney's fees with respect to the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot. The mortgagee of the subject property shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure to the mortgagee.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. The following property subject to this Declaration shall be exempt from the assessments created herein:

- (a) all Properties dedicated to and accepted by a local public authority;
- (b) the Common Area.

ARTICLE VI

Section 3. Sharing of Repair and Maintenance. The cost of reasonable repair and maintenance of a party wall shall be shared by the Owners who make use of the wall in proportion to such use.

Section 4. Destruction by Fire or Other Casualty. If a party wall is destroyed or damaged by fire or other casualty, any Owner who has used the wall may restore it, and if the other Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, however, to the right of any such Owners to call for a larger contribution from the others under any rule of law regarding liability for negligent or willful acts or omissions.

Section 5. Weatherproofing. Notwithstanding any other provision of this Article, an Owner who by his negligent or willful act causes the party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 6. Right to Contribution Runs with Land. The right of any Owner to Contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, the Association, acting through its Board of Directors, shall arbitrate such dispute. Three directors appointed by the President, none of whom shall be a party to the dispute, shall act as a Board of Arbitration, and the decision shall be by a majority vote of the Board of Arbitration after an arbitration proceeding. No legal action with respect to a party wall dispute shall be commenced or maintained unless and until the provisions of the arbitrators have been met. The appointment of arbitrators hereunder shall be made within twenty (20) days after notice by one party to the other party and to the Association that a dispute exists.

All subsequent purchasers shall take title subject to said lien and shall be bound to inquire of the Association as to the amount of any unpaid assessments. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The Budget and assessments shall be approved and ratified by the directors at the annual meeting prior to any other business to be undertaken at said annual meeting.

(b) Maximum Regular Annual Assessment. Until January 1, 1975, the maximum annual assessment shall be Fifteen Dollars (\$15.00) per Lot per month. From and after January 1, 1975, the annual assessment may be increased above said percentage by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, and of the clubhouse, swimming pool and related facilities over which the Association has jurisdiction, located in said Woodgate, a subdivision, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. following the conveyance of the Common Area. The regular annual assessments provided herein as to all Improved Lots shall commence on the first day of the month following the month during which the construction of a dwelling on said lot shall become at least eighty percent (80%) completed according to the plans and specifications for construction of said dwelling. As provided in the By-Laws, the first regular annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certification signed by an officer of the Association setting forth whether the assessments on a specific Lot have been paid.

Section 7. Effect of Nonpayment of Assessments - Remedies of the Association. Any assessment installment which is not paid when due shall be delinquent. If the assessment installment is not paid within thirty (30) days after the due date, the assessment installment shall bear interest from the due date at the rate of six percent (6%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property in proceedings in accordance with law. In either a personal or foreclosure action, the Association shall be entitled to recover as a part of the action, the interest, costs and reasonable attorney's fees with respect to the action. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his lot. The mortgagee of the subject property shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to each mortgagee all of its rights with respect to such lien and right of foreclosure to the mortgagee.

Section 8. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. However, the sale or transfer of any lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 9. Exempt Property. The following property subject

the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said parcel and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements erected thereon. Section 2. General Rules of Law to Apply. The decisions of the Board or its said committee shall be final.

Neither the undersigned nor any architect or agent of the undersigned nor any member of the Board or its said committee by virtue of his membership thereon, or discharge of his duties required thereby, shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in
