The Regular and Special Assessments, together with interest, costs, and reasonable attorney's fees, shall be and constitute until paid a continuing charge against and lien upon such lot or property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively without any part of the net earnings inuring to the private benefit of its members, to promote and sustain their social welfare and otherwise provide for their health, pleasure, recreation, safety and other nonprofitable interests by acquiring, maintaining, operating, contributing to the acquisition, maintenance, or operation of, or otherwise making available for use any one or more area entrances or entry structures, swimming pools, tennis courts, and any other recreational equipment, facilities, grounds, or structures, to provide weed and other actual or potential nuisance abatement or control, security service, domestic water supply, and other community services, to provide architectural control and secure compliance with or enforcement of applicable covenants, easements, restrictions, and similar limitations, and to undertake such other activities appropriate, convenient, or necessary to promote or sustain any such interest.

Section 3. Regular Assessments. Before each fiscal year, the Board of Directors of the Association shall adopt and fix in reasonably itemized detail an annual budget of the Working Fund for the then anticipated fiscal affairs and general operations of the Association for that year, and shall levy and collect monthly assessments from each Lot on the properties which, considering the revenue derived from Regular Annual assessments on unimproved lots and other sources of income, if any, shall be sufficient to fund the budget for said fiscal year. The regular assessment with respect to all improved Lots shall be uniform in amount. In recognition of the fact that a substantial portion of the budget for the Working Fund for maintenance will be attributable to upkeep, maintenance, and security upon improved lots and the common area surrounding said improved lots as opposed to unimproved lots, the regular assessment for each unimproved lot will be the sum of One Dollar (\$1.00) per month until commencement of construction thereon, and after the commencement of construction and until said lot be improved as herein defined, the regular assessment shall be Two Dollars (\$2.00) per month for each unimproved lot. The budget and assessments shall be approved and ratified by the Directors at the annual meeting prior

Section 5. Date of Commencement of Annual Assessments:
Due Dates. The Regular annual assessments provided for herein shall commence as to all unimproved Lots on the first day of the month following the conveyance of the Common Area to Sanitary and Improvement District No. 257. The Regular annual assessments provided herein as to all improved lots shall commence the first day of the month following the month during which the construction of a dwelling on said lot shall become at least 95% completed according to the plans and specifications for construction of said dwelling. As provided in the By-laws, the first Regular annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certification signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of nine per cent (9%) per annum. No Owner may waive or otherwise escape liability for the assessments provided herein by non-use of the Common Area or abandonment of his Lot.

Section 7. Subordination of the Lien to Mortgages. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 12. Exterior Maintenance. In the event an owner of any lot in the Properties shall fail to maintain the premises and improvements situated thereon, in a manner satisfactory to the Board of Directors, the Association, after approval by two-thirds vote of the Board of Directors, shall have the right, through its agent and employees, to enter upon said parcel and to repair, maintain and restore the lot and the exterior of the buildings and any other improvements erected thereon. The cost of such exterior maintenance shall be added to and become part of the assessment to which such lot is subject.
