

PROTECTIVE COVENANTS

The undersigned, PIEDMONT LIMITED, a Nebraska limited partnership (hereinafter referred to as "Developer"), being the owners of lots thirty-four (34) through seventy-five (75), inclusive, in PIEDMONT, a subdivision, surveyed, platted and recorded in Douglas County, Nebraska, located in the Southwest Quarter (SW 1/4) of Section twenty-three (23), Township fifteen (15) North, Range eleven (11) East of the 6th P.M., in Douglas County, Nebraska, do hereby create, adopt, declare and establish the following restrictions upon the following described properties: lots thirty-four (34) through seventy-five (75), inclusive, in Piedmont, a subdivision in Douglas County, Nebraska, surveyed, platted and recorded.

1. Permitted Uses. No lot shall be used except for residential purposes, schools or churches. No buildings shall be erected, altered, placed or permitted to remain on any lot other than one detached single-family dwelling not to exceed two and one-half stories in height and a private garage for not more than three automobiles. No obnoxious or offensive activity shall be carried on upon any lot, nor shall anything be done thereon which may be or become an annoyance. None of the lots shall be used for any immoral or illegal purposes.

2. Setbacks and Sideyards. All setbacks, sideyards and rear yard requirements shall conform to applicable laws and ordinances.

3. Temporary Structures. No structure of a temporary character, trailer, basement, tent, shack, garage, barn or other outbuildings shall be used on any lot at any time as a residence, either temporary or permanent.

4. Animals. No animals, livestock or poultry of any kind shall be raised, bred or kept on any lot except dogs, cats or other household pets, provided that they are not kept, bred or maintained for any commercial purposes.

5. Fences. Fences shall not be located on any lot nearer to the street than the structure located on said lot, except for architectural fences approved by the Developer.

6. Area. All residential structures shall conform to the following area and related requirements:

(a) A one-story residence with attached garage shall contain not less than 1,200 square feet of finished floor space on the main living level.

(b) A multi-level residence shall be subject to approval under the provisions of paragraph sixteen (16) hereof.

(c) A one and one-half or two-story residence with attached garage shall contain:

1. Not less than 900 square feet of finished space on the main floor, and

2. A total finished floor area of not less than 1,500 square feet.
7. Garages. No dwelling shall be erected without an enclosed attached garage which shall provide a minimum of 400 square feet of enclosed area, and a maximum of 840 square feet of enclosed area.
8. Weeds. The title holder of each lot vacant or improved shall keep his lot or lots free from weeds and debris.
9. Moved Dwellings. Dwellings constructed in any other addition or location shall not be moved to any lot within this addition.
10. Sidewalks. Portland Cement Concrete public sidewalks four feet wide by four inches thick shall be constructed in front of each building lot and along the street side of each corner lot. The sidewalks shall be placed four feet back of the street curb line.
11. Conform to Zoning. All structures, including driveways, sidewalks and patios placed upon the above property, shall conform to the zoning requirements of the City of Omaha and the building code requirements of the City of Omaha.
12. Removal of Debris. Upon completion of the construction of any dwelling house or building on the above lots, the construction debris must be removed from the area of Piedmont Addition. No owner or occupant of any dwelling house within Piedmont Addition shall place, burn or dispose

of any trash, refuse, paper or other items on any lots in Piedmont Addition.

13. Boats and Trailers. No boat, camper, trailer or similar chattel will be maintained on any lot, other than in an enclosed structure, for more than seven days within any calendar year; and no automobile, motorcycle, truck or other vehicle will be repaired, torn down or stored on any lot, other than in an enclosed structure.

14. Outside Antennae Prohibited. No outside radio, television, Ham broadcasting or other electronic antenna or aerial shall be erected or placed on any structure or on any lot. If used, any such antenna or aerial shall be placed in the attic of the house, or in any other place in the house where it will be concealed from public view from any side of the house.

15. Exposed Foundation. The exposed portion of the foundation on the front of the dwelling shall be faced with either brick or stone. If the lot has frontage on more than one street, the above provision shall apply only to that side constituting the front of the house.

16. Written Approval from Developer. No structure of any kind, including fences, dog-runs and kennels, shall be erected, allowed or placed on any lot in this subdivision until written approval thereof has been obtained from the Developer. All structures shall be designed and used in conformity with existing structures, topography and lot grades and in harmony with existing structures. Further,

all retaining walls, including location, type of wall, height and materials, shall not be constructed on any lot in this subdivision until written approval thereof has been obtained from the Developer.

17. Power and Telephone Easements. A perpetual license and easement is hereby reserved in favor of and granted to Omaha Public Power District and Northwestern Bell Telephone Company, their successors and assigns, to erect, operate, maintain, repair and renew underground conduit and wires for the carrying and transmission of electric current for light, heat and power, and for all telephone, telegraph and message service over and upon and below a five foot strip of land adjoining the rear and side boundary lines of said lots in said addition; said license is granted for the use and benefit of all present and future owners of lots in said addition; provided, however, that said side lot line easement is granted upon the specific condition that if both of said utility companies fail to construct underground conduit and wires along any of said side lot lines within forty-eight (48) months of the date hereof, or if any underground conduits and wires are constructed but are thereafter removed without replacement within sixty (60) days after their removal, such side lot easement shall automatically terminate as to such unused or abandoned easement ways.

18. Remedy on Violation. If the parties hereto or any of their heirs, successors or assigns shall violate

or attempt to violate any of the covenants or restrictions herein, it shall be lawful for any person or persons owning any other lots in said development or subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant or restriction, and either to prevent him or them from so doing or to recover damages for such violation.

19. Severability. Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

20. Binding on Successors. The covenants and restrictions herein contained shall run with the land, and shall be binding upon all persons for a period of twenty-five (25) years from the date hereof. Each of the covenants herein contained is several and separate from the other covenants, and invalidity of any covenant shall not affect the validity of any other provision of this instrument.

21. Enforcement by Developer. Nothing herein contained shall in any way be construed as imposing upon the Developer or any of the undersigned any liability, obligation or requirement to enforce this instrument or any of the provisions contained herein.

22. Assignment by Developer. The rights, powers and responsibilities of the Developer as outlined and contained in this Agreement may be assigned and delegated by

the Developer.
