**ARTICLE III
COVENANTS FOR MAINTENANCE ASSESSMENTS**

Section 1. Creation of the Lien and Personal Obligation of Assessments. The Declarant, for each Lot owned within the Properties, hereby covenants, and each Owner of any Unit or Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association all assessments or charges together with interest thereon, costs and attorney's fees with such assessments to be established and collected as hereinafter provided. All assessments, together with interest, costs, and attorney's fees shall be a charge on the land and shall be a continuing lien upon the real property against which each such assessment is made. Each such assessment, together with interest, costs, and attorney's fees, shall also be the personal obligation of the person(s) who was the Owner of such real property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to such Owners successors in title unless expressly assumed by them, and in that event all successors shall take title subject to the lien for such assessments and shall be bound to inquire of the Association as to the amount of any unpaid assessments.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively for the fees, expenses, charges, and costs for the operation of the Association, the enforcement of the provisions of this Declaration, the performance of the powers and responsibilities of the Association described in Section 4 of Article II and the exterior maintenance of the Lots and townhome Units situated thereon as more particularly described herein in this Article III.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot or townhome Unit to an Owner, the maximum annual assessment shall not exceed Twelve Hundred Dollars (\$1,200.00) per Unit or Lot.

(a) From and after January 1 of the year immediately following the conveyance of the first Lot or townhome Unit to an Owner, the maximum annual assessment may be increased each year by the Board of Directors without a vote of the members by a percentage of the prior years' assessment, which percentage shall not exceed the greater of ten percent (10%) of the maximum assessment for the previous year or the percentage increase in the U.S. Department of Labor Consumer Price index (all items) for all Urban Consumers 1993 -94 = 100 ("CPI-U") for the month of October immediately preceding such new calendar year as compared to the CPI-U for the month of October in the prior year. If the CPI-U is discontinued or replaced, then the Board of Directors shall substitute a reasonably equivalent other index which will in their opinion accomplish the same result of reflecting general consumer price changes in the United States economy.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot or townhome Unit to an Owner, the maximum annual assessment may be increased above the percentage increase permitted in

6

subparagraph (a) above, by a vote of seventy-five percent (75%) of each class of members who are voting in person or by proxy, at a members' meeting duly called for this purpose.

(c) The Board of Directors may in its discretion fix the annual assessment at an amount not in excess of the maximum prescribed herein.

Section 4. Notice and Quorum for Any Action Authorized Under Section 3. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 shall be sent to all members not less than thirty (30) days nor more than sixty (50) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.

Section 5. Rate of Assessment. Annual assessments must be fixed, based on the status of each Lot. All Lots which have a single family residence or townhome Unit completed and residents living therein will be assessed. Residences or townhome Units under construction, which are vacant, used as models and/or unsold to third party purchasers (not the Declarant or its assigns) will not be assessed. All assessments may be collected on a monthly basis and shall be fixed at a uniform rate as to all Lots or townhome Units unless otherwise specifically provided herein to the contrary.

Section 6. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to all Lots or Units on the first day of the month following the conveyance of the first Lot or townhome Unit to a third party purchaser. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot or Unit at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot or Unit have been paid. A properly executed certificate of the Association as to the status of assessments on a Unit or Lot is binding upon the Association as of the date of its issuance.

Section 7. Special Assessments for Exterior Maintenance. The Association may levy special assessments from time to time against a Lot or Unit for the purpose of meeting any of the requirements of this Article III for exterior maintenance or for the costs of any construction, reconstruction, repair or replacement of any capital improvements on any Lot or Unit, which assessments may not be equal for each Lot or Unit.

Section 8. Effect of Nonpayment of Assessments; Remedies of the Association. Any installment of an assessment which is not paid when due shall be delinquent. All delinquent

assessments of any kind or nature made by the Association shall bear interest from the due date at the rate of sixteen percent (16%) per annum, compounded annually. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the townhome Unit or Lot, and pursue any other legal or equitable remedy. The Association shall be entitled to recover as a part of the action and shall be indemnified against the interest, costs and attorneys' fees incurred by the Association with respect to such action. No Owner may waive or otherwise escape liability for the charge and lien provided for herein by abandonment of his Lot or townhome Unit. The mortgagee of any Lot or townhome Unit shall have the right to cure any delinquency of an Owner by payment of all sums due, together with interest, costs and fees. The Association shall assign to such mortgagee all of its rights with respect to such lien and right of foreclosure and such mortgagee may thereupon be subrogated to any rights of the Association.

Section 9. Abatement of Assessments. Notwithstanding any other provision of this Declaration, the Board of Directors may in its discretion, abate all or any part of the assessments due in respect of any Lot or Unit. Lots or Units owned by the Declarant shall not be subject to the imposition of dues, assessments or the lien of any assessments.

Section 10. Subordination of the Lien to Mortgages/Trust Deeds. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage or first Deed of Trust. Sale or transfer of any Unit or Lot shall not affect the assessment lien. However, the sale or transfer of any Unit or Lot pursuant to a mortgage or trust deed foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot or Unit from liability for any assessments thereafter becoming due or from the lien thereof.

Section 11. Exterior Maintenance and Services. Exterior maintenance (as defined herein) of each townhome Unit and single family residence on each Lot shall be provided by the Association and each Owner does hereby consent to and grant and convey to the Association and its officers, employees, agents, contractors and repairmen, a perpetual and permanent easement over and across such townhome Unit and single family residence on each Lot at any reasonable time to make inspections and to perform such exterior maintenance. "Exterior maintenance" shall mean the painting of exterior wood and metal building surfaces, together with maintenance of the lawns (mowing, fertilization and chemicals), garbage pickup and snow removal. Exterior maintenance shall not include any repairs or maintenance of sanitary sewer, water, gas or electrical lines on any Owners Lot, roof repair or replacement, repair or maintenance of gutters, downspouts, sprinkler systems, or any damage to property of any kind normally covered by homeowners insurance policies with extended coverage including but not limited to such items as glass, garage doors, entrance doors and Owners personal property. There shall be no exterior painting permitted of any single family residence or townhome Unit by any Owner. All exterior maintenance that is not the responsibility of the Association shall be the responsibility of each Owner of a single family residence or townhome Unit.

In the event that the need for any exterior maintenance of a single family residence or townhome Unit or the improvements thereon by the Association is caused through the willful or negligent acts or omissions of its Owner, or through the willful or negligent acts or omissions of

the family, guests, invitees or contractors of the Owner of the single family residence or townhome Unit needing such maintenance the cost of such exterior maintenance by the Association shall be added to and become part of the assessment to which such townhome Unit and Owner of a Lot is subject under this Declaration.

With respect to those maintenance obligations that are not the responsibility of the Association, in the event an Owner of any single family residence or townhome Unit shall fail to maintain the exterior of the Owner's single family residence or townhome Unit and any other improvements situated on the Owners Lot in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon the Owners Lot and to repair, maintain and restore the single family residence or townhome Unit and any other improvements erected on the Owners Lot. The cost of such exterior maintenance shall be added to and become an additional part of the assessment to which such townhome Unit or Owner's Lot is subject under this Declaration.

Section 12. Insurance. Each Owner shall provide homeowners insurance with respect to the improvements on each Owner's Lot or Unit in an amount equal to at least eighty percent (80%) of the full replacement value of said improvements or in an amount as may be required by any mortgage holder, whichever is higher, against loss by fire, lightning, windstorm, and other perils covered by standard extended coverage endorsement, and insurance against such other hazards in amounts as are normally carried by owners of like properties. Upon request of the Association from time to time, each Owner shall provide written evidence of this insurance coverage.

Section 13. Mandatory Repair and Maintenance of Fences. Any fences that have been originally installed by the Declarant, the Association or others along the exterior or side lot lines of any Lot shall not be repaired and maintained by the Association but each Owner of the townhome Unit or Lot shall be obligated to keep in good maintenance and repair that portion of any such fence on the Owner's Lot in generally good and neat condition. In the event any Owner shall fail to maintain and repair such fence in a generally good and neat condition, the Association, after approval by two-thirds (2/3) vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon the Owner's Lot or Unit and repair, maintain and restore the fence and the cost of such repair and maintenance shall be added to and become an additional part of the assessment to which such townhome Unit or Lot is subject under this Declaration.

Section 14. Landscaping Maintenance. The Association shall provide maintenance and care only of all trees, shrubs, lawns and other exterior landscaping improvements as originally installed by the Declarant or builder or by the Association, except such improvements as may be within the confines of any closed or fenced in area on any Lot or installed at anytime by or at the direction of the Owner, in which case such improvements shall be the sole responsibility of the Owner and not the responsibility of the Association. The Owner understands that the original trees, shrubs or other exterior landscaping as installed by the Declarant or builder is not warranted for any period of time. The Owner is solely responsible for replacement of all dead trees, shrubs and other landscaping improvements as installed by the

Declarant or builder and the Owner agrees to allow the Association, in its sole discretion, to from time to time replace such dead trees, shrubs and landscaping improvements at the expense of the Owner of record at the time of replacement and the Owner shall reimburse the Association on demand for such costs.

Section 23. In the event an Owner of any single family residence or townhome Unit shall fail to strictly comply with any of the provisions of this Declaration including, but not limited to, the provisions of this Article V, the Association shall have the right, through its agents, contractors and employees, to enter upon the Owner's Lot and to remove any Improvements not in compliance with the provisions of this Declaration and to charge Owner

with the fees, costs and expenses of such removal and at its option to levy and assess any fees, costs and expenses incurred by the Association against Owner's Lot or Unit. If such fees, costs and expenses are levied and assessed against Owner's Lot or Unit the amount shall constitute a lien against the particular Lot or Unit and may be enforced by foreclosure or other remedy as provided in Section 8 of Article III herein.

ARTICLE VI PARTY WALLS

Section 1. General Rules of Law to Apply. Any wall which is built as a part of the original construction of any townhome Unit upon the Properties and placed on the dividing line between two Units shall constitute a party wall, and, to the extent not inconsistent with the provisions of this Article, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omissions shall apply thereto.

Section 2. Sharing of Repair and Maintenance. The cost of reasonable repair, maintenance and restoration of a party wall shall be shared by the Owners of such townhome Unit who make use of such party wall in proportion to such use.

Section 3. Destruction by Fire or Other Casualty. If such party wall is destroyed or damaged by fire or other casualty, any Owner of such townhome Unit who has used such wall may restore it, and if the Owners thereafter make use of the wall, they shall contribute to the cost of restoration thereof in proportion to such use without prejudice, subject however, to the right of any Owner of any such townhome Unit to call for a larger contribution from any other Owner under any rule of law regarding liability for negligent or willful acts or omissions.

Section 4. Weatherproofing. Notwithstanding any other provision of this Article, an Owner of any townhome Unit who by his negligent or willful act causes such party wall to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

Section 5. Right to Contribution Runs With the Land. The right of any Owner of any townhome Unit to contribution from any other Owner of a townhome Unit under this Article shall be appurtenant to the land and shall pass to such Owners successor in title.

Section 6. Binding Arbitration. In the event of any dispute arising concerning a party wall, or under the provisions of this Article, each party to the dispute shall choose one arbitrator, and such arbitrators shall choose one additional arbitrator, and the decision of a majority of all the arbitrators shall be binding and enforceable against the parties to the dispute. Arbitration shall be governed by the terms of the Uniform Arbitration Act to the extent consistent with the foregoing provisions.

ARTICLE VII GENERAL PROVISIONS

Section 1. Enforcement. Except for the authority and powers specifically granted to the Declarant herein, the Declarant, the Association, or any Owner of a Lot, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration either to prevent or restrain any violation or to recover damages or other amounts due for such violation. Failure by the Declarant, Association or an Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 2. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 3. Term; Amendment. The covenants and restrictions of this Declaration shall run with and bind the Properties for a term of forty (40) years from the date this Declaration is recorded (excluding the easements created herein which shall run with and bind the Properties in perpetuity), after which time they may be automatically extended for successive periods of ten (10) years by action of not less than seventy-five percent (75%) of the Owners. Except for the Declarant rights reserved in Section 4 and subject to complying with the provisions of Section 5 of this Article, this Declaration may be amended or canceled by an instrument signed by the Declarant and not less than seventy-five percent (75%) of the Owners. Any amendment or extension must be recorded in the real estate records of Douglas County to be effective.

Section 4. Declarant Amendment. This Declaration may be amended by Declarant, or any person, firm, corporation, partnership, or entity designated in writing by Declarant, in any manner which it may determine in its full and absolute discretion for a period of seven (7) years from the date of the recordation of this Declaration. Further, by written consent of the Declarant for a period of seven (7) years from the date hereof, any or all of the covenants, conditions, restrictions and easements as they apply to the Lots may be waived modified, or amended for any Lot or Lots, in any manner, for such a time period, and on such conditions, if any, which the Declarant may determine in its full and absolute discretion after considering the benefits and detriments which the waiver, modification or amendment will have on the Properties and the Owner requesting the waiver. Declarant's decision on any requested waiver, modification or amendment shall be final and binding and there shall be no right of appeal of Declarant's decision. No responsibility, liability or obligation shall be assumed by or imposed upon Declarant by virtue of the authority granted to Declarant in this Section, or as a result of any act or failure to act by Declarant with respect to any requested waiver, modification or amendment.

Section 5. Special Declarant Rights. Declarant or its successors or assigns reserves the right to terminate its status as Declarant under this Declaration, at any time, by filing a Notice of Termination of Status as Declarant. In that event, the Declarant or the Association, shall each have the right to appoint the Association or another entity or individual to serve as Declarant, and such appointee shall thereafter serve as Declarant with all the same rights, powers and authority as the original Declarant. Notwithstanding the provisions of Section 3 of this Article,

no amendment of this Declaration shall modify in any manner the provisions of this Section 5 unless consented to in writing by Declarant.

Section 6. FHA/VA Approval. During the period that there is a Class B membership and the loan on any Owner's Lot or Unit is made or insured by either the Federal Housing Administration or the Veterans Administration, the following actions will require the prior approval of the Federal Housing Administration or the Veterans Administration as the case may be: (i) annexation of additional properties within the jurisdiction of the Association; (ii) any mortgaging or dedication of any common areas of the Association; and (iii) the amendment of this Declaration.
