A-8. Except for the purpose of controlling erosion on vacant lots, no field crops shall be grown upon any lot at any time.

A-9. No incinerator or trash burner shall be permitted on any lot unless the same is incorporated into the dwelling and not exposed to view from the outside of the dwelling. No garbage or trash can or container or fuel tank shall be permitted to remain outside of any dwelling unless completely screened from view from every street and from all other lots in the subdivision. No garden, lawn or maintenance equipment of any kind whatsoever shall be stored or permitted to remain outside of any dwelling except when in actual use unless completely screened from view from every street and from all other lots in the subdivision. No garage door shall be permitted to remain open except when entry to and exit from the garage are required. No clothes line shall be permitted outside of any dwelling at any time except one umbrella-type clothes line per lot. Any exterior air conditioning condenser unit shall be placed in the rear or side yard.

A-10. No animals, livestock, fowl or poultry of any kind shall be raised, bred or kept on any lot, except that dogs, cats, or other household pets maintained within the dwelling may be kept, provided they are not kept, bred or maintained for any commercial purpose. It is intended specifically to prohibit horses, ponies or other animals sheltered outside the main dwelling except for the single dog house permitted in A-11.

A-11. No stable or other shelter for any animal, livestock, fowl or poultry shall be erected, altered, placed or permitted to remain on any lot except that a dog house shall be permitted provided the construction plans and specifications and the location of the proposed structure have been first approved in writing by Declarant, or any person, firm corporation, partnership or entity designated in writing by the Declarant, as stipulated hereinafter.

A-12. No sign, billboard or other structure for advertising or the display of advertising material of any kind shall be erected, altered, placed or permitted to remain on any lot except that real estate for-sale or for-rent signs shall be permitted temporarily in the yards of dwellings which are being offered for sale or rent.

A-13. Exposed portions of the foundation on the front of each dwelling are to be covered with brick and exposed portions of the foundation on the sides and rear of each dwelling shall be either covered with brick or siding or shall be painted.

A-14. A dwelling on which construction has begun must be completed within one (1) year from the date the foundation was dug for said dwelling.

A-15. Public sidewalks shall be constructed of concrete four feet wide by four inches thick in front of each built-upon lot and along the street side of each built-upon corner lot. The sidewalks shall be placed five feet back of the street curb line and shall be constructed by the then owner of the lot prior to time of completion of the main structure and before occupancy or use thereof; provided, however, this provision shall be varied to the extent required to comply with any subsequent requirements of the City of Omaha.

A-16. No building, fence, wall, driveway, patio, patio enclosure, rock garden, swimming pool, dog house, tree house, television antenna, radio antenna, flag pole or other external improvement above or below the surface of the ground shall be erected, placed altered, or permitted to remain on any building plot, nor shall any grading, excavation or tree removal be commenced, until the construction plans and specifications, a site grading plan and a plot plan showing the location of the structure or improvement have been approved in writing by Declarant, or any person, firm, corporation, partnership or entity designated in writing by the Declarant, which shall consider such plans and specifications with regard to type, quality and use of exterior materials, exterior design, location of improvements upon the building plot, and proposed finished grades; provided that Declarant and its designee specifically reserve the right to deny permission to construct any type of structure or improvement which it determines will not conform to the master plan for development of the subdivision. The approval or disapproval of the undersigned Declarant or its designee shall be in writing. Failure of

PART B. EASEMENTS AND LICENSES

B-1. A perpetual license and easement is hereby reserved in favor of and granted to the Omaha Public Power District and Northwestern Bell Telephone Company, their successors and assigns, to erect, operate, maintain, repair and renew, poles, wires, crossarms, down guys and anchors, cables, conduit, and other related facilities, and to extend thereon wires or cables for the carrying and transmission of electric current for light, heat and power and for the transmission of signals and sounds of all kinds and the reception on, over, through, and across a five foot (5') wide strip of land adjoining all front and side boundary lines of all interior lots, and a sixteen foot (16') wide strip of land adjoining the rear boundary lines of all exterior lots. The term exterior lots is herein defined as those lots forming the outer perimeter of the above described addition. Said sixteen foot (16') wide easement will be reduced to an eight foot (8') wide strip when the adjacent land is surveyed, platted and recorded. No permanent buildings or retaining walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping, and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted. Perpetual easements are hereby granted to Metropolitan Utilities District of Omaha, their successors and assigns, to erect, install, operate, maintain, repair and renew, pipelines, hydrants, and other related facilities, and to extend thereon pipes for the transmission of gas and water on, through, under and across a five foot (5') wide strip of land abutting all cul-de-sac streets. No permanent buildings or retaining walls shall be placed in the said easement ways, but the same may be used for gardens, shrubs, landscaping and other purposes that do not then or later interfere with the aforesaid uses or rights herein granted.

B-2. All telephone and electric power service lines from property line to dwelling shall be underground.

PART C. GENERAL PROVISIONS

C-1. For the purposes of these restrictions, two-story height as hereinbefore mentioned in Part A-1 shall, when the basement wall is exposed, be measured from the basement ceiling on the exposed side(s) to the eave of the structure on the same side(s)

C-2. The Declarant or any owner of a lot named herein shall have the right to enforce by a proceeding at law or in equity, all restrictions, conditions, covenants, and reservations, now or hereinafter imposed by the provisions of this Declaration, either to prevent or restrain any violation of same, or to recover damages or other dues for such violation. Failure by the declarant or by any owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

C-3. The covenants and restriction of this Declaration shall run with and bind the land for a term of twenty-five (25) years from the date this Declaration is recorded. These covenants and restrictions shall be automatically renewed and extended for successive periods of ten (10) years each unless and until the then owners of a majority of said lots execute and record an instrument terminating these covenants and restrictions.

C-4. Invalidation of any of these covenants by judgement or court order shall in no way affect any of the other provisions hereof which shall remain in full force and effect.

IN WITNESS WHEREOF, the Declarant has caused these presents to be executed this 6th day of JUNE, 1980.
